MADE WITH NORTH AMERICAN STEEL

Proudly made in North America. We are committed to producing gas grills that you can count on for the utmost in performance and durability. Our gas grills are manufactured in North American factories located in Huntington Indiana, Dickson Tennessee and Waterloo Ontario. Our barbecue grill components are sourced with preference given to domestic suppliers whenever possible but may include some globally sourced components. The cook box, steel cart / cabinet, shelves and many other components are all fabricated by our skilled North American workforce with quality North American sourced steel.

Onward Manufacturing is fully integrated with in-house design and engineering, tool and die making, precise metal stamping and fabrication, powder epoxy painting, porcelain enameling, injection molding, aluminum die casting, final assembly and packaging, supply chain and distribution. We are not just assemblers, we are fully committed to the entire process ensuring we control the quality from start to finish.

We are a proud family owned company, since 1906. With over thirty years of experience building high quality gas grills and maintaining an inventory of genuine Broil King® parts, you can rely on us to be there when you need us. Should you ever have a question or require assistance, we have a dedicated team of North American based customer service professionals waiting to assist you.

“We won’t compromise on quality.”

Ted Witzel | CEO Onward Manufacturing

AMAZING HEAT RETENTION

THE COOKBOX Made from die-cast aluminum, porcelain enameled steel, or high-grade stainless steel; these durable cook boxes provide excellent heat retention and long lasting durability. They are designed to ensure even heating and heat retention for precise control.

PERFORMANCE

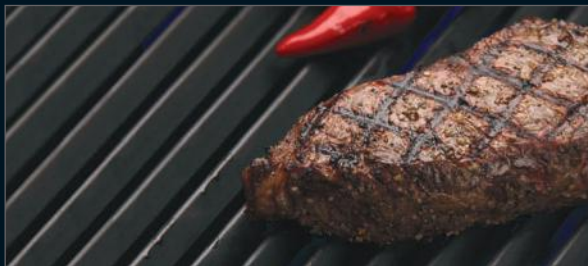

THE BURNER Made from high quality, heavy-duty stainless steel, Broil King's large diameter, patented tube-in-tube side ported burners provide even heat distribution with two rows of flame per burner.

INCREDIBLE FLAVOR

THE FLAV-R-WAVE™ The stainless steel cooking system provides superior heat distribution across the entire surface of the grill and protects the burners. Drippings that fall onto the Flav-R-Wave™ are instantly vaporized. The vapor created through this process infuses back into the food for that unmistakable barbecue flavor.

STEAKHOUSE SEAR MARKS

THE COOKING GRIDS These cooking grids deliver excellent heat retention and exceptional searing power to lock in juices and flavor. Made with either stainless steel or iron, the heavy "cast-design" grids have two sides. One side is pointed for perfect steakhouse sear marks while the other side has grooves for continuous basting. Solid 9mm stainless steel cooking grids are available on select models. All Broil King® cooking grids are easy to maintain and provide long lasting durability.

PERFECT TEMPERATURE

THE CONTROL Linear-Flow™ valves with 180° Sensi-Touch™ control knobs give you infinite heat control, allowing you to set your grill to the perfect temperature for searing, roasting or slow cooking.

BUILT FOR GREAT FLAVOR.

Every Broil King® gas grill is built to provide unparalleled cooking versatility. No matter what model you choose, the legendary Broil King® cooking system gives you the ability to cook almost anything on your grill in any style you desire. You can sear steaks to perfection, rotisserie cook poultry or roasts, and even bake elaborate desserts. Every part of the cooking system is designed and engineered for a specific purpose. When combined, the results are simply spectacular. There's no mistaking the Great Flavor you get with Broil King®.

Michael

REGAL

TEAM CANADA PITMASTER MICHAEL CALLAGHAN

A recipient of many awards including a first place for *Best BBQ Sauce* at the World Championship Cooking Contest in Memphis, Tennessee, Mike is no stranger to the international stage. *“Our team proudly uses Broil King grills. They are, without a doubt, an exceptional, quality product that we know we can rely on in a competition.”*

When asked about the man behind his amazing food, Mike smiled and said, *“I’m just your everyday griller that wants to do the best he can and grill what everyone wants to enjoy.”* Mike adds, *“My family and friends are my true judges and they are the people I always like to please.”*

“From gas to charcoal...these grills are fantastic!”

Mike Callaghan | Canadian National BBQ Team

*“It’s the perfect combination in the quality
of the ingredients and the grill.”*

Mike Callaghan | Canadian National BBQ Team

LUXURY IMPERIAL™ SERIES

The Imperial™ series takes luxury and performance to a whole new level. Light up the night with control knobs and oven lights to instantly create an ambiance at your next outdoor get together. Crafted with durable North American stainless steel, the exterior is inspired by professional cooking appliances. Featuring commercial-grade cast stainless steel cooking grids, a double-wall stainless steel cook box and patented stainless steel Dual Tube™ burners, the Imperial™ series is a line of luxurious, affordable grills made for the professional and the adventurous outdoor chef.

“Unprecedented flexibility for complex meals.”

Peter | Greater Sudbury, Ontario

Durable stainless steel lid

Rigid steel cabinet with stainless steel door and drawers

Broil King® Premium Cover 68492 (Sold Separately)

Cast Stainless Steel

IMPERIAL™ SERIES FEATURES

CAST STAINLESS STEEL GRIDS

POINTED SIDE

GROOVED SIDE

Begin with the easy-to-clean maintenance and long lasting durability of stainless steel. Now, melt and mold this stainless steel into the shape of Broil King's renowned cast iron cooking grids and you have the ultimate grilling experience. Like their cast iron counterpart, these grids have two sides. One side is pointed for perfect steak house grill marks, while the other side is grooved to capture juices for continuous basting.

CONTROL KNOB LIGHTS

Push a button and the control knobs illuminate to create a stylish look that you'll find both attractive and functional after sunset.

CAST IRON SIDE BURNER

The high-powered 10,000 BTU commercial-grade side burner allows you to do more. Create mouth-watering side dishes, soups or sauces while you grill.

STAINLESS STEEL ROTISSERIE BURNER

The powerful 15,000 BTU stainless steel rotisserie burner comes complete with a premium spit rod and motor to consistently deliver even heat for superior results.

BUILT-IN OVEN LIGHTS

Located in the cookboxes are built-in oven lights. A convenience that allows you to see what you're grilling at night.

ELECTRONIC IGNITION

The Sure-Lite™ electronic ignition offers you peace of mind knowing your barbecue grill will start quickly and easily.

PULL-OUT TANK DRAWER

Propane tank changes are quick and easy with Broil King's pull-out tank drawer. This feature is standard on all Imperial™ series propane models.

STAINLESS STEEL COOKBOX

All Imperial™ models come with a durable stainless steel cookbox and a double-walled lid. The cast aluminum end caps retain heat for even, efficient cooking and provide long lasting durability.

LEVEL Q™ LEG LEVELERS

Located under the front cabinet, these convenient, durable resin leg levelers allow you to quickly and firmly stabilize your Broil King® on uneven surfaces.

