

Industrial Ceiling Fans

Both industrial ceiling fans share the following features:

- *Corrosion-resistant, lightweight aluminum blades make installing the fan easy with 1 or 2 people*
- *6 speed, 9 blade design for high volume air movement with aerodynamic blade tip covers*
- *Silent operation with reduced motor noise*
- *Energy saving DC motor means lower operating temperature and greater longevity*
- *Reversible direction for changing seasonal needs*

This fan is available in 2 sizes:

- A. ICF72**
72" Fan in Brushed Nickel
- B. ICF96**
96" Fan in Brushed Nickel

Product made in Taiwan.
