# A MESSAGE FROM DAN ARIENS

We have carefully assembled the most relevant products to help ensure your customers get the most out of their equipment – and that you get the most out of your OEM parts and accessories sales. These items should play an important role in your overall dealership business model. The right accessories, attachments and quality OEM parts offer additional sales opportunities, higher margins, and a reason for your customers to make a return visit.

**-Dan Ariens**  
**Chairman & CEO, Ariens Company**

## WHY USE GENUINE ARIENS® PARTS?

You've purchased a **legendary product**—one that promises to give you **extraordinary performance** year after year. It's the **exceptional parts** and **high quality accessories** that make up these high-performing machines. Everything on your Ariens® Sno-Thro® is built to superior standards. Every part. Every accessory. So when you choose them for your Ariens, you know you will always get the best fit, form, and function.

We manufacture the majority of our Ariens® parts at our Brillion, Wisconsin facilities, and whenever possible, source our supplies from an **American company**.

**We build with pride, so you can sell with pride.**

We are dedicated to providing you with superior products and on-time delivery, and even have a **Parts Guarantee**, providing you with same day shipment for all orders received and verified before 2:00pm CST. If your part is not in stock and placed on backorder, it will be shipped via ground with free freight.
