FOR U.S. COMPANIES ONLY

Duracell® CopperTop® and Procell® power solutions are engineered for professionals who rely on mission-critical devices to perform their jobs. CopperTop and Procell is manufactured to rigid specifications to meet the highest standards of durability and longevity that professionals demand and expect.

- ⇒ Long-lasting and dependable—even after 7 years of storage
- ⇒ Last up to 10x longer than zinc-carbon batteries in power-demanding applications
- ⇒ Long service life at high-drain discharge
- ⇒ Operate reliably in temperature extremes of -4°F to 130°F
- ⇒ Date-coded to ensure freshness
- ⇒ Economical bulk packaging for professional applications
- ⇒ No added mercury
