EXCEEDING EXPECTATIONS IN EVERYTHING WE DO

WHAT DRIVES US DRIVES YOUR GROWTH

The things that get us up in the morning and keep us focused all day are the things that drive your success ... and are the things that separate Hopkins® from other companies. Simple but important things like **SERVICE**. Our team members thrive on collaboration and will jump through hoops to maintain the highest levels of on-time, in-full shipping in the industry. And for us, service goes beyond the sale ... it includes our highly trained and dedicated team of technical support team members who take tens of thousands of calls from consumers after the purchase. We do it because we want them to have a five star experience with our products.

We know that **VALUE** is critical to shoppers when they gauge the quality of the products they buy relative to the prices they pay. So we developed a global manufacturing footprint that strikes the right balance between quality, cost and availability.

We pioneer consumer-driven **INNOVATION** that helps you maximize comparable growth year after year, while elevating your shoppers' satisfaction. We know that satisfying your shoppers helps build loyalty to our brands and the retailers who carry them. And over time, we have seen retailers who partner with Hopkins outpace the growth of the industry.

We translate shopper insights into award winning **RETAIL PRESENTATIONS**. Our compelling retail presentations capture the shoppers' attention and convert them into purchasers.

We know our **RECOGNIZED CONSUMER BRANDS** make it easier for you to satisfy your shoppers. Our portfolio now includes 28 consumer brands, including the recently acquired Blazer® lighting brand, The Detailer's Choice® car care products and Tanner's Select® genuine chamois. Our brands contribute to the confidence the consumer feels every time they make a purchase.

As a growing company, Hopkins is made up of **MULTIPLE PRODUCT CATEGORIES, MULTIPLE BRANDS AND MULTIPLE LOCATIONS**. As 2018 unfolds, you'll be hearing about a consolidation of several of our distribution centers into a state of the art distribution center near Kansas City. We are confident that this will create powerful benefits for you, such as being able to integrate purchases across product categories on the same purchase order, helping you achieve free freight minimums, and driving efficiencies in receiving and accounting. Your Hopkins® sales team pro will be reaching out to you in the coming months with all the details!

Since 1953

DUO™

2 - i n - 1 A U T O A I R F R E S H E N E R

THE SMARTER AND FRESHER CHOICE™

Eliminates Odors

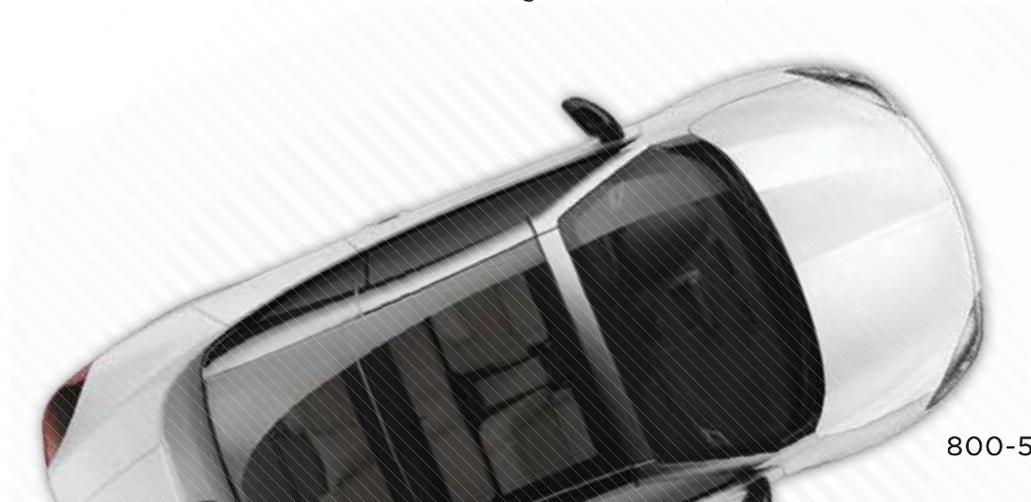

Bad odors are the #1 purchase trigger for automotive air fresheners. Consumers do not see current air fresheners eliminating odor, rather just masking them with fragrance. There is a huge consumer need to address odor elimination.

