## 2" & 3 " Light Duty Casters

These are small yet efficient casters that move cleanly and stay out of the way. Great for light duty equipment that needs to be in motion frequently but doesn't require a lot of upkeep.

Zinc plated for corrosion resistance, rivited axle, and a double ball bearing swivel. Most models are available with brake.

Load Capacity 66 - 110 lbs

Applications:

- Office equipment
- Light medical stands & carts
- Chairs and stools
- Store fixtures

**NSF Certified Component. The casters listed below are NSF listed**  
(Casters with polyurethane wheels excluded)  
**Add -FS to the end of the part number for NSF designation.**
