FOOT SMOOTHERS

EXTREME FOOT SMOOTHER DRUM

This smoother produces extreme results, saving your customers valuable time and effort. The exclusive metal surface quickly and safely smoothes even the thickest, toughest calluses.

The 2-in-1 Smoother features an Extreme grit on one side and a Coarse grit on the other for smoothing versatility. The easy-to-grip handle with an exclusive, marbled design allows you shape and sculpt rough, callused feet into smooth, beautiful works of art.

Designed specifically for salon use. Can be sterilized by all conventional means. Autoclave safe!

UNIQUE, METAL GRIT

- Long lasting, etched surface creates a grit that will not peel or flake
- Punched holes provide extra smoothing power and make the tool easy to clean
- Effective when used both wet and dry

LONG, COMFORTABLE HANDLE

- Improves reach
- Provides a secure grip
- Ensures maximum comfort

DOUBLE-SIDED SURFACE

- Extreme on one side to quickly, yet gently, reduce tough calluses
- Coarse grit on the other side to smooth rough skin

SOLID FRAME

- Improves strength & durability
- Can be sterilized by all conventional methods, including autoclave.

ANGLED, ERGONOMIC DESIGN

- Reduces wrist strain
- Minimizes bending & reaching
