Magic Coat® Tangles & Mats

Magic Coat®'s Tangles & Mats Collection tackles the worst knots and snarls with dematting tools, cleansing shampoos, and detangling spray designed to make grooming your pet's coat more manageable. Our dematting tools include an assortment of tangle-removing combs and mat breakers; our cleansing shampoos provide deep moisture to aid in smoothing coat hairs; and our new detangler leave-in spray quickly loosens mats between baths or visits to the groomer.

Tools collection shown on page 17, shampoos on page 24

Magic Coat® Reduces Shedding

Shedding is one of a pet parent's biggest challenges! Grooming aids from our Magic Coat® Reduces Shedding Collection help to prevent excess shedding while promoting a lustrous, healthy coat. Magic Coat® offers multiple deshedding tools designed for specific coat types that can help minimize shedding-related issues by removing dead hair. Our hair care products offer both wet and dry solutions to hydrate and moisturize the coat, helping to prevent future shedding. Tool collection shown on page 17, shampoos on page 24

Magic Coat® Removes Pests

Magic Coat®'s Removes Pests Collection aids in removing and killing fleas and ticks on your pet's skin and coat. Our selection of uniquely designed tools and shampoos help pet parents address the issues of pest prevention and removal. Fine and extra-fine combs, along with a lighted LED flea comb for the big jobs, provide the right tools for a variety of coat types. Our medicated shampoos offer both regular and advanced solutions for dogs, cats, puppies, and kittens, helping to rid all coat types of fleas! Tool collection shown on page 21, shampoo on page 24
