

Safety Switches Accessories

Spec-Setter™ Safety Switches

Section 2

Class R Fusing Kit—Field Installable Type TG, UL Listed

When specifications permit only Class R fuses to be used, these kits may be installed in the safety switch to deter fuses other than Class R from being installed. Kits for 30 or 60A switches incorporate replacement fuse clips. Kits for 100-600A switches incorporate rejection pins that assemble to the standard fuse clips.