STORAGE DRAWERS

Standard on every Imperial™ model are two easy-glide storage drawers. A convenient and handy feature for storing grilling accessories and other essentials you need close at hand.

SIDE SHELF BINS AND TOOL HOOKS

Convenient and spacious areas for sauces, spices and grilling tools. The right side shelf also has a pull-out drawer for even more storage.

Broil King

REGAL

ENTERTAIN REGAL™ SERIES

Entertaining your guests is what Broil King® specializes in. The Regal™ series has more style and function than ever before with legendary cooking results you've come to expect. Precise temperature control to sear the perfect steak. A convenient commercial-grade side burner to sauté mushrooms. Delicately grilled vegetables and baked au gratin. These grills are designed to help you create mouthwatering dishes that will surely be the hit of the party. All the features that have made us an industry leader are apparent from the fit and finish to outstanding grilling performance. For the outdoor chef who lives to entertain; welcome to the Regal™ series.

“Everything you put on the grill turns out perfect.”

BARON™ SERIES FEATURES

CAST IRON GRIDS

Broil King's cast iron grids are reversible. One side is pointed to give you perfect grill marks, while the other side is grooved to capture juices for continuous basting while cooking. *Season the cooking grids regularly for a durable non-stick finish.*

POINTED SIDE

GROOVED SIDE

180 DEGREE CONTROL VALVES

Linear-Flow™ valves with 180 degree rotation gives you infinite heat control. This allows you to set your grill to the perfect temperature for searing, roasting or slow cooking.

STAINLESS STEEL SIDE BURNER

The high-powered 10,000 BTU professional side burner allows you to do more. Create mouth-watering side dishes, soups or sauces while you grill.

STAINLESS STEEL ROTISSERIE BURNER

The powerful 15,000 BTU stainless steel rotisserie burner comes complete with a premium spit rod and motor to consistently deliver even heat for superior results.

FOLD-DOWN SIDE SHELVES

The durable, stainless steel side shelves are designed to quickly and easily fold down for convenient storage in tight spaces.

ELECTRONIC IGNITION

The Sure-Lite™ electronic ignition offers you peace of mind knowing your barbecue grill will start quickly and easily.

BUILT-IN TANK HOLDER

Located behind the left cabinet door is a built-in tank holder to conveniently hold and conceal a propane tank.

DURABLE COOKBOX

All Baron™ models come with a durable cookbox and a double-walled lid. The cast aluminum end caps retain heat for even, efficient cooking and are built to last.

LEVEL Q™ LEG LEVELERS

Located under the front cabinet, these convenient, durable resin leg levelers allow you to quickly and firmly stabilize your Broil King® on uneven surfaces.

ACCESSORY HOOKS

Keep your tongs, turners and grill brushes close at hand. Convenient tool hooks are perfect for hanging all of your grilling essentials.

STAINLESS STEEL SIDE SHELVES

Baron's stainless steel side shelves are perfect for food preparation and keeping your grilling essentials close at hand.

SIGNATURE SOVEREIGN™ SERIES

Known for its deep Therma-Cast™ aluminum oven and solid 9mm stainless steel cooking grids, the Sovereign™ series provides superior heat retention and outstanding results. The spacious storage cabinet with large stainless steel fold-down side shelves provide room for all your condiments and utensils. Available in both large and extra large sizes, these powerful gas grills are the ultimate outdoor companion. Proudly built in North America and built to last.

“Quality of the product is there - well made.”

SOVEREIGN™ SERIES FEATURES

STAINLESS STEEL GRIDS

Broil King's stainless steel cooking grids are made of heavy gauge 9mm rod. High quality steel ensures excellent heat retention and long lasting durability. Easy to use and easy to clean.

9MM THICK

RUST RESISTANT

180 DEGREE CONTROL VALVES

Linear-Flow™ valves with 180 degree rotation gives you infinite heat control. This allows you to set your grill to the perfect temperature for searing, roasting or slow cooking.

CAST IRON SIDE BURNER

The high-powered 10,000 BTU commercial-grade side burner allows you to do more. Create mouth-watering side dishes, soups or sauces while you grill.

STAINLESS STEEL ROTISSERIE BURNER

The powerful stainless steel rotisserie burner comes complete with a premium spit rod and motor to consistently deliver even heat for superior results.

FOLD-DOWN SIDE SHELVES

The durable, stainless steel side shelves are designed to quickly and easily fold down for convenient storage in tight spaces.

ELECTRONIC IGNITION

The Sure-Lite™ electronic ignition offers you peace of mind knowing your barbecue grill will start quickly and easily.

BUILT-IN TANK HOLDER

Located behind the cabinet doors is a built-in tank holder to conveniently hold and conceal a propane tank.

CAST ALUMINUM COOKBOX

All Sovereign™ models come with an “extra-deep” Therma-Cast™ aluminum cookbox and a stainless steel insert. The cast aluminum retains the heat for even and efficient cooking and provides long lasting durability.

LARGE CRACK-PROOF WHEELS

All Sovereign™ models come with two large crack-proof wheels for easy maneuverability and two locking casters to keep the grill in place.

ACCESSORY HOOKS

Keep your tongs, turners and grill brushes close at hand. Convenient tool hooks are perfect for hanging all of your grilling essentials.

SIDE SHELF BINS

The side shelves provide convenient and spacious areas for sauces, marinades and condiments.

CLASSIC SIGNET™ SERIES

A true classic that has stood the test of time. The Signet™ series is one of our most popular gas grills and offers over 600 square inches of total cooking space and features heavy-duty cast iron cooking grids. With three stainless steel Dual-Tube™ burners, you can cook a variety of foods all at the same time. The quality Therma-Cast™ aluminum oven retains heat for convection cooking large roasts and even your holiday turkey. The Signet™ series is trusted by grilling enthusiasts around the world for great results, every time.

“Great Grill. Great Price.”

ON-THE-GO PORTA-CHEF™ SERIES

Grilling on-the-go has never been easier and more convenient than with the Porta-Chef™ series. These grills come with a durable cast aluminum cook box to retain the heat for even cooking, cast iron cooking grids to sear the perfect steak and a Flav-R-Wave™ cooking system to vaporize juices and infuse great flavor back into the food.

There are two new additions to the series. The all-terrain Porta-Chef™ AT220 is designed for the more adventurous outdoor griller. The Porta-Chef™ Stove has two powerful burners for a total of 17,000 BTUs. Use one burner to quickly boil water for morning coffee and the other burner to heat up the frying pan for delicious bacon and eggs. It's the perfect travel companion with any of the Porta-Chef™ grills.

Designed for patios and decks, camping and tailgating...anything. The Porta-Chef™ series offers great performance, dependability and durability.

“Outstanding portable grill.”

CAST IRON GRID

Porta-Chef™ models 320, AT220 and I20 all come with cast iron cooking grids that deliver excellent heat retention and exceptional searing power to lock in juices and flavor. *Season the cooking grids regularly for a durable non-stick finish.*

PORCELAIN COATED STEEL GRID

The Porta-Chef™ 100 and Stove models come with porcelain coated steel cooking grids that deliver excellent durability.

