#### MANHATTAN TWO-ARM ARC LAMP

An instant solution for overhead lighting, the Manhattan 2-Arm Arc Floor Lamp provides not one, but two shades reaching up and out over a room to provide even and bright ambient lighting. With two extra long arms that adjust up/down and left/right, this Arc Lamp has the capability to spread light exactly where it is needed in your living room. A 14.5" round, chunky white marble base keeps this stately lamp sturdy. A brushed steel finish paired with textured beige fabric shades offers versatility into many types of décor. The shorter, wider tapered drum shades suspended from white fabric covered cords reveal a hint of modern influence. Two clean, white diffusers on the bottom of each shade to cast a uniform light around the room. Adjust the light to suit your needs with 3 different light settings. The 4-way switch located on the pole switches the light as follows: 1 shade on, other shade on, both shades on, all off.
