## **ALLISON MERCHANDISING**

You can showcase the Allison styles and finishes you've seen in this booklet with Amerock's MSRP Group 1 merchandising options.

A useful selling tool shows suggested pairings of Allison finishes and popular cabinet colors.

Eliminate the pain point of **price shopping**. Part numbers and other SKU specific details appear only in the **product** map on the back of the board. The product map is also available for printing.

To keep the display organized, a green dot appears on the back of each item.

A row of chips shows the Allison finishes available for every item:

**Polished Chrome** 

Satin Nickel

Oil-Rubbed Bronze

**Matte Black** 

Mounting hardware is included for sheetrock or slat wall.

## INTERACTIVE BOARD OPTION

Amerock's new patent-pending Interactive merchandising solution allows customers to easily remove hardware from the board and visualize it directly on their cabinet selection.

## STATIC BOARD OPTION

This elegant white gloss display board features non-removable hardware for those preferring a static option.

Maximize the versatility of the hardware on your Interactive or Static board, or complement an existing display tower. The tray can also fit into existing vignettes.

## More ways to increase profitability.

## **ADDITIONAL MSRP GROUPS**

If you'd like to offer more options, choose from **three additional MSRP groups** that feature our top collections in on-trend finishes, including **gold** and **polished nickel**.

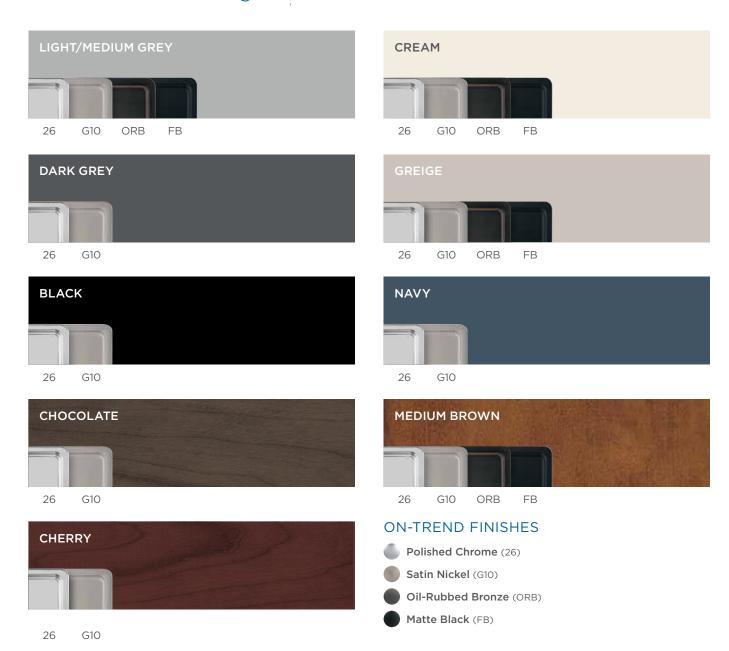

#### LUXURY CONTEMPORARY

**Don't miss the movement** — contemporary style is red-hot. Amerock now offers an Interactive, Static & Tray option for our new **Euro Contemporary collections**.

Contact your Amerock sales rep to learn more about our merchandising options.

# On-Trend Finish and Cabinet Color Pairings