Premium Innovation

All DUO products are designed with two chambers ... one that features a patented odor eliminator, the second that houses the fragrance, infused with essential oils for long lasting freshness that never overwhelms. The result is a visibly different product that is preferred to all existing brands in our consumer testing.

Clear Message

Clean, strikingly modern and easy to read packaging, eliminates the confusion and simplifies the shopping experience. A Scratch n' Sniff label provides an accurate fragrance sample ... leading to the highest level of shopper satisfaction.

SMARTER Odor Elimination

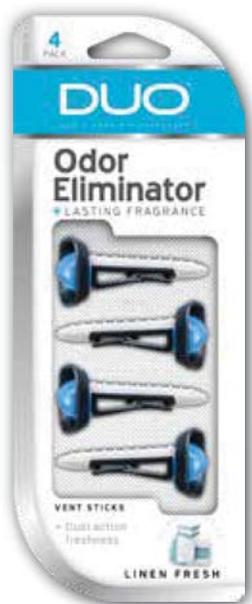

Odor Elimination Is the #1 Reason Why Air Fresheners Are Purchased

- A refreshing approach to automotive air fresheners
- DUO's patented odor elimination technology is the solution for treating and maintaining an odor free environment

VENT CLIP

2 Separate Chambers Working Together to Eliminate Odor With a Great Performing Fragrance

FRESHER Fragrances

Long-lasting Fragrances Infused With Essential Oils

DUO brings a smarter and fresher choice to automotive air care. Our 2-in-1 air fresheners are a 2 part solution. A patented odor elimination technology complemented with fresh natural aromas infused with essential oils are the perfect balance for an odor free environment. DUO's 2-in-1 air fresheners are available in a wide range of delivery systems with the most popular fragrances.

FRESH BERRY

Fresh-picked berries lightly sprinkled with rich honey to create a long-lasting fragrance

LINEN FRESH

Inspired by the nostalgic scent of sun dried laundry touched with a hint of honeysuckle

NEW CAR

Treat yourself to the luxury fragrances of amber and subtle blends of florals to create the experience of a new car interior

NIGHTFALL

The fusion of bergamot wrapped in a hint of musk and amberwood leave a pleasant, vibrant fragrance to draw you in

SPRING AIR

Invigorate your day with fresh blooming aromas of lavender and mint with a hint of rosemary

SUNRISE

Awake your senses with a synergy of aromas featuring sea salt, jasmine and white musk

Keep it dry,
keep it clean, keep it

NeverWet®

There's nothing better than creating memories ... like diving through the crashing waves of your favorite beach or gazing at a sunset streaming over the mountaintops. But some memories we try to forget. Like the grape juice stain on the back seat of your vehicle or the muddy paw prints of your best friend. For times like these, it's great to have NeverWet® seat covers. NeverWet® is an ingredient created by Rust-oleum® that water proofs seat covers. That way, spills can easily be wiped up, keeping your seat cover—and seat underneath—dry and clean.

SUPERHYDROPHOBICITY: Your customers are going to love it!

UNTREATED SURFACE

Water forms flat "pools" that stick to surfaces resulting in excessive moisture damage on the surface.

HYDROPHOBIC SURFACE

Water forms partially rounded beads resulting in some droplets rolling off of surfaces, while others remain and pool.

SUPERHYDROPHOBIC SURFACE

Water forms a round sphere resulting in water rolling effortlessly off of treated surfaces, keeping them dry and protected.

OVER 60 YEARS OF PRODUCT EXPERTISE

The Most Comprehensive Retail Tire Repair Program in the Industry

Victor™ started as a 1955 vision from the trunk of Bert Braverman's car. It was his dream to provide innovative and high quality automotive repair items and accessories to the average consumer.

