---	----

Made in the USA, the GUNK® brand is built on a solid foundation of high performing products that solve the most difficult cleaning challenges. The heritage and strength are rooted in years of experience tackling the toughest oil, grease and dirt for jobs anywhere from your car or truck to your garage or shop.

Made in the USA, the LIQUID WRENCH brand offers industrial-strength formulas that are designed to help automotive professionals get the job done. Each product is designed for performance and driven by the latest chemical technology, with dependability and the highest standards of safety built right in.

Made in the USA, TITSEAL is the leading solution for tire leak repair and protective coatings. TITSEAL is the go-to product when faced with a project or problem in which you need to seal, repair or protect whatever you are working on. Whether you're at home, working in the garage or on the road, you can count on the performance leader in leak repair technology for results you can trust.

[our mission]

To make tough jobs easier
through performance-driven
chemical solutions.

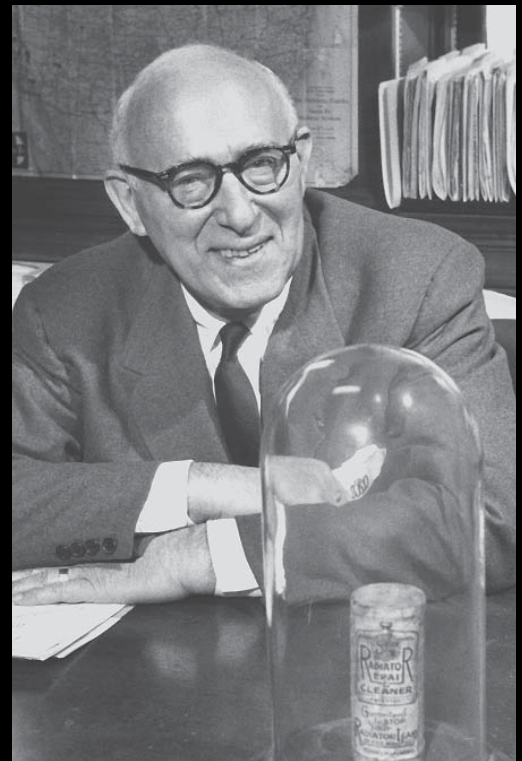

Over 90 Years of Experience with Chemical Solutions

In 1924, Mr. I. D. Blumenthal was traveling to Charlotte, NC when he discovered a leak in his car's radiator. Blumenthal brought his car to a local tinsmith for repair.

The innovative tinsmith poured "magic powder" into the radiator and the leak was fully repaired. Being a savvy businessman and entrepreneur, Blumenthal proposed a partnership with the tinsmith and Radiator Specialty Company was born, with Solder Seal® as the company's first product.

With more than 1,600 customers in 81 countries around the globe, Radiator Specialty Company (RSC) today develops, manufactures and markets high performance products for auto, motorcycle, plumbing, marine, hardware and industrial applications. RSC products are manufactured at its 400,000 square foot operations facility in Indian Trail, North Carolina, which is ISO 9000-2008 Certified and includes eight state-of-the-art production lines with an SAP Operating System. RSC trademarked brands include: LIQUID WRENCH®, GUNK®, TITESEAL®, HOLD-ZIT, and Solder Seal®.

RSC delivers powerful chemical solutions that enable tinkerers and tradesmen to achieve hands-on success. Our products enable them to design, build, maintain and repair real things that encourage a "can do" spirit and support self-reliance. We believe their efforts should be celebrated and we are on a mission to elevate the value of their work in society. Through our innovative and sustainable technologies, RSC strives to inspire the maker in all of us to keep everyday things working longer and to build the next great machine.

Cleaners & Degreasers

The GUNK® brand was built on a solid foundation of high performing products that solve our customers' most difficult cleaning challenges and have always been manufactured in the USA. The heritage and strength comes from years of experience tackling the toughest oil, grease, dirt and mud covering jobs anywhere from your car or truck to your garage, shop, barn, facilities or fleet. Since 1959, the GUNK brand continues to innovate, along with proving its versatility and dependability in any industry where serious cleaning projects demand high performance products.

- 50-state compliant.

