2019

COME GROW WITH US!

Lawn and garden is an inspiring business to be in, and there's no better place to work than with the world's largest marketer of branded consumer products for lawn and garden care.

Scotts® Miracle-Gro® earned this leadership position by providing consumers with products that make it easy to create healthy lawns and beautiful gardens. Over the years, consumers have relied on our brands to meet their lawn and garden needs. Our Scotts® Miracle-Gro® brand is among the most recognizable brands in America.

MARKET LEADERS

Scotts® Miracle-Gro® has helped to grow the more than \$8 billion global consumer lawn and garden market by staying connected with the consumer. Through our consumer insights and dedication to innovation, we continue to bring the most trusted lawn and garden products to consumers worldwide.

We have developed true partnerships with the world's leading retailers as well as local garden centers, nurseries, and other sales channels. Additionally, we have invested significantly in our brands, advertising, infrastructure, and people, building a stable and growing business.

HELPING OUR CONSUMERS

We help our consumers express themselves on their own piece of the Earth by providing innovative products and solutions to create beautiful and healthy lawns and gardens. Our trusted brands meet our consumers' unique needs – whether natural and organic products or solutions for indoor and urban gardening, we are always listening to our consumers so we can develop the products they need.

Gro Center NEW

All of the essential plant support accessories in one display. High visibility graphics show customers how to download and use the new My Garden app from MiracleGro. The My Garden app gives you step-by-step plans for growing specific plants without the fuss, making growing easier and better for everyone.

Add MiracleGro Fertilizer Products to make this the ultimate gardening accessory display

Saucer Display NEW

Crafted from natural wood, this display is the perfect display for floral departments and small garden centers. 48" x 24" upper deck add merchandising space for potted flowers or pots. Adding saucers and accessories to your floral department has never been easier.