At the time, his products were so captivating that a competitor actually tried to steal his line and launch them at a trade show! In the end, Bert Braverman debuted his "Grand Prize" Tire Repair Kit and stole the thunder. Later, he expanded his line to include Safety/Emergency products, Lighters, Bulbs, and Fuses. Today, Victor™ products are sold worldwide to automotive professionals and consumers who value peak performance.

MAKING WINTER DRIVING SAFER THROUGH INNOVATION

ULTIMATE BREAKTHROUGH

POLAR VORTEX™ HYBRID BRUSH HEAD SNOWBROOM

The ultimate brush head utilizes hybrid technology with innovative foam and traditional bristles to clean everywhere it counts. Scraper blade engineered with Advanced Flex-Technology™ to conform with the glass, even where it is curved and contoured. The Crossover™ curved pole is ergonomically designed to improve scraping power by maintaining proper angle of attack while extending reach

• Crossover curved pole provides powerful leverage while reaching

• Revolutionary Polar Vortex™ ice scraper conforms to windshield for maximum scraping coverage

- 360° Pivoting head functions as broom or brush
- No scratch EVA foam works as a snowplow, extra wide frost blade, or squeegee

THE UNDISPUTED LEADER IN FLUID MANAGEMENT

THE RIGHT TOOL AT EVERY STEP™

UNRIVALED INNOVATION

Continuous innovation is at the core of all we do. Within the FloTool® family of products runs a heritage of “firsts” that is driven by our commitment to Engineering and R&D. However, leading the industry through product development is not our only strength. It is our advances in merchandising and data analytic solutions that will maximize your business potential. FloTool® offers value through ingenuity to enable the ultimate in category growth.

UNMATCHED RANGE OF PRODUCTS

Only FloTool® provides all of the tools to make the DIY oil change process easy ... from heavy-duty ramps, to filter and drain plug wrenches, to oil drains, to funnels. And only FloTool® can tailor your planogram with innovative step-up solutions that make vehicle maintenance easier for DIY'ers ... keeping your customers satisfied and coming back for more drain containers.

ALWAYS THE RIGHT BRAND

The battle for brand loyalty is a constant in the oil, filters and antifreeze segments. For the brand neutral FloTool® line of products, reliance on lubricant, fluid and chemical brand affiliation is non-existent. We are always compatible, regardless of the brand allegiance of your customer. Never lose a sale by having the wrong brand.

FloTool® is always the right choice.

LIFTING DIY OIL CHANGE TO THE HIGHEST STANDARD

Patented structural design combined with high strength, lightweight material makes the RhinoRamps® as strong as any other ramps on the market, resin or metal.

Better by Design

Strength and stability – that was our goal. RhinoRamps® achieve this with a Strong as Steel™ superstructure and integrated Core-Trac™ non-skid feet to reduce sliding during use. Adding our superior tread pattern and wide design make these the most secure ramps on the market. A reduced rise angle also works to accommodate low profile vehicles ... a feature most other ramps can't claim!

Space Saving and Lightweight

Our unique, nestable design not only saves space in the consumer's garage but more pieces on a pallet means reducing footprint in the warehouse, on the truck and minimizes space required on the retail shelf. This combined with our lightweight material allows for easy handling and portability making RhinoRamps the best choice in lifting devices.

GRIPTECH™

The No-Slip Wrench™

MAKING OIL CHANGES QUICKER AND EASIER!

The GRIPTECH™ family of wrenches uses a non-slip grip that is superior to traditional oil change tools. This patented, innovative grip allows the wrench to firmly grab the oil filter and remove it easily, quickly and without scrapes and bruises. Taming and simplifying the oil change experience encourages DIYers to perform maintenance at regular service intervals. That's exactly what GRIPTECH™ delivers.

