Dunhill Fir Hinged Tree

The small size of this Dunhill Fir tree makes it a great choice for display on tabletop, in secondary rooms or children's rooms. Pre-strung with 300 clear lights, this tree features hinged branch construction and includes a sturdy metal tree stand making assembly quick and easy. Given it's compact size, the fullness of the branch design provides plenty of branches for holiday trimmings.

Deer Wood PE/PVC Tree

The Deer Wood tree comes with Quick Set technology that allows the tree to be set up in less than five minutes. The electricity is in the pole of the tree, so you don't have to connect light sets for each section. Quick Set trees are constructed with Perfect Shape Technology allowing the branches to spring into shape. Quick Set trees are pre-lit with SureBright lights, when one light burns out, breaks or loosens, the rest still stay lit. Quick Set trees are flame retardant and come with a sturdy tree stand. Incandescent lights.

Express Tree Stand

New express push-pull bolt system features a button release system. Improved patented reservoir with spill guard, with raised bolt posts to save bottom branches. Only 4.5" of clear trunk required.

ITEM NO	Holds Trees	Color	Water Capacity	Pack	Cost	UPC
C28 C144E	Up to 12'	Green	3 Gal.	CS 6	32.83	7-17611-20002-5

Never Fail Tree Stand

The C-144 is the largest of the line to date. It is designed to hold trees up to 12' tall (larger if attached to plywood using reinforced holes at outer edges of stand). The low-wide reservoir accommodates low branches, spill guard prevents over-filling mishaps. 6.8 pounds of virgin, high-impact polypropylene make up the stand body to assure durability and reliability. Steel spikes in center of reservoir anchor tree, preventing shifting, making set-up a snap.

ITEM NO	Holds trees	Color	Water Capacity	Pack	Cost	UPC

Tree Stand Genie

For 100% hassle-free setup, just step on the foot lever until the claws firmly tighten around the trunk. No cutting or sawing necessary. The tree stand comes with the original single cable operation and a foot pedal that "DINGS" when the claws have securely closed around the tree trunk. At the same time, the foot pedal is automatically secured in the locked position. For trees up to 9'H and trunks up to 7" diameter. No assembly required. Holds up to 1.5 gallons of water. The fully automatic water level indicator takes the guessing out of watering your tree. Comes with the patented safety belt for added security.

Tree Accessories

Prolong Tree Preservative

Christmas tree preservative. By keeping your tree watered with Prolong you will find the tree will retain their needles longer in the dry heat of your winter home. Prolong causes cut trees to absorb more water than it would otherwise, thus extending the life of the tree. Safe for use with children and pets, when used as directed.

ITEM NO	Size	Container	Pack	Cost	UPC
