24 | DISPLAYS

Cat Gloves and Safety ("Cat Gloves") warns its customers that some products in this catalog contain chemicals known to the State of California to cause cancer, and birth defects or other reproductive harm. Cat provides a Proposition 65 warning to California residents for such products at the time of order.

LEATHER LEATHER

Leather offers exceptional comfort, long-lasting durability, and excellent abrasion resistance, making it a cost-effective choice. Additionally, it has natural heat-resistant properties. Available in various types and grades, these characteristics influence the durability, breathability, abrasion resistance, moisture resistance, and softness of your gloves.

Durable, Flexible, Comfortable

These gloves have a gel-padded palm for moderate impact protection, a breathable polyester/spandex back, and premium leather, making them suitable for various tasks. They provide durability, flexibility, and comfort, cushioning hands against shock while keeping them cool and dry. Designed for both functionality and style, they help users perform tasks confidently.

Premium Deerskin

CAT012205

SIZES: M, L, XL

- › Gel padded palm
- › Breathable polyester/spandex back
- › Moderate impact and vibration protection
- › Premium leather quality

Reversed Pigskin Palm

CAT012201

SIZES: M, L, XL

- › Double-stitched in high-wear areas for added durability
- › Breathable polyester/spandex back
- › Flexible even after repeated washings

Half-Finger Reversed Pig Grain Palm

CAT012202

SIZES: M, L, XL

- › Double stitching on high-wear areas
- › Flexible even after repeated washings
- › Breathable polyester/spandex back

Durable, Thermal, Protective

The Cat® Grain Cowhide Driver gloves offer exceptional durability for industrial tasks. Made from premium cowhide leather, they resist abrasions and provide long-lasting performance. Features include a split leather palm patch for added protection, double-stitched construction for strength, and an adjustable closure for a secure fit. Additionally, they provide thermal protection to keep hands warm in cold environments.

Leather Driver

CAT012110

SIZES: M, L, XL, 2XL, 3XL

- › Grain leather driver with split leather palm patch
- › Double stitching on high-wear areas
- › Adjustable ball and tape closure
- › Premium leather quality

Water Resistant Grain Cowhide

CAT012225

SIZES: M, L, XL

- › Oil and water resistant
- › Shirred elastic wrist
- › Gunn cut design with keystone thumb
- › Premium leather quality

High Visibility Leather Palm

CAT013103

SIZES: L

- › Pigskin leather index finger, fingertips and knuckle strap
- › Rubberized safety cuff
- › Gunn cut design with wing thumb
- › Premium leather quality

Impact Protection Water Resistant

CAT012226

SIZES: M, L, XL

- › TPR impact protection
- › Shirred elastic wrist
- › Gunn cut design with keystone thumb
- › Premium leather quality

Cowhide Split Leather Palm

CAT013102

SIZES: L

- › Extra protection in high-risk areas
- › Rubberized safety cuff
- › Split leather palm
- › Jersey lining for cold conditions

Premium Deerskin Half-Finger

CAT012206

SIZES: M, L, XL

- › Padded palm for moderate impact and vibration protection
- › Breathable polyester/spandex back
- › Premium leather quality

MECHANICS

MECHANICS

Our collection of mechanic gloves are expertly crafted for all-day wear, incorporating flexible and breathable materials to ensure exceptional dexterity and comfort. We use only the finest synthetics and leathers to create a variety of high-performance gloves suitable for every application, keeping your hands safe and secure while delivering excellent grip. Packed with advanced technologies and additional features, these gloves guarantee the comfort and protection you require on the job site.

Padded Palm Utility With Adjustable Wrist

High Dexterity 3 Pack

CAT012279

SIZES: M, L, XL

- › Padded in high-wear areas
- › Breathable spandex back
- › Synthetic Leather
- › Open cuff with shirred elastic wrist

Impact Utility

CAT012240

SIZES: M, L, XL, 2XL

- › Padded in high-wear areas
- › Touchscreen fingertips
- › Synthetic Leather
- › Impact knuckle & hand protection

Functional, Secure, Comfortable

These gloves are designed with padded high-wear areas, synthetic leather, touchscreen fingertips, molded knuckle and fingertip protection, and a shirred elastic wrist, blending durability with functionality. Crafted for comfort, they are perfect for demanding tasks, ensuring both safety and ease of movement.

