

PRODUCT DATASHEET

Weatherready™ LED Folding Lantern

Energizer®

WEATHERREADY®

ECONOMICAL

- Useable light for 59 continuous hours in high mode with 1 set of Energizer® MAX® batteries
- Lifetime LEDs never need replacing

BRIGHT

- Eight White LEDs provide 118 lumens of light with the lantern in the full up position

VERSATILE

- Integrated carrying handle
- Pivots to light 180° or 360° for task or area lighting

HANDY

- Folds for easy, compact storage
- Amber LED nightlight

FL452WR

Extended runtime and optimized light output make the Energizer® Weatherready™ LED Folding lantern an exceptional area light. Based on 5 hours of use per day, it produces light in high mode for up to 1 month between battery changes. In low mode, the lantern provides useable light for 120 hours. The versatile design folds down for compact storage or folds out for 360° lighting. In addition, an Amber LED nightlight helps locate the lantern in the dark.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation: Energizer Weatherready LED Folding Lantern

Model: FL452WR

Color: Red

Power Source: Four "D"

ANSI/NEDA: Series 13

Lamp: Eight White LEDs; One Amber LED

Lamp Life (hr): Lifetime

Mode:	High	Low	Nightlight
Light Output (lumens):	118	93	N/A
Run Time (h:min)*:	59	120	543
Run Time (h:min)**:	356	292	

Typical Weight: 525 grams

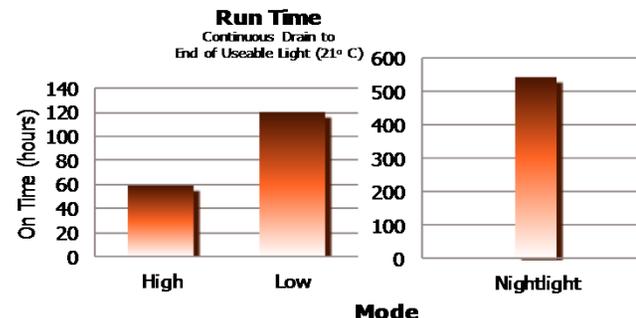

without batteries

Dimensions (mm): 195 x 117 x 84

*Hours of continuous operation until light reaches 10% of initial light output

**Hours of continuous operation until light reaches 1% of initial light output

Performance:
