FULLY UNDERCUTS INSIDE CORNER AREAS

HEIGHT ADJUSTMENT

UNDERCUTS DOORS AS THICK AS 1 1/4" WITHOUT REMOVAL

U.S. PATENT NO. 7,739,802 B2

**Slip-Proof Height Adjustment**

TOP KNOB - SET HEIGHT  
SIDE KNOB - LOCK HEIGHT

## No. 835 Heavy-Duty Undercut Saw

This saw comes with a larger 6 1/2" diameter blade that undercuts doors in place, and a masonry blade to undercut hearths. A diamond blade (No. 822) is available for undercutting tile and stone. Also features a more powerful 13 AMP motor, dust control port, threaded rod height adjustment that will not slip, and rugged aluminum ratchet handle. Undercuts most everywhere including inside corners. Includes case, blade wrench, and instructions. Volts: 120 - AMPS.: 13.

Order No.	Description	Weight
835	Heavy-Duty Undercut Saw	21 lbs.
836	Carbide-Tipped Blade	11 oz.
837	Dust Cover	7 oz.

INCLUDES CASE, CARBIDE AND MASONRY BLADES

Toe-Spaces

## No. 575 Multi-Undercut Saw

This versatile saw undercuts along walls, door jambs, under toe spaces, and will also undercut inside corners.

The height of cut is easily adjustable from flush to one inch above the floor. The large, flat base prevents tipping and assures accurate, level cutting. The dual-angle depth gauge allows undercutting at a "straight-on" or a 45° angle. The visual scale provides precision depth control at 1/8" increments.

Each saw comes with a 36-tooth No. 556 Carbide Blade. The blade is bell-shaped for added rigidity and should not be used on any other saw. Also comes with custom molded carrying case, a hex key for blade removal, and detailed instructions.

Order No.	Description	Volts	Amps.	Weight
575	Multi-Undercut Saw	120	6.2	11 lbs.
556	Carbide Blade (36 tooth)	---	---	6 oz.

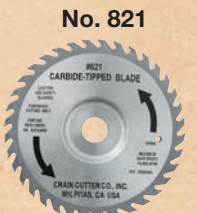

No. 812

U.S. PATENT NOS.: 7,739,801 B1 & 7,739,802 B2

## No. 812 Super Saw

The Super Saw provides the most powerful motor of any undercut saw available. The 13 AMP motor and 6 1/2" diameter flush-cutting blade can fully undercut the inside corner even in extremely tight areas. Doors as thick as 1 3/4" can be undercut without removal. Blade height is adjustable from a flush cut to a maximum of 1 1/4" off the floor. The vacuum fitting for dust control can save a lot of clean up (vacuum not included). The retractable stabilizer provides a smooth, solid feel under load. Comes with carrying case, carbide blade, masonry blade, and instructions.

Order No.	Description	Amps	Weight
812	120V Super Saw	13	14 lbs.
805	Masonry Blade	---	6 oz.

## No. 775 Toe-Kick Saw

This saw cuts flush to the inner wall of a toe space in a cabinet or counter to remove old underlayment. Model No. 775 comes with the No. 787 3 3/8" Carbide-Tipped Blade ONLY for cutting wood to a fixed depth of 3/4". Do not use the small diameter No. 788 2 3/4" blade on this saw. The No. 789 Toe-kick Saw Diamond Blade is sold separately for cutting tile or grout to a fixed depth of 3/8". Model No. 775 includes a clutch mechanism that may disengage to reduce kickback forces if the saw is abused by cutting curves or cutting backwards with the saw.

Order No.	Description	Volts	Amps.	Weight
775	Toe-Kick Saw	120	11	13.3 lbs.
787	Carbide-Tipped Blade	--	--	2 oz.

No. 789 Diamond Blade for tile repair

### No. 520 Swivel-Lock Stretcher 60° of swivel with 5 lock points!

The Swivel-Lock Stretcher gives you the benefits of both straight and swivel heads. The head has 60° of free swivel for patterned carpet. Depress the built-in lock pin, and you can lock the swivel in 5 convenient positions. Lock in the straight position for square stretching, or at 15° for most angle stretching. There's even a 30° setting for extreme angles found in "L" shaped living/dining rooms. Also features a stretch lock button for partial stretches. Pin depth adjustment bar allows variable pin depth penetration for different carpet thicknesses. Adjusts with two screws in the pin plate. Comes with Lever Extension Tube and Folding Tail Block. Sold in double case model only.

Order No.	Description	Weight
520	Swivel-Lock Stretcher	59 lbs.
1520-Z	Swivel-Lock Head ONLY	12 lbs.

### Swivel-Lock Head

Swivels parallel to wall on angle stretches.

### Nos. 499 and 500 Power Stretchers

Our fixed head stretcher has the features that you would expect in a more expensive power stretcher. Comes complete with push-button stretch lock, Auto-Lok tube, 3 extension tube sections, 1 transfer tube section, folding tail block, and your choice of cases (see next page). Adjusts from 37" to 23 ft. and can be lengthened by adding additional extension tubes (No. 502). The No. 500 has an adjusting knob on the top of the driving head with a visual pin depth setting gauge. Just set the dial to the desired pin depth and you're ready to stretch. No screws or screwdrivers required.

Order No.	Description	Cases	Weight
499	Double Case Stretcher	2	59 lbs.
500	Single Case Stretcher	1	53 lbs.

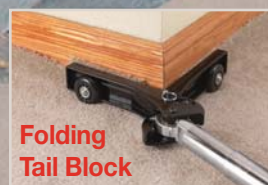

Auto-Lok Tube Button Adjustment

Visual Pin Depth Knob (Nos. 499 & 500 ONLY!)

### No. 520 Swivel-Lock Stretcher includes:

Folding Tail Block

- Folds for corners
- Locks for posts
- Spans 20" flat

NEW

Lever Extension Tube

- Hand lever adjustment
- Unlocks when lifted off floor for fast adjustment

ROLL

No. 497

SPLIT

No. 498

- ### Double Case Stretcher
- Head case has wheels
  - Tube case can hook on or be carried separately

CARRY

NEW

### No. 499 Double Case Stretcher

Our double case design includes a head case with wheels and a tube case that hooks onto the head case for easy transport. The cases are easily split apart for carrying. Both cases are durably constructed and feature recessed latches and handles. The double case set holds all the stretcher components for the No. 499 or 520 shown on the previous page.

Cases and components also sold separately. No. 498E Empty Tube Case holds an Auto-Lok Tube and 3 Extension Tubes. No. 499E Empty Combo Cases hold a Crain Power Stretcher, Auto-Lok Tube, transfer tube, and up to 5 Extension Tubes. Also hold Roberts #10-239.

Order No.	Description	Weight
499	Double Case Stretcher	59 lbs.
497	Case w/Driving Head, Transfer Tube, & Folding Tail Block	32 lbs.
498	Tube Case w/3 Extension Tubes & Auto-Lok	27 lbs.
498E	Empty Tube Case	7 lbs.
499E	Empty Combo Cases (Head & Tube)	18 lbs.

### No. 500 Single Case Stretcher

Our single case design comes with wheels for easy transport. The No. 500 case holds a Driving Head, Folding Tail Block, Transfer Tube, 3 Extension Tubes, and one Auto-Lok Tube. The single case design saves money.

No. 503 Empty Single Case holds the Stretcher components listed above for the No. 500, or up to 6 Extension Tubes. (Note: you must have new style narrow lifting handle to hold all of these stretcher components.)

Order No.	Description	Weight
500	Single Case Stretcher	53 lbs.
503	Stretcher Carrying Case	11 lbs.
1500-U	Driving Head ONLY	12 lbs.

### Stretcher Accessories

#### No. 501 Auto-Lok Tube

Adjust the length of stretcher tubes fast with the Auto-Lok Tube. Just push back on your tubes to extend, push buttons and pull back to shorten. Works with other Junior Power Stretchers with standard size poles.

Order No.	Description	Weight
501	Auto-Lok Tube	7 lbs.

#### No. 510 Lever Extension Tube

The top hand lever permits fast extension or retraction of the tail. The bottom floor lever unlocks when the stretcher head is lifted off the floor, allowing the head to be extended or retracted. Reduces back twisting necessary to activate the buttons of an Auto-Lok tube.

Order No.	Description	Weight
510	Lever Extension Tube	7.82 lbs.

#### Extension Tube Sections

Extra extension tubes give you extra length for big jobs. Available in steel and aluminum models.

Order No.	Description	Weight
502	3' Extension Tube	6.00 lbs.
516	3' Aluminum Stretcher Tube	3.26 lbs.
517	5' Aluminum Stretcher Tube	6.00 lbs.

#### No. 500Z and 520Z Cotton Grip Heads

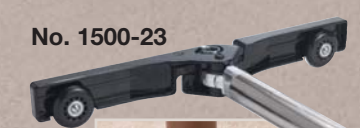

Helps protect Berber and low level commercial carpets. Helps protect Berber and low level commercial carpets.

Order No.	Description	For Stretcher	Weight
500Z	Cotton Head	499-500	4 lbs.
520Z	Cotton Head	520	4 lbs.

#### No. 1500-23 Folding Tail Block

This tail block folds for stretching off outside corners in "L"-shaped rooms, and posts. The tube locks for stretching off posts. Spans 20" flat. Also has wheels to move it down the wall fast. Works with all Crain Stretchers, and other junior stretchers with standard poles.

Order No.	Description	Weight
1500-23	Folding Tail Block	4.5 lbs.

No. 1500-23

Stretches off posts & corners!

U.S. PAT. NO. 7,451,961 B2 & 7,722,012 B2

## Stretching Tools

## Carpet Kickers

### No. 514 Mini-Stretcher w/Seam Att.

Used for stretching in close quarters, restretching, or in rooms where the tail block can't be braced against an opposite wall. It pulls with the tail blade off the tack strip. Now comes with seam repair attachment and stretch lock which is also helpful for pattern matching. Comes with plastic carrying case.

Order No.	Description	Weight
514	Mini-Stretcher w/ Seam Att.	22 lbs.

### No. 513 Seam Repair Attachment

When attached to a Mini Stretcher, it becomes a versatile seam repair stretcher for quick carpet repairs. Features adjustable pin depth and durable construction. Also may be used in pattern matching.

Order No.	Description	Weight
513	Seam Repair Attachment	4 lbs.

### No. 161 Notched Carpet Spreader

Our notched carpet spreader is made from flexible brushed stainless steel. The blade is flexible enough to be used in tight spaces as a glue spreading trowel tool. The blue plastic handle is ergonomically contoured. Blade width: 12 inches.

Order No.	Description	Weight
161	Notched Carpet Spreader	8 oz.

### No. 162 Plain Carpet Spreader

Our plain spreader is made with thicker 16 gauge plated steel without notches. This creates a better tucking tool that won't bend under load and easily slides at the gully, because it won't catch yarns. The black plastic handle is ergonomically contoured. Blade width: 10 inches.

Order No.	Description	Weight
162	Plain Carpet Spreader	8 oz.

### No. 507 Stairway Stretcher

Working from the top of the stairway down, it stretches the carpet fully - with gravity working with you, it's easier! Gives a tighter uniform stretch, without the usual sore knees.

Order No.	Description	Weight
507	Stairway Stretcher	14 1/2 lbs.

### No. 605 Deluxe Knee Kicker

Our deluxe kicker features a high profile body that more easily spans stretcher tubes, a soft synthetic rubber grip, a recessed trigger for length adjustment, a thicker seamless bumper pad, and internal power rods to support the pin plate.

Length is adjustable with 5 settings from 18 1/2" to 22 1/2". Head includes 3 nap grips and pin plate with 16 hardened steel pins. Pin dial provides 9 pin depths for various carpets. Comes with cap cover. Bumper, nap grips and pin plate are replaceable.

Order No.	Description	Parts per	Wt. Ea.
605	Knee Kicker	1	5.89 lbs.
1505-K	Gripper Inserts	3	2 oz.
1601-B	Pin Plate	1	3 oz.

### Comfort Knees™ Knee Pads

Protection and comfort for kneeling and knee kicking in one great pad. More information on page 30.

### No. 445 Knee Kicker

This classic kicker has a recessed trigger for length adjustment in five settings from 17 3/4" to 21 3/4". Griping head includes 3 nap grips, and pin plate with 16 hardened steel pins. Pin dial provides 9 pin depth adjustments for various carpets. Seamless bumper cushion, nap grips and pin plate are replaceable. Comes with cap cover.

Order No.	Description	Parts per	Wt. Ea.
445	Knee Kicker	1	3 lbs.
1505-K	Gripper Inserts	3	2 oz.
1601-B	Pin Plate	1	3 oz.

### No. 505 Knee Kicker

### No. 525 Wide Knee Kicker

This family of kickers with telescoping tube construction are some of the most durable available. The No. 505 and No. 525 have four length adjustments (approx. 21" min. to 25" max.)

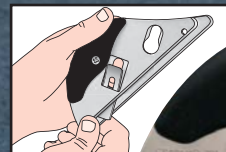

The popular No. 505 has 3 nap grips, and 4 rows of 16 total hardened steel pins. Pins are adjustable to 9 different depth settings for various carpets. Internal power rods support the pin plate.

The No. 525 is a wider kicker with a fifth row of pins (19 total pins) and a fourth nap grip that moves a wider section of carpet on every kick. Also features the thick bumper found on our deluxe kicker (No. 1600-C), and internal power rods supporting the pin plate.

Order No.	Description	Parts per	Wt. Ea.
505	Knee Kicker	1	5.88 lbs.
525	Wide Knee Kicker	1	7 lbs.
1601-B*	Pin Plate	1	3 oz.
1505-K*	Gripper Inserts	3	2 oz.
1525-12**	Pin Plate	1	0.39 lbs.
1525-14**	Gripper Inserts	4	0.33 lbs.

SEAM  
CUTTER

## No. 301 Cushion Back Cutter

Designed especially for trimming and cutting superdense  $\frac{5}{64}$ " gauge foam or sponge-backed carpets. Double 30° angle blades cut either side of the row close and clean to help produce better seams. The long, slender front guide is beveled at the bottom, making it easy to stay in a row. Made from nickel-plated steel.

Trims close to the carpet pile on the right (Figure 1). On the left side, use the opposite blade (Figure 2). Close cuts on both seam edges produce better seams.

Order No.	Description	Weight	Blades
301	Cushion Back Cutter	8 oz.	306, 308, 309

## No. 302 Cushion Lock Cutter

This cutter has a notched row guide that follows rows better, particularly on hydrashift and Berber carpets. The off-set blade clamp allows fast blade changes without removal of the fastener. The 30° blade angle cuts cleanly.

Trims close to the carpet pile on the right (Figure 1). On the left side, use the opposite blade (Figure 2). Close cuts on both seam edges produce better seams.

Order No.	Description	Weight	Blades
302	Cushion Lock Cutter	8 oz.	306, 308, 309

## No. 303 Loop Pile Cutter

This cutter has a base for cutting over pad or other carpet, and an adjustable throat that locks down on the row. Its 30° blade angle exposes more blade surface for smoother cutting. Now features three thumb screws that hold rigidly, and self-cleaning blade holders.

Order No.	Description	Weight	Blades
303	Loop Pile Cutter	8 oz.	306, 308, 309

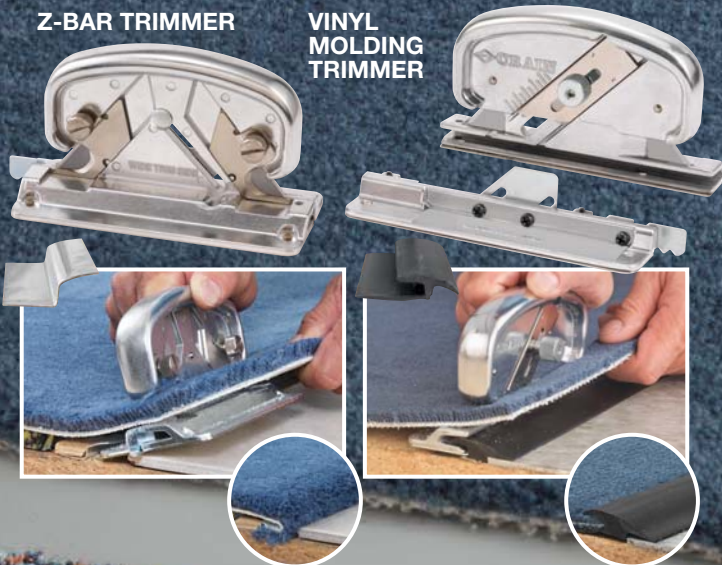

## No. 290 Seam Cutter Plus

This cutter excels on zigzag ("hydra-shift") carpets including commercial loop pile and Berbers! The blade runs directly behind the center row guide. This keeps the blade away from the offset yarns, preventing yarns from being sheared, which causes unsightly seams. The wide base keeps the blade perpendicular to the yarns, further reducing nap shear. The row guide can be retracted fully into the base for top cutting. The tool can also be used as a trimmer to precisely trim carpet up to Z-bar or vinyl molding.

Order No.	Description	Weight	Blades
290	Seam Cutter Plus	1.2 lbs.	295, 308, 309

629	1/8" Nozzle	---	1 oz.

## No. 180 Seam Squeezers

These powerful squeezing springs force cushion-back carpets together, producing an improved seam. The gripper pins hold in the nap and maintain an inward squeezing force. The inward pressure can be perfectly regulated as desired. Sold in pairs.

Order No.	Description	Weight
180	Seam Squeezers	1 lb./set

## No. 365 Row Separator

This double-ended tool has a pointed end for cut pile with a wider conical surface behind the point. On tall cut pile, the narrow point penetrates deep within the row, while the wider conical surface spreads the tufts. The opposite end is beveled and rounded for spreading loops on loop pile and Berber carpets without snagging. This tool will effectively open and spread rows for reduced shearing of carpet nap. Machined from solid steel, and nickel plated.

Order No.	Description	Weight
365	Row Separator	2 1/2 oz.

## No. 366 Commercial Row Finder No. 367 Residential Row Finder

The smooth, rounded notches of these ultra-straight spring steel row finders open rows in difficult carpets. The No. 366 has rounded ends that can easily enter the rows of Berber and loop pile commercial carpets without catching loops. The No. 367 has pointed ends that can more easily enter the rows of dense cut pile or plush carpets. Once these tools find a row, they can be moved back and forth in a sawing action to open the row. After use, a seam cutter is able to follow the row with reduced shearing of yarns.

Order No.	Description	Weight
366	Commercial Row Finder	1 1/4 oz.
367	Residential Row Finder	1 1/2 oz.

## Carpet Shears

### No. 187 Big Loop Nap Shears No. 190 Duckbill Napping Shears No. 496 8" Carpet Shears

**No. 187** - These nap shears feature offset handles for level cutting, with big, vinyl-coated loops for ease of grip. The flat duckbill blade won't gouge in use. Made of forged and plated steel with coated handles.

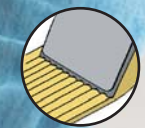

**No. 190** - Lightweight with smaller loops and duckbill for precise napping. Offset handles for level cutting. Flat duckbill won't gouge in use. Plated steel with vinyl coated handles.

**No. 496** - An 8" long nap shear with longer blades. Nickel-plated with black offset handles for easy napping.

## No. 905 Heat Bond Iron

The super low profile and ultra-narrow handle of this iron make it easier to get the seam together near the back of the iron. Dual indicator lights show both power-on and heating status. Self-cleaning base and 12' long HSJO cord are standard. The heavy-duty handle and riveted tray are highly durable. Available in grooved models only. Approximate heat range is 220° - 425°F. Runs at 800 watts. The No. 906 Kits comes with a steel case that can also hold a roll of tape, and a 25' 3-prong extension cord.

Order No.	Description	Weight Each
905	110 volt Iron	3 1/3 lbs.
905V	220 volt Iron	3 1/3 lbs.
906	110 volt Kit	15.3 lbs.

Precision Electronic Thermostat

Maintains temperatures +/- 15°F

## No. 435 Flex Axle Roller No. 436 Straight Axle Roller No. 437 Bigfoot Roller No. 438 Pro Roller

The pivoting axle of the Flex Roller pulls seams together, while mixing the fibers for less visible seams. Nos. 435, 436, and 438 have spiked wheels that press through the pile to seal the carpet's back into the hot melt adhesives.

