

Dad's EASY SPRAY®

FANTASTIC REMOVER and REFINISHER

"works like magic"
to produce
outstanding results

EASIER, FASTER
and CLEANER!

Specially designed chemical resistant
trigger sprayer is attached to each
quart and gallon container!

CHECK THESE IMPORTANT ADVANTAGES:

- Easier to use
- Safe on all woods
- Safe on all metals
- Jells when sprayed on
- Stays wet, works for hours
- Most economical to use
- Slow drying, uses less
- Rinses clean with water
- No need for neutralizers
- Faster cutting
- Penetrates and lifts
- Very low odor
- Will not raise wood grain
- Water rinsable
- Easy clean up, no mess
- Non-caustic, non-acid
- No residue
- No patina damage to antiques
- Marvelous and beautiful results

Works great on:

**Furniture • Antiques
Woodwork • Floors
Machinery • Cars • Boats
Masonry • Graffiti**

Easily removes:

- Paints
- Polyurethanes
- Lacquers
- Shellacs
- Marine Finishes
- Varnishes
- Stains
- Latex
- Acrylics
- Epoxies

Other stripping uses:

- Grease and oil from concrete
- Dried paint from brushes
- Spray painting equipment
- Masking tape, tar, gum
- Contact paper, bumper stickers
- Decals, labels, crayons
- Paint out of most fabrics and rugs

Dad's
EASY SPRAY®

"DUAL ACTION"

WORKS 2 WAYS FOR BETTER RESULTS

1. Cuts and dissolves like a liquid refinisher.
2. Lifts and stays wet like a semi-jell for easy, no rush, carefree finish removal.

EASY SPRAY® refinishing can be stopped at any time without waste or damage and may be resumed at your convenience.
