CAPTAIN JACKS'

Got pests...get REVENGE®

About Us

Founded in 1926, Bonide® has become a global leader in the gardening industry. Since joining the Syngenta Group in 2019, our family business has expanded its global footprint, gaining valuable resources to continue delivering top-quality pest control products for generations to come. Based in Oriskany, NY, our team of over 200 dedicated professionals passionately produces a diverse range of synthetic and organic gardening products.

Our unwavering commitment to meeting the needs of every gardener is reflected in our comprehensive selection of weed, insect, disease and animal control products, available in multiple formulations and applications. You can find our premium products at national, regional and local home centers, hardware stores, mass merchants and garden centers across America. Bonide® is recognized and respected as an industry leader—a testament to the trust and admiration we've earned from gardening enthusiasts like you.

We take immense pride in our rich heritage, which fuels our excitement for the future. We deeply appreciate your support of the Bonide® family and are honored by the trust you place in us.

As we continue to innovate and expand, we remain committed to providing the highest quality solutions to help your gardens thrive.
Together, let's cultivate a greener, more beautiful world.

12-pack | 40oz. **RTU**	099
0 37321 00099 0	
12-pack | Qt. **Conc.**	102
0 37321 00102 7	

Best Practice Tip:

Water Deeply, Not Daily

Encourage deep root growth with less frequent, deep watering. Most outdoor plants thrive with 1–2 inches of water per week. More than that can actually harm them.

Pest Control

Invisible Roach Bait

0.6% Indoxacarb

- Invisible bait is effective on roaches for up to 2 years
- Innovative puffer applicator places bait where others can't
- Ideal for use in kitchens, bathrooms and living rooms
- Non-staining, odorless and invisible
- Also kills Ants, Earwigs, Pillbugs, Stinkbugs, Firebrats and more

8-pack | 3-gram **Puffers**	46406

0 37321 46406 8

- Utilizes pulley configuration

1-pack | **Mounting Hardware**	46160

0 76807 12800 1

DUST-ON™ Fly and Lice Control

0.25% Permethrin

- Controls Flies, Lice, Fleas, Ticks and more
- Use on and around Cattle, Horses, Swine, Poultry and Dogs
- Kills and repels for up to 4 weeks
- Easy to Use
- For indoor-outdoor use

12-pack | 4-lb. **Shaker Jugs**	46401

0 37321 46401 3

Best Practice Tip:

Use Fly Catchers and Tape Wisely

Place fly catchers and tape away from animal areas. Placing them too close to stalls could draw flies closer to animals.

Your Dedicated Sales Team

With their unparalleled expertise and commitment to your business, your dedicated Bonide® salesperson will guide you towards innovative solutions and tailored strategies that will elevate your lawn and garden business!