180 DEGREE CONTROL VALVES

Linear-Flow™ valves with 180 degree rotation gives you infinite heat control. This allows you to set your grill to the perfect temperature.

STAINLESS STEEL TUBE BURNERS

Made from high quality, heavy-duty stainless steel, Broil King's large diameter, side ported tube burners provide even heat distribution with two rows of flame per burner.

CAST IRON BURNERS

The camp stove features two top ported cast iron burners with 17,000 BTUs of performance. The steel chimney surround protects against wind and directs more heat towards the pot or pan.

FLAV-R-WAVE™ COOKING SYSTEM

Designed for superior heat distribution across the entire surface of the grill and protects the burners. Drippings are instantly vaporized and infused back into the food for that unmistakable barbecue flavor.

ELECTRONIC IGNITION

Porta-Chef™ models 320, AT220 and 120 all come with Sure-Lite™ electronic ignition for a quick and easy start up.

DURABLE RESIN SIDE SHELVES

Porta-Chef™ models 320 and 120 models come with durable resin shelves to hold your grilling necessities. The 120 shelves are removable and the 320 shelves fold down for easy portability.

CAST ALUMINUM COOKBOX

All Porta-Chef™ models come with a cast aluminum cookbox. The cast aluminum retains the heat for even, efficient cooking and provides long lasting durability.

PUSH BUTTON IGNITION

The Porta-Chef™ 100 and Stove are equipped with a Sure-Lite™ push button ignition to ensure the burners start quickly and easily.

ACCESSORY HOOKS

Keep your tongs, turners and grill brushes close at hand. Convenient tool hooks are perfect for hanging your grilling essentials.

SNAP-IN LEGS

The Porta-Chef™ 320, 120, 100 and Stove models come with removable snap-in legs that can be stored under the grill for easy portability.

PORTA-CHEF™ SERIES FEATURES

PROPANE TANK HOLDER

The Porta-Chef™ AT220 comes equipped with a bracket system to hold a propane tank. The 120 and 100 models come with a removable metal retainer bracket.

EASY FOLD X-FRAME SYSTEM

The Porta-Chef™ AT220 provides an easy way to pack up and go with a push button collapse and spring assisted x-frame.

STEEL SIDE SHELF

The Porta-Chef™ AT220 has a durable work surface for preparing food and accessory hooks to keep your grilling tools close at hand.

PORTA-CHEF™ 320 CART

Both stylish and durable, the steel rolling cart conveniently holds and conceals a propane tank. The Quick-Mount™ system makes it easy to place your grill on the cart or take it off for your next camping trip or tailgate party. The cart has two 7 inch crack-proof wheels for easy maneuverability. A great addition to the Porta-Chef™ 320.

DRINK / BOTTLE HOLDERS

The Porta-Chef™ 120 model has two convenient bottle holders for sauces, marinades, spices or even a grill-side beverage.

ALL-TERRAIN WHEELS

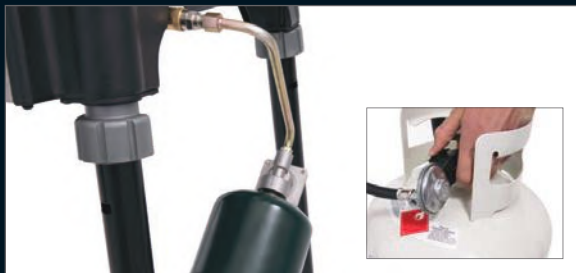

Wherever your grilling destination, the Porta-Chef™ AT220 comes with two large 7 inch rubber coated wheels to handle the terrain.

PORTABILITY

From the patio to the park, camping to tailgating...anything. All Porta-Chef™ models are designed for easy portability and easy set-up wherever you want to grill.

PROPANE ADAPTER

Select Porta-Chef™ models are equipped with a QCC1 hose connection for use with hose and regulator for a 1, 5, 10 or 20 lb propane tank.

LEG ADJUSTERS / INTEGRATED LEVEL

The Porta-Chef™ Stove comes with four leg adjusters and a built-in level to ensure that your cooking surface remains even and flat.

TABLE TOP GRILLING

The Porta-Chef™ 100 allows you to conveniently grill on a table top surface. The durable steel bracket suspends the cookbox and safely keeps the heat away from the table.

Broil King
KEG

AUTHENTIC KEG™ SERIES

Expand your grilling experience and enjoy true cooking performance with authentic barbecue flavor. The patented Broil King Keg® is an innovative charcoal grill that offers many advantages over traditional charcoal grills and other “kamado-style” grills. Unlike most ceramic “kamado-style” grills, the Keg’s durable body is made of double-walled steel with high-grade insulation in between. This technologically advanced design keeps the heat in, creating a very efficient, thermal convection-style oven while delivering superior cooking performance.

“The best kamado style BBQ, period.”

riverman | New Brunswick, Canada

KEG™ CART

Turn your Keg™ into a complete outdoor grilling area. Made of durable stainless steel, the stylish work top gives you the space you need to prepare food right at the grill. Sturdy doors and handles provide access to ample storage for grilling necessities. The convenient pull-out tray is perfect for storing bags of charcoal or wood chips and chunks.

The heavy-duty steel cabinet and base is finished with a premium powder-coat epoxy paint for long lasting durability. The grill center comes complete with 4 durable resin casters for easy maneuverability and two Level-Q™ leg levelers on the front to quickly and firmly stabilize your Keg™.

Broil King® Premium Cover #KA5536 (Sold Separately)

Keg™ not included

KEG™ SERIES FEATURES

CAST IRON GRID

The Keg™ comes equipped with a heavy duty cast iron cooking grid that holds the heat for exceptional searing. The removable 5 inch section allows you to easily add more lump charcoal to the fire. *Season the cooking grids regularly for a durable non-stick finish.*

REMOVABLE ASH CONTAINER

The Keg™ 5000 comes with a removable, slide-out ash container for quick and easy clean up.

CAST IRON DAMPER

The upper damper is made of heavy duty cast iron and allows you to control the temperature. With the included multi-tool you can control the air flow to regulate the heat for low and slow or hot and fast.

DURABLE STEEL BASE

Both Keg™ models come with a durable steel base. The 5000 model has sturdy resin wheels for easy maneuverability.

DOUBLE-WALL STEEL CONSTRUCTION

The thermal construction is truly what sets the Keg™ apart from the rest. The double walled steel construction holds the temperature at a narrow range for continuous and even heat. The result? A fuel efficient cooking system that allows you to cook low and slow or at high heat.

STAINLESS STEEL LOWER DAMPER

The Keg™ 2000 has a slide-open, stainless steel lower damper. With the multi-tool accessory (sold separately) you can control the air flow to regulate the heat.

LATCH AND LOCK SYSTEM

The latch and lock system ensures that the lid will always remain secure when transporting the Keg™ to your next tailgate party.

ROTO-DRAFT™ DAMPER

Get perfect control of the temperature. With the included multi-tool, you can easily control air flow with the Roto-Draft™ damper.

DURABLE RESIN HANDLES

Both Keg™ models come with durable "cool to the touch" resin handles on the lid and body.