THE RIGHT FUNNEL, THE RIGHT FIT

The diversity of the FloTool® funnel lineup is proven in delivering step-up opportunities and comp store growth

Quickfill™ Series funnels drive consumer satisfaction with performance features that DIYers value

High-Performance

The ultimate in funnel design puts best-in-class features to work to help the DIYer get the job done quickly and easily.

Our high-performance funnels include “no-mess” splash guards, easy grip hand holds, speed channels and wide spout openings for high velocity pouring. Simply put, these funnels set the standard for fluid handling performance.

Task-Specific

FloTool® continues to be the leader in developing high margin funnels that are specific to certain tasks, making fluid handling easier for the consumer. These include measuring and mixing, gasoline control, transmission fluid and more. Task specific products generate increased revenue for you and higher satisfaction for the consumer.

Multi-Purpose

Our multi-purpose funnels include unique step-up features such as the “no-mess” splash guard, bottle rests and flexible spouts to get to hard to reach filler holes. These middle price point items are key to product differentiation, offering balance and flexibility in your planogram.

Basic Series

The FloTool® Basic Series of funnels provide essential fluid handling benefits at a value. Typically purchased by the budget-oriented consumer for smaller engine applications and general tasks, these funnels play a pivotal role in any “Good – Better – Best” product and pricing strategy.

PORTABLE FUEL FILTERS

YOUR TOOL FOR PURE FUEL

Dirt and water are the top reasons for fuel related engine failure

DIRTY FUEL IN PURE FUEL OUT

Pure Fuel Makes Any Engine Run Better and Last Longer

Dirt and water are practically unavoidable in stored fuel, causing corrosive acids, electrolysis, rust and more. These contaminants can plug filters, corrode components, decrease efficient combustion and cause engine shutdown or system failure.

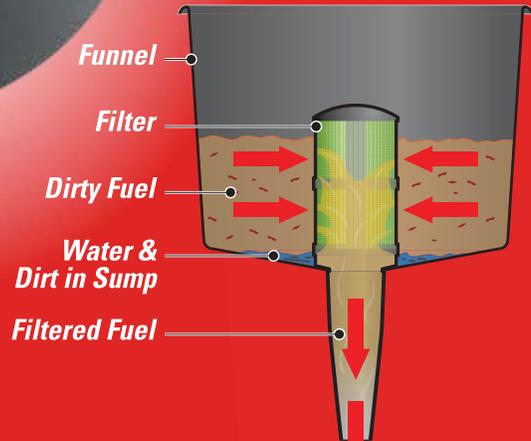

You can combat these problems by refueling with a Portable Fuel Filter. Protect your engine by using this innovative product every time you transfer fuel to your tank.

UNIQUE FILTER TECHNOLOGY

When fuel is poured through a Portable Fuel Filter, water and debris will not pass through the filter's fluoropolymer-coated stainless steel filter. Only filtered fuel flows through to your engine, improving its efficiency, durability and proper operation. The sump area collects the deflected water and debris for proper disposal.

ABSORB MORE FOR LESS

FloTool® High Performance Absorbent™ can absorb up to 8 times more liquid than traditional absorbents. The secret is how we heat-treat our wood fibers. It makes them far more effective than traditional clay and diatomaceous earth products. That's why FloTool® High Performance Absorbent™ is the best value for the consumer. Our absorbent can be used on oil, grease, lubricant, paint, water, and other fluids and is safe to use on most surfaces including concrete, blacktop, turf, carpet, linoleum, tile, and more.

FLOOR SQUEEGEES

Keeping a floor clear of spills and slickness is essential, whether it is in the commercial or DIY setting. A high quality absorbent such as FloTool® High Performance Absorbent™ will quickly stop the spread of spills, and a Mallory® floor squeegee will make clean-up a breeze. Choose from commercial-grade oil resistant blades, to general-purpose blades, to foam blades, great on smooth surfaces.

