**CELEBRATING OVER 65 YEARS  
OF LEAVING *Our Mark*  
ON THE WORLD!**

**BLACKBURN**  
MARKING FLAGS & MARKING PRODUCTS

# Leaving Our Mark on the World Since 1953!

## *Our Mission:*

*Blackburn Manufacturing does its best to provide our customers with quality service and products by working diligently to meet their requirements with honesty, integrity, and without discrimination.*

## *Welcome to our 2019 edition of our product catalog!*

Thank you for your loyalty and patronage throughout the years and we hope that this catalog finds you well. As we begin our 66th year of manufacturing marking flags, I have to say that this past year was definitely a challenge. With the tariffs going into effect in early 2018, we have struggled to find the "happy medium" where we aren't having a price increase in something! You will notice that prices have gone up. To sum it up, we have seen the following increases throughout 2018 and looking forward into 2019: Steel Scrap up 16%, Fuel/Transportation up 5-6%, Operation Costs up 19%, Health Care up 18%, and Paint up 10%. As a result of this change, there has been at least a 4-5% increase on all our raw materials. It is our hope that things will start to steady as we proceed into 2019.

Should we continue to see price increases throughout 2019 that we would have to pass along, that information can be viewed on our website. Please visit us at <http://www.blackburnflag.com> for the most up-to-date pricing and products throughout this next year.

Our marking flags are 100% made in the USA at our Nebraska and California locations and we continuously strive to ensure our products are made with the best quality raw materials we can find. Our multi-color printing capabilities continue to improve and expand with new products being introduced annually. We always strive to please our customers in all their marking needs, so if you have something you need printed, please contact Blackburn Manufacturing first to see what we can do for you.

Our new website has been well received by many of our customers and we continue to make improvements to make it more user friendly for everyone. We have recently added a live chat tool to our website, so you can chat with our friendly customer service representatives about any questions you may have prior to placing your order.

We always welcome your feedback, so please let us know how we are doing with our products and services. We value your opinion and want to know what we can do to better serve you! Blackburn Manufacturing looks forward to your patronage and providing you with all your marking needs throughout 2019. Please use this product catalog as a quick reference. We wish you a very prosperous year.

EA "Bud" Blackburn, Founder

Jim, Jennifer, Krista Blackburn

Respectfully yours,  
Jennifer Blackburn-Nielsen  
President
