Developing the  
Solutions For You

## Developing the Solutions For You

Spanning many industries, Certol's Industrial line of products are designed with our customers in mind. Our products undergo rigorous testing and scrutiny before being made available, and the Certol philosophy of providing excellent customer service and the highest quality cleaning and disinfection products shines through in the solutions we make.

Regulated and monitored by the EPA and FDA, the Good Manufacturing Practices implemented from our plant in Denver, Colorado ensure quality and consistency in everything produced. Certol works diligently to create new and innovative products that enable you to do your job better and more safely because we know you, the customer, are the most important component of our formula to success.

At Certol International we truly are ***developing the solutions for you.***

Certol industrial products are used in the following industries:

- Drinking Water Treatment
- Food and Beverage
- Government
- Hardware
- Janitorial
- Manufacturing
- Marine
- Masonry/Concrete
- Mining
- Pool and Spa
- Portable Restroom
- Power Plants
- Waste Water Treatment

ACID Magic Description	Qty.	Order#
1 Quart Case	15	USA/32-1
1 Gallon Case	4	USA/128-1
5 Gallon Drum	1	USA/5G-1
15 Gallon Drum	1	USA/15G-1
30 Gallon Drum	1	USA/30G-1
55 Gallon Drum	1	USA/55G-1
275 Gallon Tote	1	USA/275G-1

*Truckloads and totes by special order only. Gallon and quart cases ship via UPS and FedEx, and are classified Limited Quantity. ACID Magic will not burn intact skin, but proper eye and hand protection is required. Do not allow contact with mucous membranes (eye, nose and mouth).*

**\*ACID Magic should not be used to aid or effect any pool disinfectant product or other water modifier.**

## ACID Magic Uses

**Pools and Spas\*:** ACID Magic is certified by NSF to NSF/ANSI Standard 50: Equipment for pools, spas, hot tubs and other recreational water facilities. Excellent for pool and spa water chemistry adjustment\*, alkalinity reducer and filter cleaner. Apply ACID Magic as an acid wash to remove rust, scale, mineral deposits and stains from glass, tile and porcelain surfaces in showers, locker rooms and restrooms.

**Masonry:** Etches concrete. Cleans exterior brick and concrete surfaces. Removes excess mortar from brick. Cleans stone and grout. Brightens walkways, patios and driveways. Removes efflorescence.

**Food/Beverage:** Certified NSF Category A3 and Certified Kosher for cleaning food processing equipment.

**Drinking Water Treatment:** ACID Magic is certified by NSF to NSF/ANSI Standard 60 for use as a drinking water treatment chemical. Use for pH adjustment, corrosion and scale control and as a cleaning agent for water treatment lines.

**General Maintenance:** Removes calcium and other mineral stains from water heaters, cooling towers, tubs, toilets and showers. Removes rust, mildew stains, scale and mineral build-up. Excellent as an acid wash and effective filter cleaner. Use to etch metal surfaces in preparation for painting. Removes mineral build-up from water fountains.

**ACID Magic has many other uses, too!**

# BOAT Magic®

The **User Friendly** Hull & Outdrive Cleaner™

Works Instantly on **Fiberglass and Steel Hulls**

Up to 2x  
Faster than  
the Leading  
Competitor

## The Safer Way to Clean Tough Waterlines, Scale and Marine Stains

A technological breakthrough in marine cleaning, BOAT Magic Hull and Outdrive Cleaner provides superior cleaning and stain removal abilities while mitigating the dangers of harsh chemicals.

BOAT Magic is the best choice for boats and people, too!

- Safe for use on fiberglass, rubber and steel hulls.
- Great for use in raw water coolant systems and toilets.
- Cleans outdrives and propellers, when used as directed.
- 90% less fumes when compared to other acid based cleaners.
- Won't burn intact skin.

55 Gallon Drum	1	BHA/55G-1
275 Gallon Tote	1	BHA/275G-1

*Gallon and quart cases ship via UPS and FedEx, and are classified Limited Quantity. BOAT Magic will not burn intact skin, but proper eye and hand protection is required. Do not allow contact with mucous membranes (eye, nose and mouth).*

**BOAT Magic is not an algacide or molluscide and is not intended to repel or control the growth of algae or marine life.**

## BOAT Magic Uses

### Cleaning Fiberglass, Painted Steel and Rubber Hulled Boats:

Unsurpassed cleaning of stains caused by prolonged exposure to brackish water. Quickly removes waterlines and marine stains. Safe for fiberglass, rubber and painted steel. Not recommended for lightweight aluminum hulled boats.

### Cleaning Seawater (Raw Water) Coolant Systems:

Great for removing build up and marine debris collected in raw water cooling systems.

