

Terracotta Collection

The Terracotta Collection offers the best shapes in German and Italian terracotta.

Our premier line of German terracotta is considered the world's finest terracotta crafted from finely filtered red, chocolate, marbled, and granite clays. German terracotta pots are high fired and frost resistant. The finely filtered clay process results in clean lines and an incredibly smooth texture on each pot. Our line of Italian terracotta exudes old world elegance many customers desire. Also high fired and frost resistant, Italian terracotta boasts the traditional look of classic terracotta with a slightly rough hand feel.

We offer a wide range of accessories to complement all of our pottery. Our products feature everything your customers need including high quality clear vinyl saucers, cork mats, carpet savers and plant trays. Additionally, we offer these products in floor ready displays to keep your garden center organized.