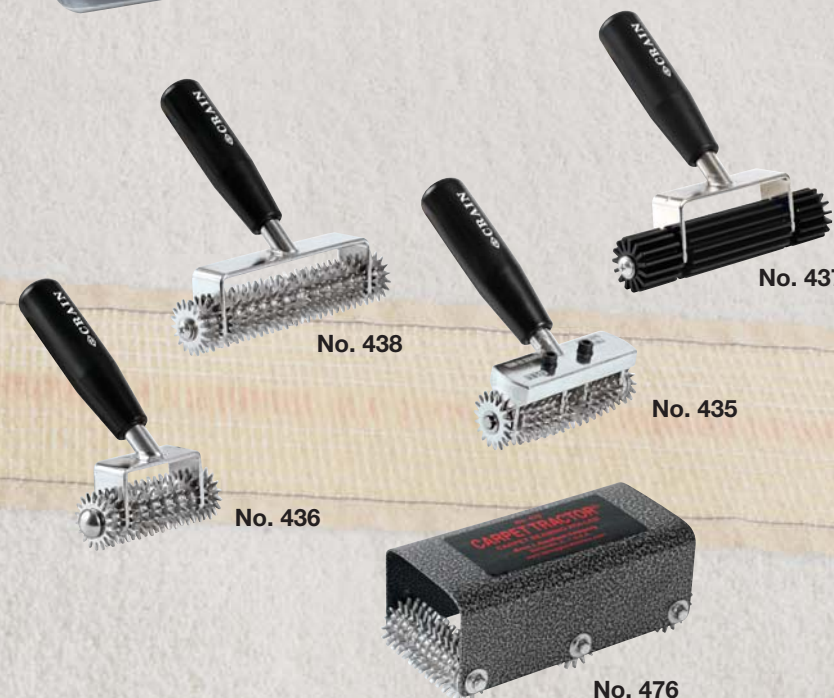

The No. 437 Bigfoot Roller is made with ribbed rollers, making it especially good for fine-denier saxony, plush, and velvet carpets, as it will not snag or untwist yarns.

Order No.	Description	Width	Weight
435	Flex Axle Roller	4"	10 oz.
436	Straight Axle Roller	4"	14 oz.
437	Bigfoot Roller	5 5/8"	15 oz.
438	Pro Roller	6"	14 oz.

## No. 476 Carpet Tractor

Made with 3 rows of spaced 1 1/4" dia. spike wheels which flatten seams, reduce seam-peaking, and mix fibers for less visible seams. Durable construction and made in the U.S.A.

Order No.	Description	Size	Weight
476	Carpet Tractor	6" x 3" x 2"	2 lbs.

**No. 187**

**No. 496

### No. 245 Crain Deluxe Carpet Trimmer

Features top-loading blade carriers, so blade changes are faster and easier. Wide open throat area provides smooth cutting action. Comes with six shims for height adjustment, and visual throat adjustment from the base for all kinds of carpet. Wall runner is treated with a non-skid material, and is angled outward for minimum wall contact.

Order No.	Description	Weight	Blades
245	Deluxe Carpet Trimmer	1 1/2 lbs.	184
1245-U	New Runner Pad, 245, 246	1/10 oz.	-

### No. 246 Carpet Trimmer

This new trimmer is similar to other popular models but with faster blade change and throat adjustment. When the wall runner is removed, the blades are easily accessible. The wall runner is easily reinserted by inserting a pointed edge into a relief in the shim and lifting. Throat adjustment sockets are stamped in every shim, eliminating the need for a separate part.

Order No.	Description	Weight	Blades
246	Carpet Trimmer	2 lbs.	184

### No. 247 Multi-Purpose Wall Trimmer

A real time-saver when used to trim vinyl or carpet to fit walls! Slotted blades are used for carpet or vinyl trimming, while hook blades work best for carpet tiles. Comes with an anti-friction boot for use on vinyl.

Order No.	Description	Weight	Blades
247	Wall Trimmer	2 lbs.	306, 308, 996

### No. 145 Seam Adhesive Bottle

Used to seal the edges of carpets before seaming for stretched or glued-down jobs. Supplied with an applicator nozzle and snap-on cap for storage. Sealer not included.

Order No.	Description	Capacity	Weight
145	Seam Adhesive Bottle	8 oz.	1 1/4 oz.

### Jiffytex Pints and Quarts

Jiffytex is pure, natural rubber which dries in a hurry, but will never change properties. It won't crystallize or crack with age, friction or vibration. Less work for the carpet installer; less waiting time on any job. Jiffytex seamed carpets can be power-stretched within 15 to 30 minutes. Jiffytex is quality-controlled for even, liquid consistency throughout.

Order No.	Description	Weight
163	Jiffytex Quart	2 lbs.
164	Jiffytex Pint	1 lb.

ONE SNAP FOR ARCHITECTURAL

TOP BLADE STABILIZER MINIMIZES DEFLECTION

## No. 450 Deluxe Strip Cutter

The new blade stabilizers on the No. 450 minimize deflection and provide increased cutting force. The extra long blades will cut a diagonal in regular strip or a straight cut in architectural. The handle features a blade storage area and comes complete with extra blades. Constructed of steel and nickel-plated to last a lifetime. Guaranteed 12 months.

Order No.	Description	Weight	Blades
450	Deluxe Strip Cutter	1 1/4 lbs.	451

## Hammers & Hatchets

Order No.	Description	Weight
332	ECONOMY HAMMER - Forged steel head is securely fastened to a fiberglass handle. Weight 20 oz.	
296	VAUGHAN HALF-HATCHET - A multipurpose tool for cutting and hammering down tack strip. Features hardwood handle and sharpenable alloy steel blade. Weight 22 oz.	

## No. 172 Magnetic Tack Holder

This tool has a magnetic tip that holds the nail when it is difficult for fingers to do the job, particularly when nailing tackstrip with stubby nails. Made 5 1/2" long.

Order No.	Description	Weight
172	Magnetic Tack Holder	8 oz.

## Nos. 362 & 363 Door Pin Tools

Both tools have a solid steel push pin on one end for pushing up the head of the door pin. The opposite forked end then fits under the head to lift it out. Forked end is tapered for insertion. The No. 363 also has a capture spring to keep the greasy pin from falling on the carpet.

Order No.	Description	Weight
362	Door Pin Tool	8 oz.
363	Deluxe Door Pin Tool	9 oz.

## No. 166 Crain Magnetic Driving Bar

Features a forged alloy steel body with tapered nose and magnetic tip for nailing under toe-kicks and heaters. The vulcanized rubber handle absorbs vibration.

Order No.	Description	Weight
166	Magnetic Driving Bar	5 lbs.

## Crain Aluminum Drives

These fasteners are ideal for securing all types of tackless and metal mouldings to concrete, terrazzo, marble, slate, or ceramic floors. The semi-square body squeezes tight when hammered into a 1/8" drilled hole. The No. 078 oval head is for metal with counter-sunk screw holes.

Order No.	Description	Hole Size	Weight
078	1/8" x 7/8" Drives	1/8" x 7/8"	1 lb.
580	1/8" x 5/8" Drives	1/8" x 3/4"	1 lb.
780	1/8" x 7/8" Drives	1/8" x 1"	1 lb.
783	3/16" x 7/8" Drives	3/16" x 1"	1 lb.

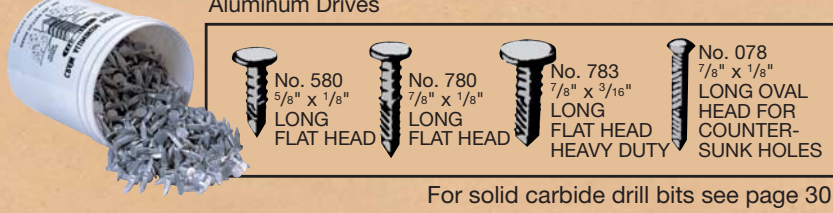

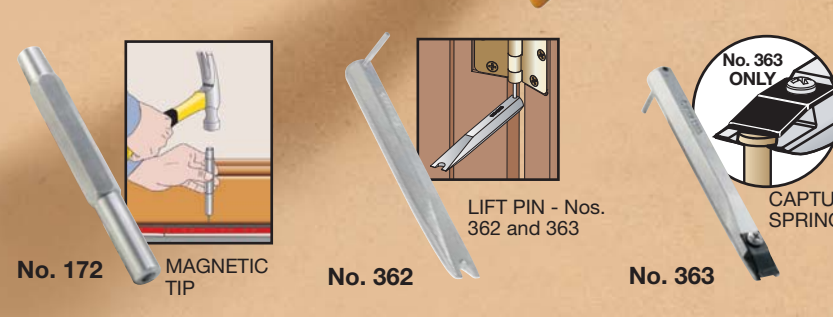

## No. 207 High Temp. Glue Gun 220W

## No. 208 Acrylic 10" Glue Sticks

## No. 209 Extra Open Time Glue Sticks

Acrylic glue sticks quickly bond tack strip, wood, metal trims and vinyl mouldings to concrete, tile, stone or wood floors. They are a fast alternative to aluminum drives or contact cement. Extra open time glue sticks provide more time to position materials (approx. 3 min.) for gluing starter boards or long trim pieces. Use a high temperature glue gun such as the 220W Crain No. 207. The No. 207 has variable temperature control and includes carrying case.

Order No.	Description	Weight
207	High Temp. Glue Gun 220W	4 lbs.
208	Acrylic 10" Glue Sticks (19 Pack)	1 lbs.
209	Extra Open Time Glue Sticks (20 Pack)	1 lbs.

## No. 625 Power Tacker

Many improvements make our Power Tacker more durable and easier to use. The slender nose more easily parts yarns. The short overall height, narrow profile, and rounded cap are helpful in tight spaces. Comes with a roomier case, and a free staple saver box (No. 617).

This tacker also features a powerful 11 AMP solenoid that drives into hardwoods, a jam-resistant magazine that holds 100 staples, and an easy access staple channel for quick removal of broken staples. Takes DuoFast® No. 5418 or No. 5415 staples, Shur-Fast (Crain No. 619), or generics.

Order No.	Description	Amps/Volts	Weight
625	Power Tacker	11/115	7 lbs.
619	3/16" Shur-Fast Staples	---	1 1/8 lbs.
486	Safety Glasses	---	2 oz.

