[JEDPoolTools.com](http://JEDPoolTools.com)

JED Pool Tools is proud of and committed to manufacturing in the USA and many of our products are produced in our facility in Scranton, PA. We continue to invest in and grow our injection molding and packaging machines to better serve you and keep Americans working. Look for our Made in USA logo for the items produced domestically by JED and our domestic manufacturing partners.

Thank you, our loyal customers, and welcome to those who are new to JED. We look forward to filling your Pool Accessory needs. The JED owners and staff continue to build on the 25 years of exceptional customer service, quality goods at competitive prices, and prompt service. Please let us know your comments on our products and service as we are always trying to improve.

Thanks Again!