ACCESSORY HOOKS

Keep your tongs, turners and grill brushes close at hand. The Keg™ 5000 comes with convenient tool hooks to hang all of your grilling essentials.

REMOVABLE SIDE SHELVES

Create an instant work surface. The Keg™ 5000 comes with two removable resin side shelves.

SWING-OUT CHROME GRID

The Keg™ 5000 comes with a chrome cooking grid to increase cooking space. The grid is removable and swings out for easy access to the lower cast iron cooking grid.

SOUTHERN SMOKE™ SERIES

Styled after a traditional southern offset smoker, these grills are exceptionally crafted with thick 2 mm / 14 gauge steel to retain the heat for precise temperature control. The large, spacious cooking chamber comes with heavy cast iron cooking grids for low and slow or high temperature charcoal searing. The offset smoker chamber infuses the food with mouth-watering authentic smoky flavor. Every detail is evident on these grills. Heavy-duty stainless handles accent the lids. Both models come with large, eight inch crack-proof wheels for easy maneuverability. Durable, pull-out stainless steel charcoal trays for easy access and thick, cast aluminum Roto-Draft™ dampers that regulate the temperature for great results. The Smoke™ offset smoker and grill are a must have for the aspiring pitmaster who enjoys authentic, smokehouse grilling.

“The missing link of the off-set world.”

The Smoke | California, United States

SMOKE™ SERIES

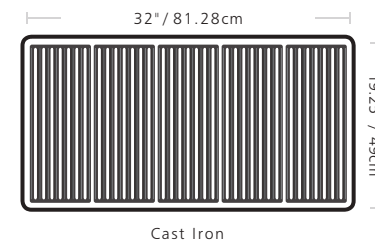

STANDARD FEATURES

Broil King® Select Cover 67060 (Sold Separately)

Cast Iron

DIRECT GRILLING

Fill the trays with charcoal to create a direct heat source for grilling steak, chicken and vegetables.

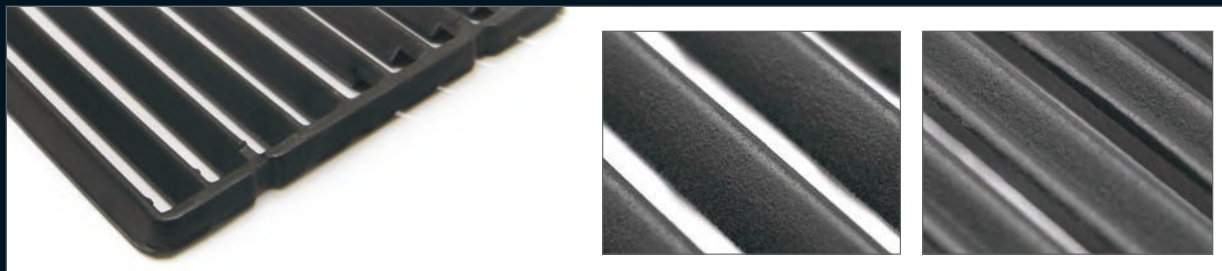

INDIRECT GRILLING

Fill the small chamber with charcoal and wood chips for smoking meat like ribs, brisket and pulled pork.

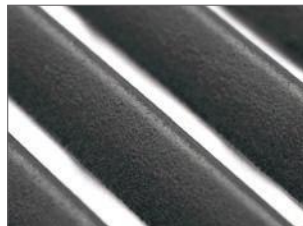

SMOKE™ SERIES FEATURES

CAST IRON GRIDS

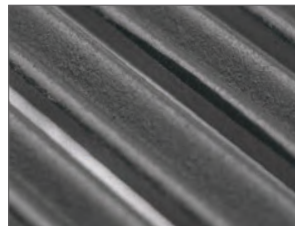

Broil King's cast iron grids are reversible. One side is pointed to give you perfect grill marks, while the other side is grooved to capture juices for continuous basting while cooking. *Season the cooking grids regularly for a durable non-stick finish.*

POINTED SIDE

GROOVED SIDE

EASY-ACCESS CHARCOAL TRAYS

Broil King's offset smoker comes with 2 easy-access charcoal trays located in the larger cooking chamber and a charcoal grid in the smaller chamber. Just add your favorite wood chips or chunks.

STAINLESS STEEL ASH TRAYS

Open the easy-access doors located on each side of the grill then slide out the durable stainless steel tray to remove ash quickly and easily.

BOTTLE OPENER

Enjoy a refreshing beverage with a convenient built-in bottle opener.

ROTO-DRAFT™ DAMPERS

Fully adjustable dampers are made of heavy duty cast aluminum. They allow precise cooking by controlling the air flow throughout the cooking chambers.

ACCESSORY HOOKS

Keep your tongs, turners and grill brushes close at hand. Convenient tool hooks are perfect for hanging all of your grilling essentials.

OFFSET CHAMBER

The multi-purpose offset chamber can be used as a smoker or place in the cast iron grids and use as a direct heat source for searing and grilling.

HEAVY-DUTY CONSTRUCTION

The Smoke™ offset and charcoal grill is constructed from 2 mm / 14 gauge steel to retain the heat for even and efficient cooking. The cooking chambers are coated with a premium quality high-heat paint for long lasting durability.

LARGE CRACK-PROOF WHEELS

Both Smoke™ models come with two large 8 inch crack-proof wheels for easy maneuverability and two leg levelers to keep the grill in place on uneven surfaces.

DURABLE STEEL SHELF

The sturdy shelf provides added strength, durability and provides convenient storage for large and small items.

REMOVABLE STEEL SHELF

The removable and durable shelf is perfect for food preparation and convenient for moving large cuts of meat on and off the grill.

Broil King

WEEKEND SMOKE™ SERIES

Broil King's Smoke™ vertical cabinet smokers are designed for the weekend griller that loves great smoky flavor. These smokers feature double-walled construction on the body and the doors for superior heat control and long lasting durability. Two cast aluminum Roto-Draft™ dampers regulate the temperature for exceptional results. Four stainless steel shelves provide lots of room for ribs, fish, poultry or anything you want to smoke. Included are easy-hang hooks that are perfect for drum sticks or wings. The handy rib and roast rack maximizes space and provides even more cooking versatility. Available in propane, natural gas or charcoal, Broil King's Smoke™ vertical cabinet smokers are designed to fit into tight spaces and engineered for amazing results.

“Awesome smoker for the money.”

SMOKE™ SERIES FEATURES

STAINLESS STEEL GRIDS

Broil King® Smoke™ vertical models come with four fully adjustable grids. With four cubic feet of adjustable cooking capacity, there is plenty of room to smoke a variety of meat all at the same time.

STAINLESS STEEL BURNER

The 15,000 BTU stainless steel burner provides even, efficient heat and also comes with a 5 year warranty. (only on the gas models)

HEAVY DUTY CHARCOAL TRAY

Broil King's vertical smokers come with a convenient slide-out charcoal tray. Just add your favorite wood chips or chunks.