## No. 518 Stair Claw

This tool provides a simple means of stretching stairs and forming carpet around the stair nosing. Hook the claw on the stair and pull the handle down. The pulling action of the gripper teeth stretches the carpet across the stair, while the bottom side tucks it up under the stair nose. Recesses in the bottom edge make for easy stapling. The stair claw makes a tough job easier!

Order No.	Description	Weight
518	Stair Claw	2 oz.

## No. 130 Staple Hammer and Staples

This proven tool is perfectly balanced for pad stapling. The rear-loading staple magazine holds 160 staples. Cleverly constructed, with only four moving parts. Built to take a beating.

Order No.	Description	Weight
130	Staple Hammer	2 lbs.
141C	3/8" Chisel Point (5000 pack)	1 lb.
142D	3/8" Divergent Point (5000 pack)	1 lb.

## No. 140 Heavy-Duty Hammer Tacker

Improved with a steel front cover that prevents striker jamming, this tacker has a heavy head and longer handle to drive staples in the pad. Takes DuoFast® 7512 3/8" and 7516 1/2" staples or generics. Driving mechanism is simple and durable. Jams are easily cleared without disassembly.

Order No.	Description	Weight
140	Heavy-Duty Hammer Tacker	3 lbs.

## No. 147 Edge Binding Stapler

Ideal for binding area rugs or carpet samples. The staple guide adjusts the throat opening or can be removed altogether. The rear-loading magazine holds 150 staples. A well-designed tool, made to last a lifetime.

Order No.	Description	Weight
147	Edge Binding Stapler	1 lb.
148	5/16" Staples (5000)	1 lb.

## No. 126 Staple Remover

The pinching action of this tool clamps the crown of the staple as the lever pulls it from the floor. Both staple legs are reliably removed, quickly and easily.

Order No.	Description	Weight
126	Staple Remover	8 oz.

## Staple Saver Boxes

These durable protective boxes for staple boxes are made from telescoping ratchet tubes. The No. 614 holds 7" row pad staples for the Crain No. 130 Staple Hammer and other similar brands. The No. 617 holds Duo-Fast® No. 5418 Electric Tacker Staples. The No. 618 holds Duo-Fast® No. 7512 Hammer Tacker Staples.

Order No.	Description	Weight
614	7" Pad Staple Saver Box	2 oz.
617	Staple Saver Box (5418)	2 oz.
618	Staple Saver Box (7512)	2 oz.

Duo-Fast® is a registered trademark of the Duo-Fast® corporation.

No. 725

### No. 725 Deluxe Carpet Knife

Features a rear-loading blade magazine for quick access to extra blades. Dull blades are easily removed without dismantling, and new blades slide into place and lock down tight. Cast of aluminum, with a bright polished surface.

Order No.	Description	Weight	Blades
725	Deluxe Carpet Knife	4 oz.	306, 308, 309

No. 726

### No. 726 Pivoting Carpet Knife

This new knife features a thumb knob for quick opening and closing without a screwdriver. Pivots open for easy access to blade storage or replacement. Die-cast in aluminum. No blades are included along with this knife.

Order No.	Description	Weight	Blades
726	Pivoting Carpet Knife	4 oz.	306, 308, 309

No. 733

### No. 733 Extra-Grip Razor Knife

This carpet knife has a slim profile and heavy knurling on the body and up front for better grip and precision cutting. With a turn of the folding thumbscrew, it pivots open for blade storage. Blades are easily removed with a teeter-totter action. Blade clamp is magnetized for easy blade changes. Takes standard slotted razor blades.

Order No.	Description	Weight	Blades
733	Extra-Grip Razor Knife	4 oz.	306, 308, 309

No. 217

### No. 217 Hook Handle Razor Knife

The wide-contoured body and hook at the back creates comfort and permits a stronger grip. Pivots open for blade storage. Takes standard slotted razor blades.

Order No.	Description	Weight	Blades
217	Razor Knife	6 oz.	306, 308, 309

No. 720

### No. 720 Hinged Knife

This knife uses standard slotted razor blades and features a slim profile, permitting closer cuts. The body is hinged for easy access to 5 extra blades stored in the handle.

Order No.	Description	Weight	Blades
720	Hinged Knife	6 oz.	306, 308, 309

No. 330

### No. 330 Push-Button Carpet Knife

The fast-opening design of this knife requires only the press of a button! Full-size handle is knurled for sure grip. Takes standard slotted razor blades, with blade storage in the handle. Attractive red enamel finish.

Order No.	Description	Weight	Blades
330	Push-Button Carpet Knife	7 oz.	306, 308, 309

No. 735

### No. 735 Carpet Pad Knife

The unique blade angle of this knife shear-cuts cleanly, without shredding pad. Features a quick-opening thumb-knob and extra blade storage in the handle. Sturdily constructed, with a bright aluminum finish and a knurled anti-slip handle.

Order No.	Description	Weight	Blades
735	Carpet Pad Knife	4 oz.	306, 308, 309

### No. 728 Pocket Utility Knife

Takes any utility blade and has a durable blade holder that snaps closed and holds tight. The handle is contoured for comfort and has a special compartment for blade storage. Opens easily and locks rigidly for fast, forceful, and precise cutting.

Order No.	Description	Weight	Blades
728	Pocket Utility Knife	8 oz.	292, 295

No. 728

FOLDING UTILITY KNIFE

### No. 175 Tuck Knife

This knife has a multi-purpose steel blade to tuck carpet near fragile tiles or toilets, hook edge for heavy cutting, front scraper edge with a notch to remove door pins, and a flat head screwdriver for Crain scraper screws. Other end has steel tapping insert. Blades are replaceable.

Order No.	Description	Weight	Blades
175	Tuck Knife	5 oz.	177

No. 175

### No. 103 Long Hook Knife

A better knife in every way! The 3" long blade is absolutely sharp and holds its edge after others would be dull. Also features a truly comfortable contoured handle.

Order No.	Description	Weight	Blades
103	Long Hook Knife	4 oz.	

No. 103

### Hyde Carpet Knives\*

No. 170 3" CARPET KNIFE - 3" carbon steel blade sharpens fast and holds an edge longer. The wooden handle is fastened to the blade. This is Hyde's most popular carpet knife!

\*Weight each 1 1/2 oz.

No. 170

### Sharpening Stones

#### No. 910 Sharpening Stone

#### No. 930 Laminated Sharpening Stone

These silicone carbide sharpening stones are especially designed for curved carpet and linoleum knives. The No. 930 Laminated Stone is two kinds in one - laminated 50/50 with fine on one side, medium on the other.

Order No.	Description	Weight
910	Sharpening Stone	8 oz.
930	Laminated Sharpening Stone	1 lb.

No. 930

### No. 174 Instant Repair Tool

An inexpensive tool for removing stains in carpeting. It has four blades and a pivot pin that cuts a 3" diameter hole. Made of durable aluminum.

Order No.	Description	Weight	Blades
174	Instant Repair Tool	2 oz.	1174-A

No. 174

### CIRCLE CUTTER

Great for making circular plugs for repairs!

### No. 300 Loop Pile Cutter

Now takes utility, slotted razor, or Crain No. 300Y blades. With utility or 300Y blades, it cuts from the backing and prevents shearing of yarns. Metal springs keep carpet from raising up.

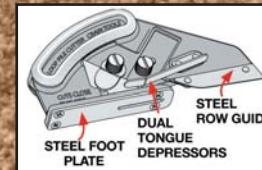

Order No.	Description	Weight	Blades
300	Loop Pile Cutter	8 oz.	292, 295, 300Y, 308

No. 300

### No. 304 Versa-Cutter

Our most durable and versatile cutter takes utility blades, slotted razor blades, or Crain 300Y Loop Pile Blades. When used with utility or Crain 300Y blades, this cutter cuts smoothly from the carpet's backing, and will not shear yarns. Also features a steel foot plate for use on concrete.

Order No.	Description	Weight	Blades
304	Versa-Cutter	8 oz.	292, 295, 300Y, 308

Strip VCT

Comes with 3 blades: Multi-Purpose

Vinyl

Collapse & carry!

Power Channel

## No. 710 Power Stripper

The Crain Power Stripper features new "Power Channel" construction designed to force the blade forward with more focused energy. The oscillating cam action of the one horsepower motor is channeled straight ahead using steel channels and ball bearings. The blade carrier forms an ultra-low blade angle allowing the blade to get beneath the material to be removed. Comes with a new heavy-duty 5 1/2" long x 3 1/8" wide x 1/4" thick "Spud-Blade" (No. 711) for light tile and wood removal. Also includes No. 701 4" x 6" Vinyl Blade, No. 705 3" x 10" Multi-Purpose Blade, and 35 lb. weight. A variety of blades are available for different jobsite conditions and taking up different types of flooring. See the table below of Stripper Machine Blades.

Order No.	Description	Weight
710	Power Stripper	145 lbs.

## Fast Blade Angle Adjustment:

## No. 718 Power Scraper

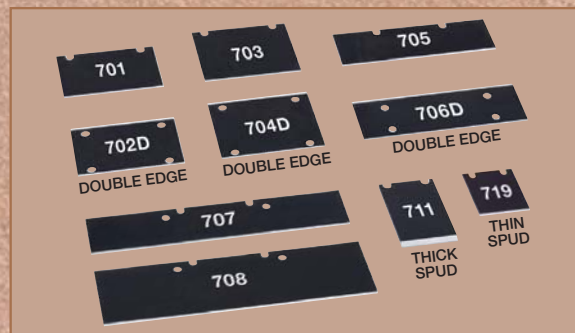

This lighter machine has a 1/2 horsepower motor and power channel construction enabling it to take up heavy adhesive residue, vinyl or VCT. Front-mounted 40° angled telescoping handle puts extra force behind, and extra pressure down on the stripper blade. The machine is highly maneuverable and collapses quickly for easy carrying. Comes with a No. 701 4" x 6" Vinyl Blade, No. 705 3" x 10" Multi-Purpose Blade and the narrow No. 719 3 1/2" x 3 3/4" Thin Spud Blade for tough take ups. Power channel construction forces the blade forward with more focused energy. The all-steel frame and handle provides rigidity and durability. A variety of blades are available for different jobsite conditions. See table below of Stripper Machine Blades.

Order No.	Description	Weight
718	Power Scraper	58 lbs.

