PGRDGG

ConairPRO Dog® Grooming Glove

Keep your dog's coat shiny and healthy looking with frequent grooming. Use the ConairPRO Dog® Grooming Glove to brush and massage your pet while bathing or on dry fur. The textured side is designed to massage your pet and to remove loose hair and undercoat.

Always brush your pet's hair in the same direction as the fur's grain. It's best to start at the head of your pet and work down its coat all the way to the tail. Use smooth, even strokes with light pressure for best results.

UPC: 0 74108 33610 1
Case Quantity: 12

Rounded-Tip Shears

These shears feature unique, soft-grip finger holes and built-in finger rests to make grooming more comfortable. Designed for fine finishing work and perfecting the correct coat length. Always make sure hair is completely dry and free of mats and tangles before cutting.

PGRDSH5 5" Shears

Small dogs and cats. Used for small area cutting such as ears, paws, nose and claw areas.

Too much loose and accumulated fur is not good for pets. Their skin needs to breathe to keep them comfortable in all climates and to maintain a healthy-looking coat.

The Shed-It™ deshedder reaches deep to remove excess undercoat quickly and easily.

With a touch of the release button, fur slides off the blade, so you're instantly ready for the next pass.

The blade assembly snaps off easily, so you can use a variety of interchangeable blades and attachments for any of your dog's grooming needs.