180 DEGREE CONTROL

Linear-Flow™ valves with 180° control knobs give you infinite heat control, allowing you to set your smoker to the perfect temperature. (only on the propane model)

ROTO-DRAFT™ DAMPERS

Fully adjustable dampers are made of heavy duty cast aluminum. They allow precise temperature control by adjusting the air flow through the cooking chambers.

ELECTRONIC IGNITION

The Sure-Lite™ electronic ignition offers peace of mind knowing the smoker will start quickly and easily. (only on the propane model)

ACCESSORY HOOKS

Keep your tongs, turners and grill brushes close at hand. Convenient tool hooks are perfect for hanging all of your grilling essentials.

STAINLESS STEEL WATER PAN

Broil King's vertical smokers come with a slide-out water pan. Just add water or juice to infuse your food with flavor as the steam tenderizes the food.

HEAVY-DUTY CONSTRUCTION

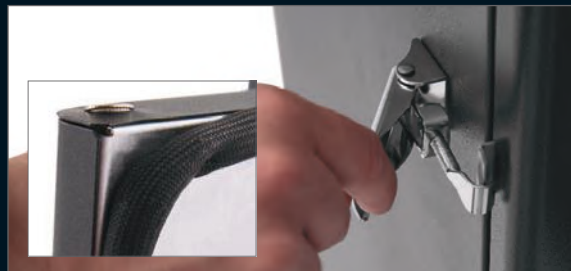

The Smoke™ vertical cabinets are constructed of double-walled steel for exceptional heat retention. The steel is coated with a premium quality high-heat paint for long lasting durability.

CASTERS WITH LEG LEVELERS

Both Smoke™ models come with two wheels for easy maneuverability and four leg levelers to keep the smoker in place on uneven surfaces.

ADJUSTABLE LATCH SYSTEM

Both doors on the Broil King® Smoke™ models come equipped with fiberglass gaskets and steel latches ensuring a tight seal. This keeps the temperature in while infusing great smoky flavor into the food.

FOLD DOWN DRIP TRAY

The unique stainless steel fold-down drip tray allows for drip-free loading and unloading of smoked foods.

DO MORE WITH YOUR GRILL

Broil King® is known the world over for manufacturing barbecue grills to the highest standards of quality and performance. That is why we have designed professional grilling tools and accessories to complement and enhance your outdoor cooking experience. When you grill you're embracing a lifestyle. A lifestyle of delicious meals, casual get-togethers and the great outdoors. Grilling takes you out of the kitchen and lets you spend more time with family and friends. Broil King® accessories can make your grilling lifestyle more relaxed by transforming your grill into the ultimate entertaining appliance. From necessities like tongs and turners, to innovative accessories like rib racks and toppers, Broil King® has whatever you need. So break free from the kitchen and start living the barbecue lifestyle!

“A Pro Tool for the Home Chef.”

Ecc1 9 7 | Ontario, Canada

69720 | GRILL TOPPER

16-IN x 11-IN stainless steel grilling topper with stainless handles and raised contours. The stamped design improves functionality and rigidity, it also makes it much easier to clean.

69820 | GRILLING WOK

12-IN x 12-IN perforated stainless steel grilling wok with handles. The stamped design improves functionality and rigidity, it also makes it much easier to clean.

69122 | NARROW GRIDDLE

A heavy stainless steel griddle designed to fit front to back on most Broil King® grills with an embossed Broil King® logo on the handle. Easy to clean and perfect for searing. 15-IN x 6.875-IN x 1-IN

69712 | FLAT TOPPER

Made with high grade stainless steel, the 15.5-IN x 13-IN design gives you more cooking space while the raised frame keeps foods contained within the topper cooking surface. Oversized stainless steel handles and square raised perforations add to its rigidity. The raised perforations also help keep food from sticking.

69818 | DEEP DISH GRILL WOK

The Broil King® Imperial™ deep dish wok topper is crafted with high grade stainless steel. The uncommonly large 13-IN x 9.75-IN design gives you more cooking space and the deep dish keeps foods contained within the wok. Oversized stainless steel handles and raised square perforations add to its rigidity. The raised perforations also help keep food from sticking.

69165 | PROFESSIONAL GRIDDLE

Heavy duty all stainless steel universal griddle with a 12.25-IN x 18-IN cooking surface and an integrated 7-OZ capacity grease trough with pour spouts.

69722 | NARROW TOPPER

Designed to sit on top of one grid segment in Broil King® grills, this roasting topper is a real space saver. All stainless steel with a unique interlocking design so that it can work with the 69822 wok as a stand alone smoker box or roasting basket. 14.5-IN x 6.5-IN x .75-IN

69822 | NARROW WOK

A deep stainless wok designed to sit on top of one grid segment in Broil King® grills. Embossed with the Broil King® logo. All stainless steel with a unique interlocking design so that it can work with the 69722 topper as a stand alone smoker tray or roasting basket. 14.5-IN x 6.5-IN x 3.5-IN

69160 | GRILLING STEEL

Nothing holds heat and delivers constant searing like 9.8-LBS of carbon steel. Designed to perform and outlast cast iron, this 11-IN x 13-IN heavyweight is the perfect tool to sear steaks, seafood, mouthwatering burgers and sautéed onions.

69819 | ROASTER BASKET

The rectangular 14-IN x 10.25-IN stainless roasting basket features micro perforations that create a smooth roasting surface. Easy to clean and perfect to cook on.

63105 | STAINLESS ROASTING PAN

This stainless roasting pan has integrated handles and an embossed Broil King® logo in the face. Use as a roasting pan or drip tray for the Broil King® 62602 rib rack. Easy to clean. 13.5-IN x 9.5-IN x 1.5-IN

69614 | PAELLA PAN

14-IN stainless steel paella pan. A traditional design Paella pan that can also be used as a multi-purpose pan for roasting or frying. Features embossed heavy duty handles and a dimpled pan base for added rigidity. The perfect size for use on the Broil King® Keg™.

69700 | CAST MINI ROASTER

Made from heavy cast iron, the Broil King® mini roaster provides even heat when baking creamy spreadable brie or individual baked dishes. The durable porcelain coating makes cleaning quick and easy. Includes a wooden spreader. 5-IN diameter/ 2.5 cups

69470 | CAST FAJITA SET

Heavy duty cast iron skillet for preparing fajitas and other fried items on the grill. The set includes a bamboo base and silicone handle cover for moving the cast pan around.

EXACT FIT GRIDDLES

Heavy duty cast iron griddles designed to be reversible; one side is smooth for frying while the other side is ribbed for searing. Matte porcelain coating. Use in place of a section of your Broil King® cooking grids.

69616 | FOIL RIB ROASTER

Designed to keep ribs off the bottom of the roasting pan and steaming in their own juices, or other flavored liquids. Ribs cook completely and stay moist in far less time. The foil rib roaster can be used as a stand-alone item, or as liners for the Cast Rib Roaster to keep it clean while in use. 5.5-IN x 16-IN x 4-IN of usable space.

69615 | CAST RIB ROASTER

Made of heavy cast iron surrounded by a durable porcelain coating, it has an internal roasting rack to elevate ribs off the bottom of the pot for steaming in their juices, or other flavored liquids. Ribs cook completely and stay moist in under an hour. Crafted to fit directly on the cooking grids or Flav-R-Wave™ of a Broil King® grill. 5.5-IN x 16-IN x 4-IN of usable space.

ITEM	MODELS

11237	PORTA-CHEF™ 320, GEM 320
11239	SMOKE™ OFFSET, CHARCOAL GRILL

69710 | CAST GRILLING WOK

A durable porcelain coating surrounds heavy cast iron making this grilling wok one sought after accessory. Not only easy to clean, the Broil King® wok can deliver constant searing thanks to cast iron's ability to hold and distribute heat evenly. 14-IN diameter; depth 3.75-IN

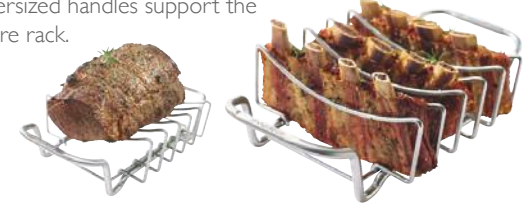

64049 | GRILLING SKEWERS

Two prongs are the best way to keep cooked foods from spinning when they're being moved or flipped. Nobody likes kebabs that are cooked on only one side. Made of durable easy to clean stainless steel. 12-IN / 30.5 cm overall length. Set of 4

62602 | RIB RACK AND ROAST SUPPORT

The rib and roast rack accommodates 5 racks of ribs within an ultra durable high grade stainless steel wire frame. The multi-use design also accommodates large cuts of meat for roasting on the upper concave wire structure. Oversized handles support the entire rack.

69618 | IMPERIAL™ / REGAL™ CAST WOK

Built specifically to fit front to back on a Broil King® Imperial™ or Regal™ gas grill or Smoke Charcoal Grill / Smoker. This durable heavy cast iron wok sits close to the heat source for high heat sautéing and roasting. Seasoning the cast will help it last for years and deliver a great non-stick surface; care for it as you would a cast iron pan. Easy to move with the 60745 Broil King® grid lifter. Integrated feet allow it to be used on any gas grill.

64233 | MULTI RACK AND SKEWER KIT

The perfect roast and poultry rack, kebab holder and rib rack set. The Multi rack kit features a stainless roasting and rib rack and 6 stainless double pronged skewers. This kit is as multi-functional as a grilling accessory can get. Includes 6 stainless skewers, can hold up to 6 racks of ribs.

64045 | DUAL PRONG SKEWERS

Set of four stainless steel heavy duty skewers with two prongs to hold food firmly, easy to turn thanks to the oversized Broil King® branded handle. Easy to clean and built to last. Length 14-IN

69617 | BARON™ / SOVEREIGN™ CAST WOK

Built specifically to fit front to back on a Broil King® Baron™ or Sovereign™ gas grill. This durable heavy cast iron wok sits close to the heat source for high heat sautéing and roasting. Seasoning the cast will help it last for years and deliver a great non-stick surface; care for it as you would a cast iron pan. Easy to move with the 60745 Broil King® grid lifter. Integrated feet allow it to be used on any gas grill.

69138 | KEBAB RACK

Covering slightly more than one standard grid segment this space saving kabab rack holds 4 dual prong skewers at a time in two possible positions. Lay the skewers flat to keep them away from the heat or stand them vertically to get them close to or on the grill surface. Easy to clean stainless steel. Set of 4 12-IN / 30.5 cm skewers

64050 | PRESENTATION SKEWER RACK

Kebabs are a backyard grilling classic that can now be easier to cook, serve and share. With 16 skewers and two heat resistant 1/3 cup sauce cups, this rack can go straight from the grill to a cutting board or table side. Stainless cups are great for cold or warm sauces or dips and easy to clean.

69133 | CHICKEN ROASTER WITH PAN

The Broil King® Imperial™ chicken roaster is crafted of stainless steel with a heavy 9-IN x 9-IN base and oversized handles. The twist on beer can holder has a large enough capacity to replace the beer can entirely and is vented at the top for better steaming action.

64152 | WING RACK

The wing rack set includes a stainless steel pan and wing rack that folds for convenient storage. The stainless wing rack allows users to hang chicken wings, thighs, drumsticks, etc. without placing them on the grill surface. This helps to cook the wings without sticking to the grids and the pan prevents flare ups.

69815 | STONE GRILL SET

The Broil King® Imperial™ pizza stone features a high grade 1.2 mm stainless steel cradle with oversized 10 mm stainless steel handles. The set includes a resilient 13-IN pizza stone, able to withstand rapid temperature changes, high grade stainless cradle with integrated thermometer, and wooden pizza peel. The cradle is also designed to keep the pizza from sliding off of the stone while removing it with the peel.

69824 | ROASTER STEAMER

Stainless steel multi use topper for roasting chickens, baking pizzas, steaming veggies, seafood, etc. One topper with endless options. 13-IN diameter.

65070 | PREMIUM GRILL BASKET

Made of stainless wire with a soft grip detachable handle, this grilling basket is ideal for roasting on the grill or fireside. Multi-position lid, simple to use locking mechanism. 12-IN x 12-IN

69814 | 15-IN GRILLING STONE

The 15-IN diameter ceramic composite grilling and pizza stone is ideal for high temperature baking on your grill. The extra thick .75-IN stone provides more even heat and better insulation from the direct flames. The composite resists moisture or temperature related cracking.

69132 | CHICKEN ROASTER

The best way to roast poultry on your grill! Includes one set of stainless steel supports that can accommodate most chickens and secure a beverage can; also features a Broil King® embossed stainless steel pan. Silicone bezel chicken thermometer included.

69155 | IMPERIAL™ PEPPER ROASTER

The Broil King Imperial™ stainless pepper roaster has an integrated heat shield lower-rack to help cook peppers evenly without burning; two sizes of holes to accommodate many sizes of Jalapeño and other small size peppers. Two rows ensure even cooking for up to 14 peppers; heavy 10 mm handles and thick 1.2 mm trays, built for quality and performance.

69800 | PIZZA PEEL

Any pizzeria can swear that the most important ingredient after dough is a great stainless pizza peel. Designed with a folding handle to save space, the Broil King® pizza peel is a must for pizza enthusiasts. Soft grip folding handle with large 11.75-IN blade is easy to clean. 25.5-IN overall length.

64004 | IMPERIAL™ GRILL TOOLS

The Broil King® Imperial™ 4 piece barbecue tool set features a durable design tough enough for even the most demanding griller. Large, high density resin handles with sleek stainless inlays. The tools are made from a single piece of extra thick stainless steel; the ideal fusion of functionality and durability. The set includes a turner, locking tong, silicone basting brush, and grill brush.

64000 | MONARCH™ TOOL SET

The Monarch™ series 7 piece tool set contains a turner, locking tong, basting brush and 4 stainless wire skewers. Wire body design with soft grip resin handles.

64010 | IMPERIAL™ SUPER FLIPPER

The Broil King® Imperial™ stainless steel super flipper is crafted of the same quality materials as the professional stainless steel turner with a blade nearly twice the length for flipping more burgers or picking up larger items on the grill. Made from high grade stainless steel with an integrated hanging hook and a high density resin handle inset with the stainless steel Broil King® logo.

64952 | SOVEREIGN™ GRILL TOOLS

This 3 piece tool set features quality formed stainless steel tools with soft grip rubber handles. Turner, locking tong and fork.

64001 | PORTA-CHEF™ TOOLKIT

Take the whole grilling experience with you on the go! The Porta Chef™ tool set is completely self contained, the marinade or tool storage container contains a turner, locking tong, grill brush, silicone basting brush, and 8-IN / 20 cm chef's knife. Top it all off with a reversible cutting board lid and silicone locking straps.

64011 | IMPERIAL™ GRILL TURNER

The Broil King® Imperial™ stainless steel turner is made with high grade stainless steel and features an integrated bottle opener, hanging hook and a high density resin handle inset with the stainless steel Broil King® logo.

64003 | BARON™ TOOL SET

The Baron™ series tool set contains a turner, locking tong, basting brush and grill brush. Hard plastic resin handles and stainless blades make up the core components. The grill brush features an integrated grime guard, while the remainder of the tools have a box design to improve rigidity.

64312 | GRILL TONGS - 3 PACK

Color coded to avoid issues with allergies, dislikes or cross contamination, these three color tongs are a grilling essential. Green for vegetables, red for meats and blue for fish.

64012 | GRILL TONG

The Broil King® Imperial™ stainless steel locking tong is designed to combine the lifting function of a grill turner with the gripping power of grilling tongs. The locking mechanism also doubles as the hanging hook. The grill tong features high density resin handles inset with the stainless steel Broil King® logo.

64031 | BARON™ TURNER

The flexible blade of this grill turner allows it to scoop up items easily. Fortunately the hard resin handle and box design shaft give it strength and rigidity.

64013 | BASTING BRUSH

The Broil King® Imperial™ stainless steel basting brush is made with high grade stainless steel and features a silicone basting head that is heat resistant to 500°F. The “U” shaped bristles are designed to scoop sauce and generously baste. Features an integrated hanging hook and a high density resin handle inset with the stainless steel Broil King® logo.

65225 | GRILL BRUSH

Designed with a contour grip, hardwood handle and durable stainless steel bristles. The patented “grime guard” keeps grime from spraying back while cleaning the grids. The integrated wood scraper will not damage porcelain coated grids or warming racks. 25mm stainless steel bristles

64032 | BARON™ TONG

Soft grip locking tongs with one scalloped side for grip and one flat side to easily scoop up foods.

69805 | MEZZALUNA PIZZA CUTTER

Mezzaluna, meaning half moon, describes the shape of this professional pizza 15-IN cutter. Rocking the blade of the mezzaluna through a pizza keeps the toppings from getting pushed around.

65643 | EXTRA WIDE NYLON GRILL BRUSH

18-IN long, designed for use on a cool grill, these stiff nylon bristles break up grime and make cleaning a breeze.

64034 | BARON™ GRILL BRUSH

This grill brush features a hard ergonomic resin handle, and rigid stainless shaft and head. Integrated grime guard, stainless bristles.

64014 | IMPERIAL™ GRILL BRUSH

The Broil King® Imperial™ stainless steel grill brush features a brush head that is curved to follow a natural brush stroke. The patented “grime guard” keeps grime from spraying back while cleaning the grids. Also features an integrated hanging hook and a high density resin handle inset with the stainless steel Broil King® logo.

65641 | EXTRA WIDE STEEL GRILL BRUSH

18-IN long with soft comfort rubber handle. 6.5-IN large stainless steel twisted bristle head cleans deep into the corners of the barbecue.

61495 | MARINADE INJECTOR

A great accessory for injecting flavor into meat. Includes both a large and small needle tip and has a window with graduated markings to monitor exactly how much marinade is injected. Disassembles for easy cleaning.

60975 | GRILLING APRON

Crafted of the same water resistant material as Broil King® professional grill covers this apron offers protection from grease and sauces and is easy to wipe clean. Integrated bottle opener, pockets for a thermometer, drink, and multiple utensils. Adjustable neck / waist strap with buckle mechanism. Accessories not included.

60528 | LEATHER GRILL MITTS

Heavy duty leather grilling gloves with extra soft linings. Black gloves and blue accents with a silk screened Broil King® logo. These deluxe grilling gloves become more comfortable the more that they're worn.

61135 | DELUXE FOLDING THERMOMETER

A folding digital thermometer with micro probe tip. Quick accurate readings. Soft silicone outer shell and back-lit screen. On / Off Hold features, temperatures can be displayed in both degrees F or C.

61138 | MINI THERMOMETERS

A 4-pack of mini meat thermometers with silicone bezels for easy removal from cooked foods and individual cuts of meat. 2 pieces calibrated for poultry in red, and 2 calibrated for steak in black. Comes with a convenient Broil King® branded stand to keep the thermometers organized.

60973 | OVEN MITT AND TRIVET

Silicone grill mitt, heat resistant to 500°F. Three finger design for maximum dexterity. Includes a silicone trivet. Dishwasher safe. *One Size Fits All.

61490 | STAINLESS BASTING SET

A modern redesign of a grilling classic. The silicone basting brush and stainless basting bowl can be used on the grill surface or side burner to apply warm sauce to anything cooking on the grill. Silicone is heat resistant to 500°F.

60940 | OIL MISTER

The Broil King® oil sprayer is a multi-functional, non-aerosol mist sprayer. Use to baste food or to coat cooking grids. Use with olive or cooking oil.

60974 | INSULATED MITT

Five independent digits offer great dexterity especially when they have a grippy pattern. This flexible and high heat resistant glove is a must for any griller. Easy to clean.

60190 | PREMIUM SMOKER BOX

The all stainless steel Broil King® Imperial™ smoker box is designed to sit on top of the Flav-R-Wave™ or directly on the grill. With two chambers for twice the smoking power and an integrated air damper hinged lid, this professional smoker box isn't just blowing smoke. Also holds liquids for added moisture and flavor; combine chips and liquids for endless flavor combinations.

NATURAL WOOD CHIPS

Add natural wood smoke flavor to your grilled foods. Try with beef, pork, poultry and fish. These aromatic wood chips come in a variety of different species and flavors. Use with a smoker box or add directly to charcoal.

63200	MESQUITE WOOD CHIPS
63215	WHISKEY WOOD CHIPS
63220	HICKORY WOOD CHIPS
63230	APPLE WOOD CHIPS

OAK BARREL CHUNKS

Oak barrel smoking chunks are cut from retired rum barrels used to slowly age some of the best Canadian / USA or Caribbean rum. The years of aging allow for a flavor infusing smoke that's as adventurous as smoking can get.

63255 RUM BARREL CHUNKS

60185 | SMOKER BOX

Stainless steel smoker box with handles and a hinged lid. Simple, easy, smoke flavor.

