

Modular Nests

Build your outdoor kitchen one step at a time with the **NEW** Big Green Egg Modular Nest System! Start with an EGG Frame, then add to your custom EGG display with Expansion Frames and a variety of beautiful and functional inserts. You won't believe all of the possibilities!

Exclusive Big Green Egg Design

- Build an outdoor workspace which can be tailored for size and style
- Start now and add on at a later date ... this provides the dealer with a product that will bring customers back to the store for additions
- All inserts are standardized – the same insert will fit into the top frame and lower shelf frame

Constructed with durable powder-coated aluminum and steel

4 levelers are included with EGG Frames and Expansion Frames, legs also accept optional 2" and 4" casters

- 304 stainless steel stem
- Polypropylene pad

Convenient tool hooks can be added to any side of the Modular Nest Frames

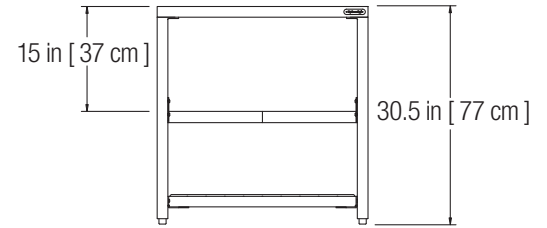

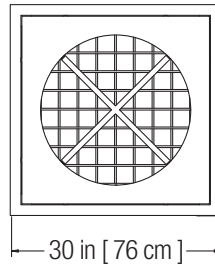

CARE: Wipe clean with a damp cloth.

EGG Frames

- Includes one EGG Frame, stainless steel grid insert and tool hook
- 4 levelers included, legs also accept optional 2" and 4" casters
- Lower shelf frame made of steel, which provides racking and sheer resistance
- Aluminum top frame and legs – if the powder coating scratches the frame remains rust free
