

Outlet Boxes T&B Catalog Number:

BH122A-UPC

UPC Number:

03448121142

Status:

Active

Description:

1-gang 22 cu.in. SuperBlue hard shell non-metallic outlet box with nails.

Features

SuperBlue boxes combine the features of the hard shell thermoset box and the thermoplastic PVC style box to create a 'new' rigid non-metallic wiring box.

Molded out of specially formulated thermoplastic material

SuperBlue boxes will not crack or break in extreme environments.

Resist flexing and hold their shape even in the worst applications.

Designed to nest inside each other to take up less space on the shelf or in the truck, while still providing the largest wirefill capacity in their class.

Application

Listed for masonry walls

All PVC boxes are permissible for use with 90 degree C connectors.