## Stripper Machine Blades

These blades are for use with the discontinued Crain No. 700 Bearcat Stripper, No. 710 Power Stripper and No. 718 Power Scraper. "D" signifies double-edge.

Order No.	Description	Weight
701	4" x 6" Vinyl Blade	6 oz.
702D	4" x 6" D. E. Vinyl Blade	6 oz.
703	5" x 6" Carpet Blade	8 oz.
704D	5" x 6" D. E. Carpet Blade	8 oz.
705	3" x 10" Multi-Purpose Blade	8 oz.
706D	3" x 10" D. E. Multi-Purp. Blade	8 oz.
707	3" x 16" Wide Cleaner Blade	13 oz.
708	5" x 16" Wide Cleaner Blade	1 lb.
711	5 1/2" x 3 1/8" Thick Spud Blade	1.1 lbs.
719	3 1/2" x 3 3/4" Thin Spud Blade	5 oz.

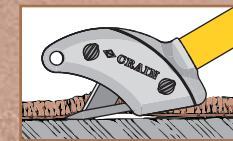

# Tear-out Tools

## No. 265 Stand-Up Cutter

Used to slice glue-down carpet into strips, or for rough cutting of carpet off the roll. Features a sharp, hardened point that lifts the carpet into the blade. The point rides on the subfloor, pre-cutting the carpet and extending blade life. The handle is adjustable in length and double-locks for safety. Uses hook or utility blades.

Order No.	Description	Weight	Blades
265	Stand-Up Cutter	3 lbs.	292, 295, 996
266	Replacement Point	2 oz.	-----

POINT LIFTS CARPET TO THE BLADE

No. 265

## Nos. 375 & 375S Big Scraper & Blades

These tools feature a wide, heavy-duty replaceable blade, and a twist-lock adjustable telescoping handle. Two models are available, for standing or kneeling. The stand-up model saves a lot of crawling. Great for stand-up floor scraping, but not for heavy-duty prying.

Order No.	Description	Handle Length		Blades
		Min.	Max. Wt.	
375	Big Scraper	39"	59"	4 lbs. 376, 377
375S	Short Big Scraper	19"	26"	2 lbs. 376, 377

## No. 350 & 360 Pro Strippers

These top quality hand strippers have heavy-duty 3 screw blade holders, hardened blade screws, and thick round-ended handle grips that fit the palm. The No. 350 has a 12" handle, and No. 360 has a 20" handle for more reach and room for gripping on the handle.

Order No.	Description	Length	Weight
350	Floor Stripper	12"	8 oz.
360	Pro Stripper	20"	12 oz.
351	Blades, vial of 10		1 oz.
351C	Blades, disp. box of 100		1 lb.

## No. 390 Inertial Scraper

This new scraper helps you plow through the toughest removal jobs with less effort. Its metal handle is weighted to produce inertia, and has rounded edges to prevent sore palms. Comes with one 5" blade.

Order No.	Description	Weight
390	Inertial Scraper	1 3/4 lbs.
391	Inertial Scraper Blades (10)	10 oz.

## No. 844 Pulling Claw

Grab an edge of some glued down carpet and pull away with this compound leverage tool! The spring-loaded jaw opens automatically for insertion of carpet. The harder you pull, the harder the roller-activated upper jaw clamps down on the lower jaw. The large contoured handle provides a good gripping surface.

Order No.	Description	Weight
844	Pulling Claw	2 lbs.

## No. 230 Deluxe Floor Scraper

Our best hand floor scraper, this tool features a 2" wide sharp tool steel blade that shaves-up all types of floor coverings on concrete or wood subfloors.

Order No.	Description	Weight
230	Deluxe Floor Scraper	13 lbs.
231	Replacement Blade	6 1/2 oz.
232	3" Replacement Blade	10 oz.

## No. 666 Dust Pan

Made from one piece of rugged 20 gauge steel with corrugated ribs for stiffness. Lip is 12" wide with a beveled edge.

Order No.	Description	Weight
666	Dust Pan	1 1/4 lbs.

## No. 337 Duster Brush

This quality wood-handle brush is made from long-lasting blended horsehair. Size 2 1/2" x 14" overall, 8" blade.

### No. 001 Model "A" Tile Cutter

The Crain 12" cutter provides the accuracy demanded by professionals. The straightness of cut is factory-calibrated to +/- .005" prior to shipment, which is essential for precisely matching edges in pattern work. The cutter also has a locating stop for repeat cuts at the wall. When the tile to be cut is placed in the cutter, dim. A equals dim. B. The built-in low-profile blade height adjustment knobs are fast-activating. Comes with compact carrying case and instructions.

Order No.	Description	Weight
001	Model "A" Tile Cutter	23 lbs.

### No. 008 18" Vinyl Special Tile Cutter

This cutter is built to cut up to 18" resilient tiles straight, or 12" tiles diagonally. Comes with both diagonal and straight tile guides. Features a locating stop for repeat cuts at the wall (see No. 001 above), and built-in low-profile blade height adjustment knobs. The steel reinforced blade holder and heavy-duty base ensure straight and accurate cutting.

Order No.	Description	Weight
008	18" Vinyl Special Cutter	31 lbs.

### No. 310 Dividers

This popular double-needle design features a rounded radius arm and oversized thumb knob for smooth and secure adjustment. Pins are replaceable (No. 311). This is a simple design that many vinyl installers prefer.

Order No.	Description	Rep. Needle	Weight
310	Dividers	No. 311	6½ oz.

### No. 382 Double-Needle Dividers

This tool features a smaller, 4" overall size that fits into the palm of the user's hand, and double needles for completely versatile scribing. It has a fixed bent leg and a dismountable straight leg for pencil scribing. The locking knob is easily tightened or loosened without a screwdriver. Spans 6".

Order No.	Description	Rep. Needle	Weight
382	Double-Needle Dividers	No. 129	2 oz.

### No. 380 Deluxe Dividers

Styled similar to the Wilkee, these dividers are the industry standard. Constructed of forged steel and plated. Features a bent leg and a removable pin with a knurled tightening cap. The 6" legs expand to scribe up to 14" circles.

Order No.	Description	Rep. Needle	Weight
380	Deluxe Dividers	No. 129	4 oz.

### No. 460 Vinyl Sealer Bottle

One multi-purpose nozzle for sealing all cushioned vinyls, with the manufacturer's specified adhesives. Directions on each bottle.

Order No.	Description	Weight
460	Vinyl Sealer Bottle	2 oz.

### Trim Line Vinyl Corners

Trim Line corners cover up problems at coved inside or outside corners. Great for repairs. Available in silver or gold. Sold by each corner. Standard pack 25 corners.

Order No.	Description	Weight
270	Outside Silver Corner, Each	0.14 oz.
271	Inside Silver Corner, Each	0.14 oz.
272	Outside Gold Corner, Each	0.14 oz.
273	Inside Gold Corner, Each	0.14 oz.

NEW!

BLADE HEIGHT ADJUSTMENT KNOBS

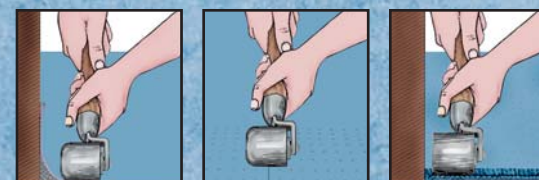

## Vinyl Rollers

### Crain Seam Rollers

These resilient seam rollers have a single-arm design that lets you work close to the wall. The 2" diameter polished steel roller rides on a ball bearing race. The heavy-duty ferrule and arm bracket are plated to prevent rust.

The rollers come in two different handle lengths to suit your preference. The No. 348 & No. 349 rollers feature 9" wood handles. The No. 348S & 349S rollers have 6" wood handles.

Order No.	Description	Wt.	Width	Dia.	Handle
348	Square Edge Roller	2 lbs.	2"	2"	9"
348S	Square Edge Roller	2 lbs.	2"	2"	6"
349	Round Edge Roller	2 lbs.	2"	2"	9"
349S	Round Edge Roller	2 lbs.	2"	2"	6"

### No. 333 Crain Extension Wall Roller

A newly redesigned roller, much improved to make the work easier. The raised handle allows firm control with less effort. The tri-sectional rollers total 7½" wide. The new twist-lock adjustable handle telescopes from 17" to 27". The bright nickel-plated parts won't rust.

Order No.	Description	Weight
333	Extension Wall Roller	3 lbs.

### No. 346 "J" Roller

This hand roller is designed especially for use by plastic laminate installers. The 14" aluminum handle is designed to place the necessary pressure over the roller, with minimum effort. The 3" wide, solid, non-marking roller is recessed on the end to permit rolling near walls or back splashes.

Order No.	Description	Weight
346	"J" Roller	8 oz.

### Nos. 075 & 076 Vinyl Rollers

Crain No. 075 (75 lb.) and No. 076 (100 lb.) rollers now have zinc plated roller sections to help prevent rust, and come with a protective wheelie case (No. 074 - sold separately). Constructed of solid steel to provide a lifetime of trouble-free service. All models have rollers with smooth surfaces and rounded corners to protect flooring materials from indentations. Each roller section "floats" independently on the axle to automatically compensate for subfloor irregularities. The end roller sections are recessed to inset the axle, preventing wall scuffing. The yoke has a detachable handle so that both may be carried separately.

Order No.	Desc.	Wt.	Dia.	Width	Height
075	Vinyl Roller	75 lbs.	4½"	16"	38"
076	Vinyl Roller	100 lbs.	5½"	16"	38"
074	Roller Case	8 lbs.	---	---	---

### No. 143 Disp. Adhesive Syringe

Solve air bubble problems fast with this disposable adhesive syringe and needle. The 2" hollow point tapered needle delivers adhesive right to the problem spot with an invisible puncture. State law prohibits sale in these states:

Connecticut, Maryland, New Jersey, Delaware, Massachusetts, New York, Maine, New Hampshire, Rhode Island.

Order No.	Description	Weight
143	Adhesive Syringe & Needle	4 oz.

