

Vinyl Bullnose Archway (VBAB)

Vinyl Corner Bead

Vinyl bullnose archway corner bead is used to provide a rounded, contemporary look to archways, curves or just about any radius. Notched flanges enable this bead to be arched to an inside or outside radius.

Each tab on the archway bead should be secured with adhesive or staples before application of joint compound. Multiple perforations along the flanges enhance joint compound bond. Available in 3/4" and 1-1/2" radius.

Product Data & Ordering Information:

Material: 0.028" PVC (Polyvinyl Chloride)
Dimensions: 3/4" & 1-1/2" Radius

Size (Radius)	Length	Wt./Ctn.	Pcs./Ctn.
3/4"	8'	16 lbs	35
3/4"	10'	20 lbs	35
1-1/2"	8'	17 lbs	30
1-1/2"	10'	21 lbs	30
