

Battery Operated Lighting

STANDARD

COMPACT

Wireless Motion Security Light

Battery Operated / Motion Detection / Outdoor

The Westek Wireless Motion Security Light is the affordable solution for your home security lighting when direct wiring is not an option. Ideal for under eaves, dark corners, garage doors, doorways, outbuildings and more.

FEATURES

- **MOTION ACTIVATION**

- Auto shut-off after 20 seconds
- Up to 30 ft detection range
- Light beam angle & motion detection angle of 120°

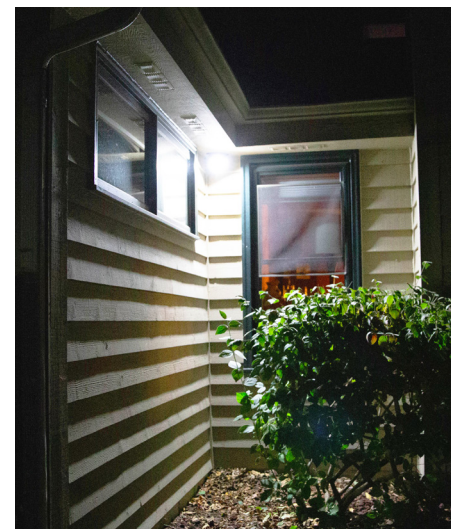

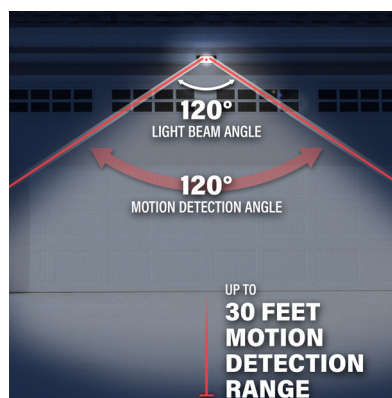

- **DUSK TO DAWN** - Only activates from dusk to dawn, saving battery power

- **SELECTABLE LUMENS** - Standard Security Light has the choice of 250 or 400 lumens at 6000K, and the Compact Security Light provides 120 lumens at 6000K

- **BATTERY OPERATED** - Affordable solution when wiring is not an option, and unlike solar, it doesn't require sunlight to operate

- **WEATHER-RESISTANT HOUSING** - Outdoor safe with an IP65 rating

- **270° ROTATING HEAD** - For precise positioning of the light beam