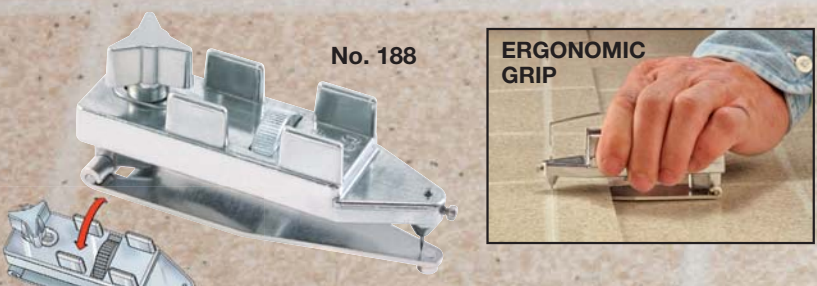

NEW!  
75 lb. & 100 lb. rollers now come in carrying case with wheels

SOLD SEPARATELY - HOLDS ROBERTS AND GUNDLACH U.S. PATENT #7,188,724 B1 #7,571,806

No. 075 - 075 lb.

**No. 370**  
**No. 372**

## No. 188 Crain Hinge Scriber

At last – an improved seam scriber for linoleum, sheet vinyl, and cushion flooring materials. The tool features a heavy-duty hinged-guide, with a threaded adjustment relative to the needle. The 3-arm knob clamps tightly after the adjustment. The tool is comfortable to the grip, giving the user good control. Uses No. 129 Scriber Needles.

Order No.	Description	Weight
188	Hinge Scriber	4 oz.

## No. 111 & 112 Scribers

These versatile tools feature the original famous Airway quality design and construction – a heavy die-cast housing, with a sturdy precision-fitting plated steel bar. No. 111 features a 6" bar. No. 112 features an 8" bar with an extra needle hole in the housing for circle scribing. Both come with one needle, and use No. 129 Scriber Needles.

Order No.	Description	Length	Weight
111	Scriber	6"	4 oz.
112	Scriber	8"	8 oz.

## No. 370 Recess Scriber

This scriber has a two part brass thumb knob. The top portion adjusts pin height for material thickness, while the bottom sets the scribing depth in the slot. No screwdrivers needed! Pins are replaceable (No. 371).

Order No.	Description	Weight
370	Recess Scriber	3 oz.

## No. 372 18" Scribing Tool

This tool accurately scribes widths from 2" to 16". The round tip on the nose guides against the edge of the vinyl or along walls when needed. Replacement pin: No. 371

Order No.	Description	Weight
372	18" Scribing Tool	4 oz.

## No. 340 Selvage Trimmer

Trims the factory selvage, so the sheet can be accurately scribed and seamed. Insert the selvage in the slot and pull. The replaceable "V-shaped" blades ensure accuracy. (For blades, order No. 341 - 1 pack or No. 342 - 3 pack.)

Order No.	Description	Weight
340	Selvage Trimmer	10½ oz.

## No. 320 Vinyl Wall Trimmer

This tool accurately trims sheetgoods net to the wall. Adjustable front and rear guides provide precise control. The front bar holds that material in position against the wall. The rear guide keeps the trimmer running parallel with the wall for smooth trimming action. Comes with one hook blade. Blades: No. 321 Vinyl Wall Trimmer Blades (3).

Order No.	Description	Weight
320	Vinyl Wall Trimmer	8 oz.

## No. 194 Crain Outside Corner Scriber

Designed for easy and accurate scribing of outside cove corners. Polished metal construction. Comes with one needle. Uses No. 128 Needles.

Order No.	Description	Weight
194	Outside Corner Scriber	3 oz.

## No. 110 Inside Cove Corner Kit

This 3-piece tool kit really simplifies inside cove corner installations. The kit consists of a cove template, a pin vise, a special cove scriber, and detailed instructions. The system is foolproof, once mastered.

Order No.	Description	Weight
110	Inside Cove Corner Kit	8 oz.

## No. 102 Crain Combination Knife

This fine knife combines both pointed and hook blades, making it two tools in one. The handy hook cuts both carpet and sheet goods, and is easily sharpened. The contoured handle fits perfectly in your hand.

Order No.	Description	Weight
102	Crain Combination Knife	4 oz.

## No. 732 Extra-Grip Utility Knife

Added knurling and contours up front provide better grip for precise cutting. With a turn of a thumbscrew, it pivots open for blade storage. Blades are easily removed with teeter-totter action. Blade clamp is magnetized for easy changes.

Order No.	Description	Weight	Blades
732	Utility Knife	3 oz.	292, 295, 996

## No. 189 Hook Handle Utility Knife

Wider contoured body and hook at the back allows your fingers to pull with increased power. Great on vinyl when used with hook blades, and takes all utility blades as well.

Order No.	Description	Weight	Blades
189	Hook Handle Utility Knife	4 oz.	292, 295, 996

## No. 727 Delphin Knife

Features a unique hinged body joint and a large tightening thumb knob for easy opening and blade changing of both hook and utility-type blades. The contoured body shape enhances gripping. Extra blades are stored in the handle.

Order No.	Description	Weight	Blades
727	Delphin Knife	4 oz.	292, 295, 996

## Dexter Knives and Rep. Blades

The Dexter linoleum knives are the industry standard for quality. Blades are especially ground for vinyl and linoleum cutting. No. 060 Linoleum Knife and No. 063 Vinyl Knife are permanent riveted blade and handle combinations. The No. 066 10-D Handle holds the No. 064 high-carbon steel tang threaded replacement blades. See page 33 for more information on the No. 066 10-D Handle.

Order No.	Dexter No. & Description	Weight
060	X752 ½ Linoleum Knife	3 oz.
063	VX752 ½ Vinyl Knife	3 oz.
064	VX752 ½ D Rep. Vinyl Blade	1 oz.
066	10-D Handle	3 oz.

## No. 070 Dexter Custom Handle & Blades

This knife excels in vinyl installation. The No. 072 Hook Blades cleanly cut felt-back vinyl. Just unscrew the end cap, and the knife is open. Stores 5 blades inside.

Order No.	Description	Package
070	Custom Handle	1
072	"V" Sharp Hook Blade	5
073C	Heavy Duty Straight Blade	100

## No. 005 Ward Handle

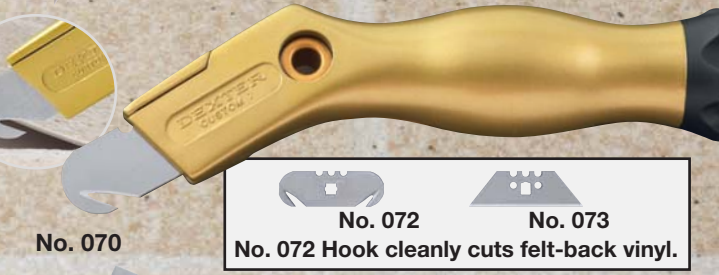

This knife for vinyl installation takes specialty blades that can adjust to a wide array of angles for difficult materials. With the No. 026A hook blade, it cleanly cuts felt back vinyl.

Order No.	Description	Package
005	Ward Handle	1
012	Standard Blade	12
013	Heavy Blade	12

## No. 006 Airway Knife

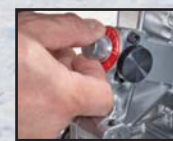

This knife is specially contoured for comfort. Made of smooth die-cast aluminum with close-fitting tolerances. One screw loosens the case for easy blade changing.

Order No.	Description	Weight
006	Airway Knife	6 oz.
025A	Airway St. Blades, 12/pkg.	1 oz.
026A	Airway Hook Blades, 12/pkg.	1 oz.

**SIMPLE DEPTH ADJUSTMENT**

**FLOOR FOLLOWING WHEEL**

**No. 968 Floor Following Groover**  
**No. 971 12 Tooth Carbide Blade**  
**No. 972 Diamond Groover Blade**

This tool tracks in the seamline to cut a trapezoidal groove for welding. It maintains consistent grooving depth even when floors are not level, up to 1/8" of variation over one foot of seamline. The floor following wheel rides on the floor to raise or lower the blade in response to variation. A spring-loaded floor following dust shroud improves dust control. Includes a 12 tooth 130mm carbide-tipped blade (No. 971), and carrying case. Diamond grit blade for metal-impregnated safety floors is available (No. 972). 110VAC 9A No load RPM 12,000. Max. groove depth 3.5mm.

Order No.	Description	Weight
968	Floor Following Power Groover	20½ lbs.
971	12 Tooth Carbide Blade	8 oz.
972	Diamond Groover Blade	1 lb. 1 oz.

**No. 969 Heat Weld Gun**  
**No. 961 Triangular Welding Tip**  
**No. 962 Round Welding Tip**  
**No. 963 Pencil-Tip Nozzle**  
**No. 979 Universal Welding Tip**

This electronic gun features precise heat, and comes with a pencil-tip nozzle (No. 963), triangular tip (No. 961), round tip (No. 962) and carrying case. The nozzle and tips are standard size to fit other common guns, and are sold separately. The No. 979 is a universal tip for Crain No. 960, 969 or No. 980 heat guns, and adjusts for welding 3mm or 5mm round threads, or half moon triangular threads.

Order No.	Description	Weight
969	Heat Weld Gun	6½ lbs.
961	Triangular Welding Tip	1 oz.
962	Round Welding Tip	1 oz.
963	Pencil-Tip Nozzle	3 oz.
979	Universal Welding Tip	4 oz.

**No. 985 Quarter Moon Knife**  
**No. 986 Trim Guide**

Used for trimming the excess vinyl weld thread flush to the floor's surface, after the weld has cooled. The knife's flexible top edge is razor-sharp. Pushed against the weld excess, this curved edge shaves the weld flush. This may be done in steps, first using the trim guide, and then making a final pass over the seam with the knife only.

Order No.	Description	Weight
985	Quarter Moon Knife	2 oz.
986	Trim Guide	1 oz.

**No. 987 Pressure Roller**

Used to roll the vinyl welding thread tightly into the groove in awkward areas, such as up coved walls. The handle is drilled through, so the welding thread passes through it instead of the welder tip for this usage.

Order No.	Description	Weight
987	Pressure Roller	2 oz.

**No. 988 Vinyl Welding Kit**

Comes with No. 968 Floor Following Power Groover, No. 969 Heat Weld Gun (with nozzle, round, and triangular tips), No. 340 Selvage Trimmer, No. 370 Scriber, No. 965 Skiving Knife, No. 955 Hand Groover, No. 189 Utility Knife, No. 349 Round Edge Seam Roller, cleaning brushes with stainless steel bristles, metal case, and instructions.

