## FRANKLIN® FUTSAL BALL

Futsal is a great skill developer, demanding quick reflexes, fast thinking and pin point passing. The low bounce feature stimulates precise ball control and technical skill building, increases agility, helps develop lightning reflexes and improves decision making. The ball has less bounce to stay in play longer and promotes close ball control. Learn to think and react well under pressure on full field soccer games.

- Crafted with soft abrasion resistant cover that provides an excellent touch and feel
- Our stuffed and wound low bounce bladder keeps the ball low to the ground and works especially well indoors and outdoors.
- Dynamic colorful graphics so that you can impact and dominate your Futsal and indoor Soccer leagues
- Futsal size and weight is smaller and heavier than traditional soccer balls
- Size 4: Circumference: 62-64cm/24.4-25.2in, Weight: 430+/-10g
- Size 3: Circumference: 58-60cm/22.8-23.6in, Weight: 390+/-10g

**HI-TACK**  
RECEIVER GLOVES

**Franklin**

**GLOVE LAB**  
EST. 1946

Expert glove engineering since 1946, Franklin Sports has become world-renowned for leadership in the industry in regards to innovation, fit, feel, and performance. Guided by our time-tested TRI-CURVE® Technology – a unique fitting system engineered to follow the pre-curved anatomy of the human hand – we have not wavered from our commitment to premium-quality materials, field-testing by our athletes at the highest levels of play, expert craftsmen with decades of experience, and rigorous performance standards. Our glove lab fuses all of these inputs with the latest innovations in material, performance optimization metrics, and design in order to engineer the best gloves possible. When you wear Franklin®, you know you're wearing the best.

## SFIA HI-TACK FOOTBALL RECEIVER GLOVES

Our premium Hi-Tack receiver glove series meet the SFIA Football Glove performance specification and are approved for legal use in game play sanctioned by the NFHS, the NCAA and youth leagues. Featuring Franklin's patented TRI-CURVE® Technology combined with our superior-grip Hi-Tack silicon palm, these gloves have been wear-tested by our premiere athletes and are designed to optimize performance. As the industry leader in glove fit, feel, and performance, we know the Hi-Tack series will elevate your game.

- Proprietary Hi-Tack silicon palm grip meets SFIA performance specification
- Dual-flex palm creases enhance performance
- Perfect for receivers, running backs, and defensive backs
