

Big Stretch®

Benefits

- Elasticity, moves instead of tears — eliminates costly call backs
- Spans up to 2" wide with no slump
- Powerful adhesion — won't tear or pull away
- Water-based — easy to tool & clean-up
- Exterior and interior use
- 12 decorator colors plus clear — includes the most popular window siding colors
- Superior adhesion to vinyl
- Package stable through 10 freeze-thaw cycles
- Superb paintability* — no gloss
- Stop-flow plunger eliminates waste
- 10.5 oz. cartridges - more product in each cartridge vs competitive products
- Environmentally safe
- Lifetime warranty

Drywall Corner Finishing Application! Use as an alternative to mud and tape on wall-to-wall and ceiling-to-wall corners. Big Stretch passes the drywall specification ASTM E-119 fire test with results accepted

by the NFPA (National Fire Prevention Association) 5000 Building Code.

*Some low-end, flat, latex paints may crack over Big Stretch

Formula:	Low VOC's <4%
Clean up:	Water
Packaging:	Recyclable