Order No.	Description	Weight
988	Vinyl Welding Kit	35 lbs.

**No. 965 Skiving Knife**

This knife for trimming heat weld rod flush at the seams has a sharp blade that's replaceable. Eliminates difficult resharpening of quarter moon knives. Cuts in two passes with the built-in trim guide. Take the first pass with the guide under the blade, then pivot out on the second pass. The flexible blade and trim guide won't gouge high spots.

Order No.	Description	Weight
965	Skiving Knife w/Replaceable Blade	7 oz.
966	Replacement Blade Only	¼ oz.
967	Replacement Blades (5) pack	1¼ oz.

**No. 955 Pull Hand Groover**

A pull hand groover improves control and permits faster work. Adjustable fin tracks in the seam to control grooving depth. Useful for starter cuts for a power groover, in tight areas, or when floors aren't level. Comes with 3 blades.

Order No.	Description	Weight
955	Pull Hand Groover	6 oz.
956	Pull Hand Groover Blades (3)	½ oz.

**No. 745 & 995 Deluxe Heat Guns**

These flameless heat guns come in 750° or 1000° models. The high-speed fan blows hot air, while the adjustable intake shuttle adjusts temperature. A 3-way switch provides hot, cold, or off. Elements are easily replaceable. Both models come with an adjustable stand and carrying case.

No.	Description	Amps	Max°F	Weight	Element
745	Deluxe Heat Gun	14	750°	4.5 lbs.	1745-030
995	Deluxe Heat Gun	14	1000°	4.5 lbs.	1995-450
745K	Multi-Purpose Case			4.0 lbs.	

**No. 751 Thriftline Heat Blo Gun**

This economy gun heats material with temperatures adjustable from 300° to 1000°F. Features a 6' heat-resistant cord and a switch for hot or cold air. Stands upright to avoid burning the floor. The element is controlled by thermocouple for precise heat control.

Order No.	Description	Volts	Watts	Max°F	Weight
751	Thriftline Heat Gun	110	1200	1,000°F	2 lbs.

**No. 730 Utility Knife**

This classic knife features an easy-to-grasp thumb knob for quick opening without a screwdriver, and ample leverage for tightening securely. It is die cast of lightweight aluminum, with a knurled, anti-slip, brightly polished surface. The knife pivots open to store extra blades inside the knife body. Takes standard heavy-duty utility and hook blades.

Order No.	Description	Weight	Blades
730	Utility Knife	4 oz.	292, 295, 996

**No. 128 & 129 Scriber Needles**

These sharp, high carbon steel needles are for common scribers and dividers. Come packaged 50 per pack.

No.	Size	For use in Tool
128	.058 X 9/16"	194 Outside Corner Scriber ONLY!
129	.063 X 7/8"	109 110 111 112 188 240 355 380 382

**No. 109 Pin Vise**

Features a hexagonal chuck that holds No. 129 needles. Perfect for scoring tile or linoleum pattern layouts.

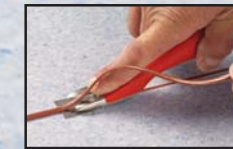

Order No.	Description	Weight
109	Pin Vise	1 oz.

**Blades for Discontinued Crain Saws**

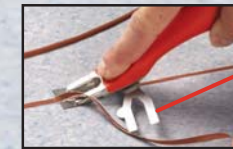

No. 803 & 804 for use on discontinued Nos. 800 & 810 Super Saws. No. 803 is best used for wood that splinters. No. 804 is best for general undercutting. The No. 788 is for use with Crain No. 785 & 795 Toe-Kick Saws only.

Order No.	Description	Weight	Teeth
788	2¾" Toe-Kick Saw Blade	2 oz.	16
803	Combination Blade	10 oz.	100
804	Carbide Blade	10 oz.	40

No. 565

### No. 565 18' Strap Clamp

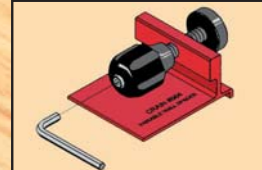

Clamps and holds laminate planks across widths up to 18 feet. Nylon strap coils inside the housing. No more strap all over the floor in the way of your work. New extra-long base will work under toe spaces. A real time-saving design!

Order No.	Description	Weight
565	18' Strap Clamp	2.2 lbs.

### No. 564 Variable Wall Spacer

Improved with wider, heavier base and larger, ergonomic twist-knob that will accept an Allen wrench on the back side. Use to space planks from the wall or clamp and press the butt joints.

Order No.	Description	Weight
564	Variable Wall Spacer	1 lb.

### Close to Wall Stapling Tools

#### No. 553 Engineered Wood Stapling Tool

This adjustable tool staples engineered hardwood planks close to walls, generally as close as the width of one board. This reduces top nailing and puttying work. Adjusts to board thicknesses from 3/8" to 5/8" in two easy steps: Place the tool's back foot on the subfloor and the stapling nose on top of the tongue. Drop the adjustable front foot plate onto the top surface of the plank and tighten. Includes built-in staple separator.

Order No.	Description	Weight
553	Engineered Wood Stapling Tool	2 lbs.

#### No. 559 Close to Wall Staple Tool

This tool staples 3/4" thick solid hardwood planks close to walls, generally as close as the width of one board. This reduces top nailing and puttying work. Insert a staple in the slot and hammer with the unique offset driver. Includes built-in staple separator.

Order No.	Description	Weight
559	Close to Wall Staple Tool	1.74 lbs.

#### No. 673 13" Wood Cutter

Cuts plank flooring up to 3/4" thick, including a variety of solid hardwood, engineered wood, laminate, and LVT planks. Built-in wheels allow it to be easily moved from a kneeling position. The movable fence allows straight or 45° diagonal cuts at different areas under the 13" blade for extra blade life. Max. plank hardness: 1290 Janka scale. Max. plank width: 13"

Order No.	Description	Weight
673	13" Wood Cutter	25.7 lbs.
674	13" Wood Cutter Blade	0.35 lb.

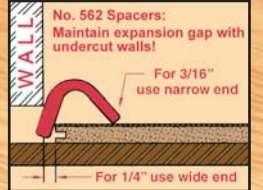

#### No. 679 9" Wood Cutter

Cuts plank flooring up to 3/4" thick, including a variety of solid hardwood, engineered wood, laminate, and LVT planks. Features a movable fence to position the material on either side of the blade for more blade life. Max. plank hardness: 1290 Janka scale. Max. plank width: 9"

Order No.	Description	Weight
679	9" Wood Cutter	19.4 lbs.
681	9" Wood Cutter Blade	0.25 lb.

### No. 562 Plastic Spacers (10)

These spacers maintain a proper size gap even when the adjacent wall is undercut. The V-shape rests against the face of the plank to prevent the spacer from tipping. The two ends have different thicknesses, one at 3/16" and the other at 1/4", for various manufacturer's specifications.

Order No.	Description	Weight
562	Plastic Spacers	5.28 oz.

### No. 546 Wood Roto-Wedge Spacers™

These spacers rotate for a variable gap from 1/16" to 7/8". They adjust on the fly to accommodate walls that aren't straight. Also helpful in spacing masonry and stone on walls where variable support is needed. Inexpensive and reusable. Sold 12 spacers per pack.

Order No.	Description	Weight
546	Wood Roto-Wedge Spacers	0.13 lb.

### Crain Tapping Blocks

Made in two sizes from 3/4" thick solid plastic blocks. Both have relieved edges on a side and an end. Used to tap the side of the plank to fit the tongue and groove.

Order No.	Description	Weight
563	7" Tapping Block	9 oz.
569	11 3/4" Tapping Block	1 lb.

### No. 670 Hardwood Plank Jack

This unique threaded pushrod design provides all the power of dog-and-ratchet jacks, but without the backlash or dog breakage problems. With every turn of the handle, this jack holds and will not give. Adjusts for length quickly with the push of a button. Works anywhere along walls, or fastens down for use in the middle of the room. Provides up to 2000 lbs. of force to move the planks as necessary.

Order No.	Description	Weight
670	Hardwood Plank Jack	8.7 lbs.

### No. 560 "Knuckle Head" Pull Bar

This pull bar features a boxed "knuckle" hammering head that is welded to the body. The width has been increased to reduce body bending, and the length is increased for more working room at the wall.

Order No.	Description	Weight
560	"Knuckle Head" Pull Bar	3.25 lbs.

### No. 558 Staple Set Tool (US Patent #7,878,383)

This tool manually drives hardwood staples and L-shaped cleats after misfires, in tight places where air guns can't fit, and is quick for repair work. Sets the fastener flush in the side of the plank. Compact design works close to walls. Hardened steel construction, with tough plastic grip.

Order No.	Description	Weight
558	Staple Set Tool	1.5 lbs.

### No. 557 Hardwood Pry Bar

The sharp point and curved end of this bar create a wedging action to close joint gaps caused by bowed boards. When hammered into the subfloor, the sharp point punctures cleanly. Long handle gives good leverage.

Order No.	Description	Weight
557	Hardwood Pry Bar	0.90 lbs.

### Metal Mitre Tools

"Click" and it's mitered! Metal Mitre tools make 90° triangular cuts in aluminum cap metals, allowing you to create corners without a miter box. The 8-to-1 leverage and all-steel construction of these tools make for easy cutting and long useful life.

Choose No. 849 Handle and Die Set Combo for most vinyl and carpet cap with at least a 3/32" opening. Choose the No. 851 Handle and Die Set Combo for vinyl and laminate cap metal with at least a 1/16" opening. Choose No. 847 Combo with extra-thick heavy duty punch for mitering other heavier cap (such as wallboard cap). Nos. 846, 848 & 850 die sets are interchangeable and sold separately.

The No. 870 Combo is used to notch vinyl mouldings for tight radius bends without wrinkles. It cuts out a 1/4" wide relief slot with 90° side angles. Sold as a combo die set and handle only. Durably constructed with heavy-duty punch.

Order No.	Description	Weight
845	Metal Mitre Handle Only	1 1/2 lbs.

No. 880

### No. 880 Vinyl Miter & Blades

This miter tool features a replaceable 2 3/8" long razor-sharp blade, for accurate cutting on vinyl mouldings, straight or at a 45° angle. Features 4-to-1 leverage, nickel-plated steel parts, and cushioned nonslip grips.