LC9/6 9 oz. 6/case

LIQUID WRENCH® Heavy Duty Spray Lubricant

- Reduces friction, wear, penetrates, lubricates, cleans and protects, prevents rust and corrosion.
- Highly efficient, multi-purpose lubricant containing PTFE.
- Micron-size particles of PTFE act like tiny “ball bearings” to significantly reduce friction and wear.
- Displaces moisture.

L508 6 oz. 12/case

LIQUID WRENCH® Lock Lube & De-Icer

- Thaws frozen locks and prevents frost.
- Fast-acting dry formula; leaves no residue.
- Features state of the art Cerflon® solid lubricant for superior durability and long-lasting lubrication.
- 50-state compliant.

LLD03/6 3 oz. 6/case

**LIQUID WRENCH®
Lock & Hinge
Dry Lube**

- Proprietary, metered nozzle means no overspray and no mess.
- Resists dust and dirt.
- Features state of the art Cerflon® solid lubricant for superior durability and long-lasting lubrication.
- 50-state compliant.

LHL04/6 4.5 oz. 6/case

**LIQUID WRENCH®
Light Machine Oil**

- A light grade, non-detergent machine oil that lubricates and protects metal parts against wear, tarnish, rust and corrosion.
- Convenient dropper bottle.

L1004 4 fl. oz. 12/case

**LIQUID WRENCH®
Hydraulic Jack Oil**

- Formulated with extreme pressure additives.
- Oxidation and rust inhibitors.
- Anti-wear and anti-foam agents.
- For use in all hydraulic jacks.

M3312 12 fl. oz. 12/case
M3332 32 fl. oz. 12/case
M3332/6 32 fl. oz. 6/case

LIQUID WRENCH® Multi-Purpose Grease

- Versatile, long-lasting formula stays in place.
- Lithium-based formula for general automotive, industrial, agricultural & home applications.
- Inhibits rust and corrosion.
- Water-resistant.
- Cuts friction to extend life.
- Recommended for applications that do not require anti-wear or extreme pressure agents.
- NLGI #1.5 Grease.

GR011 14 oz. 10/case

LIQUID WRENCH® Marine Grease

- Excellent resistance to washout.
- Superior rust and corrosion protection from fresh water, salt water, salt air and atmospheric chemicals.
- Special water-insoluble formula.
- Recommended for corrosive marine applications--trailer wheel bearings, water pumps, hinges, pins, winches, anchor chain reels.
- NLGI #2 Grease.

GR015 15 oz. 10/case

LIQUID WRENCH® Extreme Pressure Red Grease

- High film strength and extra tacky.
- Excellent mechanical stability, shock load protection & anti-wear properties.
- Anti-oxidants and corrosion inhibitors.
- Lubricates and stays in place under most severe operating conditions
- Recommended for heavy loads, high temperature uses or extreme conditions in automotive, industrial & agricultural applications.
- NLGI #2 Grease.

GR016 14 oz. 10/case

LIQUID WRENCH® Anti-Seize Lube

- Metallic formula that provides superior anti-seize protection.
- Enables easier, repeated assembly and disassembly.
- Prevents seizing, wear and tear, chafing and friction, and rust and corrosion caused by extreme heat, pressure, rust and other corrosive actions.
- Protects to 2000°F.
- Exceeds Military Specification MIL-A-907E.

L808 8 oz. 12/case

LIQUID WRENCH® Dielectric Anti-Seize Grease

- Dual purpose dielectric paste and anti-seize compound.
- Eases disassembly of parts.
- Protects against fretting and corrosion.
- Protects to 1800°F.
- Meets Military Specification MIL-A-907E.

L803 3 oz. 12/case

SUPERIOR DURABILITY

#1 PREFERRED SIZE

TRADESMEN APPROVED

Designed to get the job done quickly, this multi-purpose lubricant stops squeaks, eases sticking parts, protects against rust and corrosion, and displaces moisture. This do-it-all item is ideal for lubricating and penetrating applications on the job. The convenient 8-ounce size easily fits toolboxes. Safe to use on all metal parts.

