3M Perfect-it™ Gelcoat Boat Wash

1) Part Numbers

09034 : 473ml
09035 : 946ml

2) Description and end uses

3M™ Perfect-It™ Boat Wash is 3M's best product solution to clean a variety of boat surfaces. The product is a professional strength concentrate. It effectively cleans the surfaces from stem to stern without stripping wax.

3) Physical Properties

Container	Various (See Above)
Colour	Clear/Faint Yellow
Flash Point - °C	No Flash @ 20°C, 38°C, 60°C or 93°C
Viscosity (CPS) Brookfield Viscometer	100 – 1000 cps @ 25°C
Solids Content (Appx.)	0%
Solvent	0.1% VOC

4) Directions for Use

Pour 3 cap fulls of Boat Wash per gallon of water into a bucket. Apply solution with a soft sponge or soft bristle brush until debris is removed from the surface. Wash the residual boat soap off of the boat surface with a consistent flow of water, completely removing boat soap from the boat. Wipe the boat dry with a clean soft terry cloth/towel, a microfiber detailing cloth or a chamois.

5) Storage

Keep from freezing.

6) Safety

Refer to product label and safety data sheet for health and safety information before using the product.

7) Disclaimer

All statements, technical information and recommendations are based on tests we believe to be reliable but the accuracy or completeness thereof is not guaranteed. Please ensure before using our product that it is suitable for your intended use. All questions of reliability relating to this product are governed by the Terms of Sale subject, where applicable, to the prevailing law.
