 PEEL FROM CORNER OF BOOKLET

HI-YIELD® 55% MALATHION SPRAY controls *Aphids, Thrips, Spider Mites, Lace Bugs, Japanese Beetle Adult, Tent Caterpillar* and *Soft Scale*. Use on Fruits, Vegetables and Ornamentals as listed on the label.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed. Harmful if absorbed through skin. Harmful if inhaled. Causes moderate eye irritation. Avoid contact with skin, eyes and clothing. Avoid breathing spray mist or vapor. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS

Combustible: Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

RESTRICTIONS:

DO NOT APPLY THIS PRODUCT IN A WAY THAT WILL CONTACT ANY PERSON OR PET, EITHER DIRECTLY OR THROUGH DRIFT. KEEP PEOPLE AND PETS OUT OF THE AREA DURING APPLICATION.

Do not allow people or pets to enter the treated area until sprays have dried.

Do not reuse measuring utensil for food use.

Mix **HI-YIELD® 55% MALATHION SPRAY** with water in accordance to directions given below and spray thoroughly covering all plant parts. Apply using a hose-end or tank sprayer.

PEACHES AND PEARS: For control of Codling Moth, Plum Curculio, apply at petal fall and every 11 to 14 days up to 2 applications. Controls Oriental Moth, Plum Curculio on Peaches; for Codling Moth, Plum Curculio and Redbanded Leafroller on Pears use 2 tablespoons per gallon of water. Full coverage spray application should be made. Make no application to Pears within 3 days of Harvest, or to Peaches within 7 days of Harvest. This spray application may cause injury to Bosc Pears.

TOMATOES, CABBAGE, AND POTATOES: To control Spider Mites and Aphids on Tomatoes, Cabbage, and Potatoes use 1 ½ teaspoons per gallon of water. Spray over all to get complete coverage. Do not apply within 7 days of Harvest. The minimum application interval is 7 days. Do not apply more than 8 times per year.

OUTDOOR ORNAMENTALS (ornamental herbaceous plants, ornamental non-flowering plants, ornamental woody shrubs): To control Lace Bug, Euonymous Scale, Aphids, Mealybugs, Spider Mites, Whiteflies, Fourlined Leaf Bug, Japanese Beetle Adult, Potato Leafhopper, Tarnished Plant Bug, Thrips, Rose Leafhopper, and Scurfy Scale, mix 1 1/2 teaspoons per gallon of water and spray thoroughly. Do not use on certain species of Crassula, and sensitive Ferns such as Maidenhair, Boston and Pteris. On Ornamentals to control Birch Leafminer, Boxwood Leafminer, Bagworms, Tent Caterpillar, Azalea Scale, Pine Leaf Scale, and Soft Scale, mix 2 teaspoons per gallon of water and spray thoroughly. The minimum application interval is 10 days. Do not apply more than 2 times per year.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: HI-YIELD® 55% MALATHION SPRAY should be stored in the original unopened container in a secure dry place. Do not contaminate with other pesticides or fertilizers. The product should never be heated above 55°C (131°F), and should not be stored for long periods of time at temperature in excess of 25°C (77°F).

Pesticide Disposal: To avoid wastes, use all material in this container by application according to label directions. If wastes cannot be avoided, offer remaining product to a waste disposal facility or pesticide disposal program (often such programs are run by state or local governments or by industry).

Container Disposal: If empty: **Non refillable container.** Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTE: Buyer assumes all risks of use, storage or handling of this product not in strict accordance to directions given herewith. Voluntary Purchasing Groups, Inc. warrants this product to conform to the chemical description on the label and for the purposes stated on the label. To the extent consistent with applicable law, the limit of any liability incurred shall be the purchase price paid by the User or Buyer.

Hi-Yield® is a Registered Trademark and Brand Name of Voluntary Purchasing Groups, Inc. Use of this Brand Name on the label of this product is not intended to imply any increased effectiveness for this product in comparison to similar products.