### Cleaning Marine Toilets:

BOAT Magic is a safe way to remove tough hard water stains and mineral build up from both plastic and porcelain toilets.

### Cleaning Outdrive Units:

BOAT Magic is a safe and effective cleaner for marine outdrives, when used as directed. Great for cleaning steel and aluminum outdrives and propellers to remove build up and stains caused by prolonged submersion. BOAT Magic is great for removing rust, calcium build up and hard water stains, too!

**NEW  
KILL TIMES**

# Fast n' safe disinfection.

### Three Packaging Options

- Original low-profile soft pack with large 9" x 10" wipe size; stores easily inside drawers.
- Economy canister offers 33 - 50% more wipes than major competitive brands.
- Tall high-capacity canister holds 135 extra-large 8-1/2" x 12" wipes. More than DOUBLE the competition.

## ProSpray™ wipes

### Surface Disinfectant/ Cleaner Towelettes

#### Fast Disinfecting Power: THREE Minutes to Kill MRSA-HA and Other Organisms.

- Wipes stay moist longer. Solution does not "wick out" like alcohols.
- Ideal for disinfection around electronics, keyboards and switches.
- Protect people AND equipment: Reduce aerosols with ProSpray wipes.
- Perfect for "high touch" surfaces in public areas implicated in transmission of the flu: locker rooms, exercise equipment, TV controls, door knobs, counters, faucets and phones.

ProSpray wipes Description	Case Qty	Order#
Soft Pack - 9" x 10" - 72/soft pack	12	PSW-1
Canister - 6" x 6-3/4" - 240/canister	12	PSWC-1
Tall Canister - 8-1/2" x 12" - 135/canister	12	PSWCT-1
Canister Bracket (fits both standard and tall canister sizes)	1	PSWCR-1EA

## ProSpray™

### Ready-to-Use Surface Disinfectant/Cleaner

- Effective against MRSA-HA.
- Ready to use format is safe and convenient. No dilution issues!
- Empty 16 ounce bottle is labeled for OSHA compliance. Refill from gallon or 5 gallon drum.

ProSpray Description	Case Qty	Order#
24 oz. Spray Bottle	15	PSC240-1
1 Gallon Refill	4	PSC128-1
5 Gallon Refill with Spigot	1	PSC050-1
Intro Kit - (2) 1 gallon refills, (4) 16 oz. empty spray bottles, (1) funnel, (4) squirt caps	1	PSCSYS-1
16 oz. Empty Spray Bottle	6	PSCPS-1

## ProSpray C-60™

### Concentrated Surface Disinfectant/Cleaner

Concentrated disinfectant/cleaner with broad spectrum activity against a wide variety of organisms.

- Effective against MRSA-HA.
- Concentrated format saves money and storage space.
- Approved for 60 day use after dilution.
- Unit dose tubes offer consistent accuracy and convenience. Each tube makes 16 ounces diluted solution.
- Empty 16 oz. spray bottle is labeled for OSHA compliance.

ProSpray C-60 Description	Case Qty	Order#
32 oz. Tip & Pour Measuring Bottle	12	PSC60/32-1
Operatory Pack - (48) 1/2 oz. unit dose tubes	3	PSC60/48-1
Intro Kit - (24) 1/2 oz. unit dose tubes, (2) 16 oz. empty spray bottles, (2) squirt caps	1	PSC60/INT-1
16 oz. Empty Spray Bottle	6	PSC60SB-1
Optional Squirt Cap	6	CAPSQUIRT-1

## ProSpray liquid disinfectant products feature:

- Efficient five minute contact time for broad spectrum antimicrobial activity against HIV, MRSA-HA, TB, Staphylococcus aureus and other significant pathogens.
- Cleaning and disinfection with one product. Meet CDC requirements for safe cleaning of blood and other human soils.<sup>[1]</sup>
- Water based non-alcohol actives that will not haze or crack plastics or vinyl.
- Safe for use on metals and painted surfaces.

# Suspension Fluid

## Universal Suspension Fluid

*Unique silicon suspension fluid designed for use in Accu-Trac® suspension systems. Safe and economical replacement for OEM Neocon-E™ silicon suspension fluid.*

Neocon-E and Accu-Trac are trademarks of Hitachi.

## Universal™ Suspension Fluid

A unique neutral formulation of blended silicon.

- Designed for mining and heavy-duty earth moving equipment applications.
- For use in inert gas charged suspension systems.
- Silicon based, non-petroleum lubricants provide the necessary viscosity and stability over a wide range of temperatures.
- Provides more energy absorption than regular suspension/hydraulic oils.

***Non-corrosive properties protect equipment.***
