

LED LAMP

SPECIFICATIONS

For garages, attics and other dark spaces, the Feit Electric ADJ2600/5K/LED panel light provides an efficient and flexible way to get illumination in a small form. This light comes with independently adjustable panels that fold down up to 90° to direct light exactly where desired. Integrated LEDs produce 2605 Lumens of 5000K Daylight color temperature light using only 24 watts - a savings of 84% over an equivalent 150-watt incandescent. Each light lasts up to 20,000 hours delivering bright, reliable illumination.

2600 Lumen Foldable Panel Garage Light

ADJ2600/5K/LED