63270 | WINE BARREL PLANK

Oak wine barrel planks are cut from retired wine barrels used to slowly age some of the best Canadian and US red wines. These include Cabernet Sauvignon, Merlot, Pinot Noir and Gamay wines. The years of aging allow for a flavor infusing smoke that's as adventurous as planking can get. Approximately 8-IN x 3-IN

63280 | CEDAR GRILLING PLANKS

Add smoky flavor and aroma to your food. 7.5-IN x 15-IN x .375-IN - 2 planks per pack. 100% natural Canadian Cedar.

64935 | STEAK KNIVES

Set of 4 stainless steel steak knives with heavy resin handles.

68425 | CEDAR CUTTING BOARD

The Broil King® Imperial™ cedar cutting board is made from Canadian cedar. It features an extra large cutting surface with a high volume moat, making it perfect for large cuts of meat. Best of all, the cutting board is dishwasher safe, guaranteed. 19.5-IN x 11.25-IN x 1.5-IN

63290 | MAPLE GRILLING PLANKS

Add smoky flavor and aroma to your food. 7.5-IN x 15-IN x .375-IN - 2 planks per pack. 100% natural Canadian Maple.

60745 | GRID LIFTER

Broil King's new simplified grid lifter removes both cast and stainless cooking grids in Broil King® grills. One set of tines to remove cast and another to remove stainless cooking grids. Also a handy tool for cleaning debris from the Fav-R-Wave™. Stainless steel construction with resin handle.

64009 | BOTTLE OPENER

Styled after our incredibly popular Imperial™ grill turner, the Broil King® bottle opener looks and feels like a spatula. Compact, durable bottle opening tool.

KA5532 | HITCH ADAPTER KIT

You won't find this type of accessory with any other kamado-style grill. The best way to take your Keg with you when you travel; simply insert the 1.25-IN or 2-IN hitch adapter into your vehicle's trailer hitch receiver; remove the cart from your Keg, slide it onto the adaptor mounted on your vehicle and you're ready to travel!

50936 | Q-LITE™

The Broil King® LED Q-Lite™ has a 360° rotating head and pivoting lens to illuminate the entire grill. The body is durable and weather resistant and comes with 4 different OEM and universal handle attachments. 5 ultra-bright LEDs, batteries included.

60009 | SIDE SHELF MAT

Grilling can get pretty greasy and saucy but that doesn't mean your grill has to. The Broil King® silicone side shelf mat protects your grill from the grease or sauce that may drip or run off of your tools or grill toppers. Its easy to clean, dishwasher safe and can also be used as a pot rest. A great way to also prevent scratches on stainless shelves.

KA5555 | QUIK-GRIP™ ACCESSORY HANDLE

Easily remove Keg® accessories from the grill with the Quik-Grip™ accessory handle. Designed for use with Keg® accessories; KA5533, KA5541, KA5542, KA5565.

66009 | PREMIUM UNIVERSAL ROTISSERIE KIT

39.5-IN universal rotisserie kit includes a motor with on / off switch, heavy duty spit forks, counter balancing kit, spit rod, and universal / OEM brackets for Broil King®, Broil Mate™, Sterling® and GrillPro® grills. 33.5-IN spit rod with additional 6-IN extension if necessary.

60508 | UNIVERSAL BATTERY MOTOR ROTISSERIE KIT

39.5-IN universal rotisserie kit includes a battery operated motor (two "D" cell batteries not included), heavy duty spit forks, counter balancing kit, spit rod, and universal / OEM brackets for Broil King®, Broil Mate™, Sterling® and GrillPro® grills. 33.5-IN spit rod with additional 6-IN extension if necessary.

KA5545 | PREMIUM COOKING GRATE SET

This replacement set includes a cast iron primary cooking grate and chrome wire secondary cooking surface for added cooking capacity.

TCF5505 | PREMIUM HARDWOOD LUMP CHARCOAL

A custom blend of hardwoods manufactured entirely from whole wood pieces rather than slab wood like most lump charcoal. Broil King Keg® charcoal is an optimal mix of 1-IN to 3-IN size lumps which burn long and produce very little ash.

KA5565 | CHARCOAL CADDIE BASKET

A charcoal management system that concentrates the charcoal without covering the vent holes in the fire-bowl. The cast charcoal caddie is easier to light and move if necessary, compatible with the Quik-Grip™ Keg handle.

63980 | CHARCOAL CHIMNEY STARTER

Heavy duty all stainless steel design with high density resin handle. Lights up to two pounds of charcoal without starter fluid. Simply place a sheet of lightly crumpled newspaper in the base of the starter, add the charcoal and light the paper. The venturi effect will light the charcoal within five to ten minutes.

64070 | PREMIUM MEAT CLAWS

Built to last and perform, these meat shredding claws are designed to hold and pull pork roasts, pot roasts and poultry. They also include a silicone holder / hanging coupler to keep them together for convenient storage. The silicone holder / hanging coupler is heat resistant to 500°F and dishwasher safe!

KA5542 | CAST GRIDDLE

Made of heavy duty cast iron in an oval shape with matte porcelain finish, the cast iron griddle is an essential Keg® accessory. It's also double sided with a flat side griddle for sizzling fajitas and a ribbed side for searing panini or grilled portobellos! The griddle allows you to maximize the rounded grilling space on your Keg®.

KA3367 | ELECTRIC CHARCOAL STARTER

Designed specifically for lighting charcoal directly on the fire grate of your Broil King Keg®. The extra long stainless element delivers high heat to the core of the grill for rapid charcoal ignition.

KA5533 | DIFFUSER KIT

The diffuser kit enhances indirect cooking performance by keeping the inside of the Keg® moist. Use the diffuser kit cradle alone to elevate the main cooking grid to the rim of the Keg®. Made from durable porcelain coated steel.

KA5541 | PIZZA STONE KIT

The 13-IN high quality pizza and baking stone keeps baked items out of the direct heat of the fire below and gives pizzas a crisp golden crust. The kit includes a 13-IN stone and a wire support that is compatible with the Quik-Grip™ Keg® handle. Bake anything from quesadillas to pastries, even cookies.

KA5527 | MULTI-PURPOSE TOOL

Lift and adjust the Keg cooking grids, clean ash from fire bowl, and adjust dampers. The must have Keg tool!

KA5400 | MEAT HOOK

Large cuts of smoked meat can sometimes be too heavy to pick up with tongs. The heavy duty stainless steel Keg® meat hook is designed for lifting and flipping any cut of meat on your grill.

PREMIUM | EXACT FIT COVERS

Crafted from water resistant PVC with a heavy woven 900D polyester backing. Premium covers feature mesh venting for enhanced air flow and moisture resistance as well as hook and loop closures for a superior fit. Blue accent stitching adds style to the extra reinforced seams. Molded rubber handles make the cover easy to remove. Well-crafted covers to protect well-built grills!

PROTECT YOUR INVESTMENT

EXACT FIT COVERS

Rain, snow or windy conditions, Broil King® exact fit covers are available in two premium quality materials to ensure the best protection from all the elements.

SELECT | EXACT FIT COVERS

Broil King® Select Series covers are crafted from durable and weather resistant PVC outer shell with a 500 x 300D polyester lining. These deluxe covers feature hook and loop closures, polyester handles, and the Broil King® logo screened onto the front.
