INTRODUCTION TO CONNTEK

Established in 2005, Conntek Integrated Solutions has been a leading manufacturer of power connection products for businesses around the world. Since then, we have continued to grow from a single location to over six worldwide. Competitive pricing, quality products, and outstanding customer service are the core values that have been the key to our success.

Our wide selection of exceptional products at a competitive price allows us to provide you with multiple options. Our customer service is highly responsive with skilled professionals eager to assist you through the purchase and answer any questions that may arise. We look forward to finding the correct solutions for your electrical needs.

50,000sq ft. warehouse w/ in-stock inventory

We pride ourselves in quick order fulfillment

- **Friendly customer service**
- **Professional technical support**
- **Same day shipments on items in stock**

Straight Blade Adapter Cables

Easy Lock
Creates a secure lock in any IEC C14 socket

Secure Connection
Once locked into place, the connection will not accidentally become unplugged

Easy Release
Slide the tabs to release the secure connection
