**GOT PESTS... GET

Dear customers and colleagues,

Here we go again! It seems like just yesterday we were proudly introducing 2018 with enthusiasm for our new products, our Garden Naturals Collection, our Easy Set Modular Assortments, the “Bonified” Diagnostic Assortments, Video End Caps, Mega Deals and our national television, radio, internet and print advertising to pull it all through.

Well 2019 has arrived, and will surely build on these popular initiatives with the addition of several new products across all categories- Home, Lawn, Garden, Farm and Ranch. We also have an aggressive promotional LAWNS program, and a fun “like me on facebook” Captain Jacks Video End Cap contest, both of which will generate store level excitement and sales. We're offering a generous Root and Grow promotion as well as new Mega Deals. Your Bonide Territory Sales Manager consultants, and the entire Bonide family are at your service, with the goal of ensuring your success this coming 2019 season. Thank you for this opportunity to continue to earn your trust, and the favor of your business.

Finally, and as always, we ask our Heavenly Father to bless our entire Bonide family and those we serve. We humbly acknowledge that nothing is possible without His divine countenance.
