vegetables

GUARANTEED ANALYSIS

Calcium (Ca) 0.7%

Derived from calcium citric acid.

Keep Out Of Reach Of Children

GARDEN
Rich

Bonide Tomato & Blossom Spray is a ready-to-use liquid formulation of calcium. Used as directed, it may promote flowering, promote blossom set and reduce blossom end-rot. Blossom end rot is a physiologic disorder associated with calcium deficiency. For use on Tomatoes, Beans, Cucumbers, Eggplants, Melon, Okra, Peppers and Strawberries.

Shake well before using. Spray the flowers and adjacent foliage with Tomato & Blossom Spray until leaves are completely wet. Repeat as blossoms appear or at weekly intervals. For maximum benefit, spray total plant foliage.

For use as directed on the following plants: Tomatoes, Beans, Cucumbers, Eggplants, Melons, Okra, Peppers, Strawberries and Grapes.

CAUTION: Keep out of reach of children. Avoid contact with skin or eyes. May cause irritation.

FIRST AID: If on Skin: Flush with water. If in Eyes: Flush with water, get medical attention.

STORAGE AND DISPOSAL: Do not reuse empty container. Wrap container and put in trash. Store and transport in an upright position.
