THE MAN BEHIND THE BRAND

Nature's imagery is infinite and has always motivated me to design functional products for the kitchen and home that are inspired by its beauty. As I continue to search for new inspirations, I looked to nature's hardier and stronger offerings to create a new range for 2018.

Kiwi™, Citrus™ and Watermelon™ add a new dimension to the Charles Viancin® assortment, offering more contemporary designs and funny colors that will work in modern kitchens to outdoor BBQs.

It is with great joy and happiness that after 10 years I can continue to create and offer new and dynamic inspirations to you and your customers.

I now invite you to discover and enjoy our 2018 assortment.