Order No.	Description	Weight
880	Vinyl Miter	1 lb.
881	Replacement Blades (3)	1 oz.

543

### No. 543 Aviation Type Snips

These compound leverage metal snips feature tough alloy steel blades for long useful life. Positive-lock contour handles are vinyl-coated for comfort.

Order No.	Description	Weight
543	Aviation Snips	9 oz.

### No. 336 Undercut Saw & Blades

This saw has a trapezoid-shaped high-carbon replaceable steel blade, with a 12" row of 10-point teeth on both sides. Perfect for undercutting door jambs and obstacles.

Order No.	Description	Weight	Blade / Wt.
336	Undercut Saw	1 lb.	335 / 8 oz.

No. 336

### No. 157 Crain Moulding Lifter

The slim ends of this tool are smooth and broad to fit behind base and moldings without damage. Both ends notched to pull nails. Forged, hardened and nickel-plated.

Order No.	Description	Weight
157	Crain Moulding Lifter	8 oz.

No. 157

### No. 159 Vaughan Superbar

Features a "shepherd's crook" prying end for more prying power. Ends and nail slots are ground for easy insertion.

Order No.	Description	Length	Weight
159	Vaughan Superbar	15"	24 oz.

No. 159

### No. 344 Score Tool & No. 345 Blade

Scores plastic laminates for an easy break. The handle contour ensures a proper blade angle. The reversible and replaceable blade has two 94 Rockwell carbide-tips.

Order No.	Description	Weight	Blade / Wt.
344	Score Tool	3 oz.	345 / 1 oz.

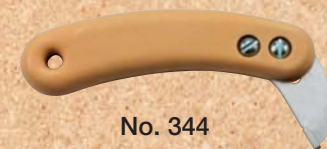

No. 356

### No. 356 Carbide Hole Saw

This tungsten carbide hole saw cuts clean 1 3/8" holes for pipe clearance. The replaceable 1/4" masonry bit holds a center. An internal spring ejects the piece cut out. Works well on ceramic and soft-bodied quarry tile.

Order No.	Description	Weight
356	Crain Ceramic Hole Saw	10 oz.

No. 344

### No. 353 Carbide Grout Saw

The carbide-coated blade removes old grout in a hurry.

Order No.	Description	Weight	Blade / Wt.
353	Grout Saw (w/2 blades)	4 oz.	353Y / 1/2 oz.

No. 056

### No. 056 Tile Polishing Brush

Clean tile in seconds with this specially designed reusable brush. Sponge down your grouted tile and let the film dry. Just brush over the tile and let the brush clean and polish the tile. This replaces the cheesecloth rag method.

Order No.	Description	Weight
056	Tile Brush	8 oz.

No. 353

### No. 081 "GritEdge" Rod Saw Blades

Remington tungsten-carbide rod saw blades have a fine grit edge that is perfect for cutting ceramic and laminates. Makes cutting angles and curves easy.

Order No.	Description	Length	Weight
081	Rod Saw Blade	10"	0.5 oz.

No. 081

### No. 191 D.I.Y. Razor Knife

Economically but durably produced in red plastic, this knife uses standard slotted razor blades. Contoured perfectly to provide a better grip. Blades are replaced easily by loosening a single knurled thumb nut, removing a blade clamp, then replacing the clamp and tightening.

Order No.	Description	Weight	Blades
191	D.I.Y. Razor Knife	2 oz.	306, 308, 309

No. 191

### No. 684 Extension Cord

This 25 foot long 16 gauge 3 conductor grounded extension cord is constructed for use with power tools indoors or outdoors. Plug and receptacle are molded on the cord.

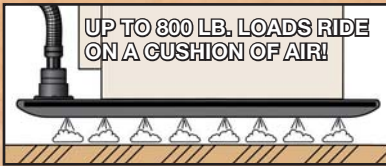

Order No.	Description	Max. Amp.	Weight
684	25 ft. Extension Cord	13	2 lbs.

No. 684

No. 280

### No. 280 H.D. Air Lifter

The Air Lifter system speeds-up appliance removal and installation, saving time and reducing risks of damaging new floors or back injuries. Slide the wide footplates under the load, turn on the blower, and the load is lifted. You can move the load literally with the touch of a fingertip! Includes: 2 appliance movers, T-Connector, 3 hoses & strap, carrying bags, 2 H.P. blower, and carpet slider adapter kit.

Order No.	Capacity	Motor H.P.	Amps	Volts	Wt.
280	Up to 800 lbs.	2	7.5	120	30 lbs.

### No. 015 & 016 Vinyl Dollies

These dollies are great for in-store and job uses. Sturdily constructed, with double ball bearing, heavy-gauge rollers, cast aluminum frames, and non-marking rubber wheels. Accepts rolls to 16" diameter. Available in two sizes.

Order No.	Size	Weight	Order No.	Size	Weight
015	18" Dolly	13 lbs.	016	36" Dolly	21 lbs.

### No. 017 Metal Skat Skates

These dollies have steel adjustment arms and load plates. Rotating urethane wheels turn very easily and won't scratch floors. Load pads have thick vinyl covers. Great for moving furniture and appliances!

Order No.	Pad Size	Closed	Open	Capacity	Set Wt.
017	8" X 10"	24"	32"	1,000 lbs.	20 lbs.

### No. 018 Tile Dolly

This tile dolly has a rugged 11" x 16" deck, five heavy-duty casters, and an ergonomic handle. Rolls and turns easily with up to five boxes of tile or approx. 300 lbs. The solid plastic wheels are attached to hardened swivel bracketry.

Order No.	Deck Size	Capacity	Weight
018	11" X 16"	300 lbs.	3.75 lbs.

### No. 124 60" Carpet Cart

This cart has a full-sized 20" wide x 60" long bed that provides extra support for long and heavy rolls up to 1000 lbs. The tubular steel frame is reinforced with central steel plates. Four eyelets are provided for tying down the load. The large diameter 16" pneumatic tubed tires are tall and wide enough to roll up curbs, steps, or across gravel.

Order No.	Description	Capacity	Weight
124	60" Carpet Cart	1,000 lbs.	42 lbs.

### No. 354 Tool Pouch & No. 407 Square Tool Pouch

No. 354 – primarily a pocket pouch that can also hang on a belt. Knives wedge tightly inside. Made of durable leather.

No. 407 – wider and deeper for greater storage capacity. Hangs on belts. Constructed of durable leather.

Order No.	Description	Capacity	Weight
354	Pocket Tool Pouch 4 <sup>3</sup> / <sub>8</sub> " x 7 <sup>1</sup> / <sub>2</sub> "		8 oz.
407	Square Leather Pouch 4 <sup>1</sup> / <sub>2</sub> " x 7 <sup>1</sup> / <sub>2</sub> "		6 oz.

### No. 898 Iron Combo Case Only

This all steel case is designed for carrying carpet seaming irons. Features a hinged platform that adapts to hold 3" or 6" irons. Besides room for an iron there's a partition for holding a roll of tape, plus space to loosely lay the iron's cord and an extension cord. Heavy-duty latch is lockable.

Order No.	Description	Weight Each
898	Iron Combo Case Only	8 lbs.

### No. 024 Rolling 24" Tool Box

This fully featured yet lightweight 24" toolbox is made from advanced "structural foam" materials. The thick walls are very durable but without all the weight. Rolls level with the floor thanks to a top mounted pull handle. The tray has a series of angled recesses which allow steam to escape, while also keeping even pressure on the seam.

Order No.	Length	Width	Height	Weight
024	24"	10 <sup>1</sup> / <sub>2</sub> "	11 <sup>1</sup> / <sub>4</sub> "	16 lbs.

629	1/8" Nozzle	- - -	1 oz.

## No. 470 Glue Bottle

This 16 oz. bottle is made from high-impact plastic and features an adjustable depth brush that goes to the bottom. Seals tight to prevent hardening in storage.

Order No.	Description	Weight
470	Glue Bottle	2 1/3 lbs.

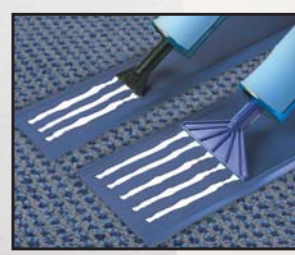

# Cove Base Tools

# CRAIN

## No. 235 6" Disposable Cove Nozzle No. 236 3" Disposable Cove Nozzle

These low-priced throw-away cove base nozzles evenly spread adhesive. They attach quickly onto the plastic tip of cartridges. No. 235 lays down 5 beads for 6" base. No. 236 lays down 3 beads for 3" base. Both fit most popular cartridge guns.

Order No.	Description	Weight
235	6" Disposable Cove Nozzle	1 oz.
236	3" Disposable Cove Nozzle	1 oz.

## No. 237 & 238 Cove Base Guns

Primarily used for applying cove base adhesive, they are designed for the job. They feature all-steel construction, and a smooth rod push mechanism.

Order No.	Description	Capacity	Weight
237	Cove Base Glue Gun	1 qt.	2.5 lbs.
238	Cove Base Glue Gun	1/10 gal.	1 lb.

## No. 532 Topset Gouge

This tool gouges the back of vinyl or rubber cove base to produce tight-wrapped corners. The 5/32" wide blade adjusts for depth and can be sharpened.

Order No.	Description	Weight
532	Topset Gouge	1 oz.
533	Replacement Blade	1 oz.

## No. 401 6-in-1 Screwdriver

This screwdriver converts between the four most needed Phillips and slotted screwdriving tips, and provides two nutdriver sockets as well. Includes #1 and #2 Phillips tips, 3/16" and 5/16" slotted tips, and 1/4" and 5/16" nutdrivers. Made with a high-impact plastic ribbed handle for sure grip, and a heat-treated alloy steel socketed drive shaft.

Order No.	Description	Weight
401	6-in-1 Screwdriver	5 oz.

## No. 675 24" Carpet Tile Cutter

Cuts carpet tiles, vinyl tiles, LVT planks, and rubber tiles 24" straight or 18" on a diagonal. Handles materials up to 3/4" thick per cut. Built-in wheels allow it to be moved easily from a kneeling position. The movable fence and tile guide can be set for repetitive straight or diagonal cuts.

Order No.	Description	Weight
675	24" Carpet Tile Cutter	38 lbs.
676	Carpet Tile Cutter Blade	0.7 lb.