*Whatever the surface, whatever the fluid,
Mallory® floor squeegees get the job done right!*

FLOOR SQUEEGEES

COMMERCIAL GRADE (Oil Resistant)

These oil-resistant rubber blades have a higher tolerance to oil and other chemicals resulting in a longer blade life.

GENERAL PURPOSE

These general-purpose rubber blades work on all surfaces and with all fluids, perfect for the DIYer.

FOAM

A foam blade is ideal for smooth surfaces such as decks, patios, driveways, sidewalks and ceramic floors.

CUSTOMIZABLE DIY GARAGE STORAGE & ORGANIZATION AND OUTDOOR FURNITURE KITS

DIY Projects Simplified

Our 2x4 Basics® brackets are designed to make garage organization and outdoor furniture projects as simple as possible, from a heavy-duty workbench with shelves to a picnic table and matching chairs.

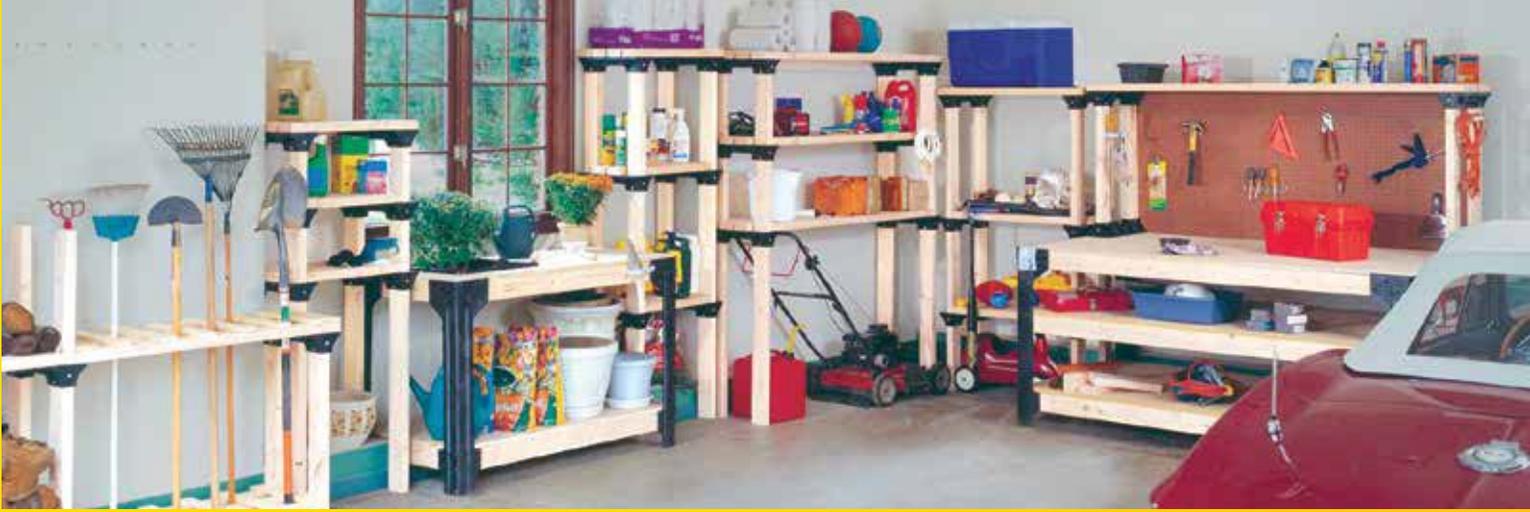

Only 90° cuts are required, no miters or angles, and projects can be built to any length up to eight feet. To simplify the process even more, only 2x4 lumber is needed for most projects.

High Quality Products

Being made of heavy gauge structural resin, all 2x4 Basics® brackets have a simple yet durable design allowing them to endure rough conditions.

Backed with a 2-year limited warranty, Hopkins® continues to uphold the high standards in quality that do-it-yourselfers have come to value and expect from 2x4 Basics® products.