- Soaks into gaps & displaces moisture
- Frees stuck nuts, bolts and locks
- Long-lasting lubrication
- Protects against corrosion and dissolves rust
- Stops squeaks and decreases noise
- Defends against wear
- Safe on painted surfaces
- Low odor, ultra-low VOC
- 50-state compliant
- Lubricates sliding mechanisms such as rolling doors and window tracks
- Multiple applications including: small hinges, rusted nuts and bolts, locks, hand & electric garden tools, electrical appliances

TITSEAL[®] Leak Repair &
Protective Coatings

From our roots in radiator repair, TITSEAL is the leading solution for tire leak repair, protective coatings and industrial sealants. TITSEAL is the go-to product when faced with a project or problem in which you need to seal, repair or protect whatever you are working on. Whether you're at home, working in the garage or on the road, you can count on the performance leader in leak repair technology for results you can trust.

TITSEAL® Specialty Tires

- Non-flammable.
- Seals and inflates tires in seconds.
- Temporarily repairs flats even while tire is still on equipment.
- Seals most punctures up to 3/16".
- For lawn and garden, cart and trailer, turf equipment and ATVs on wheels up to 13".

M1108/6 14 oz. 6/case

Does not include applicator hose

TITSEAL® Compact Tires

- Non-flammable.
- Tire sensor safe formula.
- Seals and inflates tires in seconds.
- Seals most punctures up to 3/16".
- Contains no hydrocarbon gas.

M1114/6 12 oz. 6/case

Does not include applicator hose

TITSEAL® Standard Tires

- Non-flammable.
- Tire sensor safe formula.
- Seals and inflates tires in seconds.
- Contains no hydrocarbon gas.
- Versatile 7" applicator hose and 16 oz. size handles mid-sized tire inflation problems with ease.

M1118/6 16 oz. 6/case

Includes applicator hose

TITSEAL® Tubed or Tubeless Tires

- Non-flammable.
- Tire sensor safe formula.
- Seals and inflates tires in seconds.
- Seals most punctures up to 3/16".
- Formulated for off-road equipment, lawn and garden, cart and trailer, turf equipment and ATVs.

M1107/6 14 oz. 6/case

Includes applicator hose

TITSEAL® Extra Large Tires

- Non-flammable.
- Tire sensor safe formula.
- Contains no hydrocarbon gas.
- Seals most punctures up to 3/16".
- Formulated for the larger size tires found on light trucks, sports utility vehicles, vans, and RV's.

M1128/6 24.5 oz. 6/case

Includes applicator hose

TITSEAL® Non-Stick Mower Spray & Protectant

- Keeps grass, dirt and moisture from adhering to the underside of mower decks.
- Helps prevent rust.
- Makes cleanup easier.
- Designed with Cerflon®, ceramically-reinforced PTFE.
- Great for making chutes and moving parts of snow blowers non-stick.

MDS11/6 10 oz. 6/case

TITSEAL® Paintable & Rubberized Undercoating

- Designed to protect the car body from rust and corrosion.
- Provides a tough, flexible, moisture-proof coating.
- Undercoating seals out moisture and dust.
- Petroleum-based.

T1616 16 oz. 12/case

Paintable

T1617R 16 oz. 12/case

Rubberized

Hold-Zit™

Hold-Zit™ Rubber Tie-Down Straps

- Lifetime warranty.
- For DIY and PRO.
- Release hooks eliminate rope tying.
- Designed and molded of custom compounded rubber.
- Maximum safe stretch is 1½ times the relaxed length; i.e. R722B is 22 in. long and should not be stretched over 33 in.
- 9 inch – 41 inch straps with reinforced ends to prevent hooks from pulling out.

HOOKS		1 hook

R731D	31 in.	12 straps/case
R741B	41 in.	50 straps/case

Hold-Zit™ The toughest straps with a LIFETIME WARRANTY.*

Hold-Zit™ Straps are scientifically designed and made in the U.S.A. of EPDM (Ethylene Propylene Diene Monomer) rubber for all-weather durability. Standard equipment on many trucks and trailers, they hold down tarps and other equipment. Reinforced ends help prevent hooks from pulling out. It's used in preference to SBR (Styrene Butadiene Rubber) because of excellent flexibility at low temperatures and resistance to ozone and aging. Hold-Zit™ Straps come with a lifetime guarantee.
