About Us

For the Toughest Jobs on Planet Earth®

The Gorilla Glue Company is based in Cincinnati, Ohio and has been selling Gorilla Glue® for over a decade. The glue was first discovered being used in Indonesia on teak furniture, but consumers soon found it to be incredibly versatile and demand soared. On a mission to make products that deliver impressive results, the company has since expanded its offerings to include Gorilla Tape®, Gorilla® Super Glue, Gorilla® Wood Glue, Gorilla® Epoxy and Gorilla® Construction Adhesive. At Gorilla, we believe in high-quality products and choose to only put the Gorilla logo on products that meet rigorous development standards.

In addition to great products, we are proud to be a great company! The Gorilla Glue Company is family-owned and operated and prides itself on its family atmosphere and fun-but-serious products. Our employees are our #1 asset, and our management is dedicated to providing a healthy work culture centered on family values.

In a recent major expansion, The Gorilla Glue Company's headquarters is now operating out of a 1.1-million-square-foot building!
