- **Aroma Diffuser Offers Extra Relax**

Safety

True HEPA & Activated Carbon Filter

TRUE HEPA TECHNOLOGY: Filters 99.97% of dust, pollen, smoke, odors, mold spores, and pet dander. This air purifier filters particles as small as 0.3microns and larger, helping to improve overall health.

Speed

3 Speed and Turbo Setting

3 Fan Speed & SIMPLE TO USE: 3 adjustable fan speed meet your needs whether for faster purification or quiet operation. Using this air purifier couldn't be easier as one-button operation turns it on/off and controls the fan speed.

Sleep

Sleep Mode

The noise level is nearly voiceless at sleep mode with only 25db. The night light can be turned off to enjoy a perfect night of sleep without the effect of light.

Service

Service & Warranty

One (1) years Parts & Labor

It's recommended to replace the filter every 6 months or sooner (depending on usage). The replacement filter is available to purchase (Search for APKIT-20F)

Remove Impurities - Helps keep your home conveniently fresh, and quiet

The Hisense KJ120 CADR 120 m³/h 3-Speed desk top air purifier quickly remove 99.97% of dust, pollen, smoke, odors, mold spores, and pet dander in the air. Reliable and eco-friendly this air purifier can cover an area of up to 376 ft²/ 35 m², making it perfect for large rooms and offices.

Easy control and the very low sound level make this a versatile choice. Additional features include

an aroma diffuser, easily accessible filter, and air quality indicator.