High Visibility Impact Utility

CAT012250
SIZES: M, L, XL, 2XL

- › Padded in high-wear areas
- › Touchscreen fingertips
- › Synthetic Leather
- › Molded knuckle & fingertips

Utility Extreme Grip

CAT012276
SIZES: 2XL

- › Unique silicone grip pattern from palm to fingertips
- › Breathable spandex back
- › Synthetic Leather
- › Hook & loop closure

Heavy Duty Impact

CAT012278
SIZES: M, L, XL

- › TPR impact protection
- › Reinforced thumb saddle
- › Synthetic Leather
- › Touchscreen finger tips

KNIT COATED PALM

Coated gloves are favored for their tactile sensitivity and snug fit. The coating enhances grip and offers abrasion resistance. These gloves serve multiple purposes, shielding your hands from dirt and various workplace hazards. With their ergonomic design, the seamless string knit shells adapt to the natural shape of your hands, providing improved flexibility and comfort. Additionally, these shells are dipped in coatings that optimize your grip in dry, wet, or oily conditions.

Black Latex Palm

CAT017403

SIZES: M, L, XL

- › Latex coating for a tough & flexible fit
- › Breathable polyester shell
- › Elastic knit wrist to keep out dirt and debris

Tactile, Slip-resistant, Secure

Exceptional gloves feature a foam cell nitrile-coated palm for excellent grip and tactility in wet conditions. They offer protection and comfort for precision tasks, ensuring a secure hold onto slippery objects. The snug fit and breathable fabric keep hands comfortable for prolonged use, allowing users to focus on their work.

Yellow Nylon Nitrile Coated Palm

CAT017416

SIZES: M, L, XL

- › Foam cell nitrile palm and fingers
- › Exceptional grip in wet conditions
- › Helps reduce possible injury from minor abrasions

High Visibility Latex Coated Palm

CAT017418
SIZES: M, L, XL, 2XL

- › Premium high-visibility polyester shell
- › Textured latex coated palm and fingers
- › Extended knit wrist

Insulated Water Resistant Grip

CAT017431
SIZES: M, L, XL

- › 3/4 dipped nitrile coating
- › Acrylic brushed for warmth
- › Helps reduce possible injury from minor abrasions
- › Water-resistant

**Breathable,
Slip-resistant,
Long-lasting**

These gloves feature a breathable nylon shell and nitrile-dipped palm for excellent grip and comfort. The extended knit wrist provides support and keeps debris out, making them suitable for various tasks. They are durable and maintain their shape and functionality even after heavy use, making them a vital part of your work gear.

Dipped and Dotted Nitrile Coated Palm

CAT017419
SIZES: M, L, XL, 2XL

- › Breathable nylon shell
- › Dipped and dotted nitrile palm for excellent grip
- › Extended knit wrist

Cut Resistant A3 Grip

CAT018002
SIZES: M, L, XL

- › Cut resistant
- › Polyurethane coated palm for enhanced grip
- › Elastic knit wrist to keep out dirt and debris

Multi Purpose Grip 5 Pack

CAT018003-L5P
SIZES: L

- › Enhanced grip
- › 5-pack
- › Elastic knit wrist to keep out dirt and debris
- › Touchscreen finger tips

GENERAL PURPOSE

Jersey, String Knit, and Cotton gloves are commonly classified as General Purpose because of their versatility for everyday tasks. These gloves are crafted to provide lasting comfort, durability, and reliability, while also offering protection against dirt and grime.

Jersey with Gripping Dots

CAT015404
SIZES: L

- › PVC micro-dotted palm for an excellent grip
- › Gunn cut pattern with straight thumb
- › Elastic knit wrist to keep out dirt and debris

Slip-resistant, Thermal, Comfortable

These fleece-lined jersey gloves feature an open cuff design for quick and effortless wear. Providing both comfort and warmth, they also boast a PVC-dotted palm and fingers for enhanced grip. The Cat® logo is elegantly woven on the back of each hand, adding a stylish touch.

Open Cuff Fleece Lined Jersey

CAT015300
SIZES: L

- › Fleece-lined for comfort and warmth
- › PVC dotted palm fingers for extra grip
- › Open cuff for quick removal

SAFETY

SAFETY

Our safety equipment is designed for all-day use, combining flexibility, breathability, and comfort while ensuring protection. We offer essential gear like hard hats, safety vests, and gloves, all rigorously tested to meet industry standards. Hard hats provide impact resistance and comfort with adjustable straps, while safety vests feature high-visibility colors and reflective strips for visibility. Our gloves balance grip and flexibility for various tasks. Trust our products to keep you safe and comfortable, allowing you to work efficiently.

High Visibility Safety Vest ANSI Approved

CAT019501
SIZES: L, XL, 2XL

- › Fluorescent for high visibility
- › Reflective tape wraps front and back
- › Hook and loop closure
- › Lightweight & breathable

Vented Hard Hat ANSI Approved

CAT019665 White
CAT019666 Yellow
SIZES: OS

- › Impact absorbent polypropylene shell with transparent brim
- › Slotted sides to accommodate accessories
