THE M-D STORY

M-D Building Products is a diverse manufacturing company that has been part of the Oklahoma City landscape since 1920. Founded as the Macklanburg-Duncan Company, M-D has a rich history of product innovation, development and quality manufacturing expertise. This legacy of products used by contractors, professionals and home-owners alike continue to protect, enhance and beautify homes across North America and around the world.

Today, M-D Building Products is a leading domestic manufacturer of a wide variety of home energy related and remodeling products including Weatherstrip, Thresholds, Floor Trims and Tools. Our products are available at local home improvement retailers across the United States, Canada and Mexico.

At M-D Building Products, we have a knack for success. We take pride in our ability to draw strength from your inspiration, to provide a healthy dose of innovation with 90 years of ingenuity, and to ultimately generate creative solutions for your product needs.

M-D Building Products... since 1920.
