KITCHEN SINKS AND MORE

SHOWROOM PRICE GUIDE 2020

The Kindred Crown

It is the mark of excellence in sinks, faucets, and accessories. The emblem of ease in the kitchen. The symbol of quality conceived in Canada.

Our crown represents:

INNOVATION ROOTED IN LEGACY

Decades ago, Kindred pioneered the stainless steel sink for the Canadian market. We've been perfecting our craft and our products for all of North America ever since. We also created EZ Torque, the ingenious fastener that secures the rim of the top-mount sink ledge tight to the countertop. And we are continuously devising ways to make our sinks simpler to install. That's how we stay on the vanguard of our industry: by honoring our history.

TRUST ROOTED IN RELIABILITY

Kindred is the first name in Canadian sinks because we've earned it. Those who know Kindred trust Kindred. That's because our products work the way they should and last as long you need. Since our founding,

we've made sinks, faucets and accessories people can count on – day after day, year after year, generation after generation. We invite you to put our integrity to the test. It's a test we never fail.

PREMIUM DESIGN ROOTED IN CREATIVITY

At Kindred, we believe form and function are one and the same. We seamlessly integrate engineering with artistry to give you sinks, faucets and accessories that are uncomplicated to work with and stunning to behold. We offer a vast array of styles and materials to suit any aesthetic or project scope. Whether your project is traditional or contemporary, remodel or new build – we make it easy. And every Kindred product is as distinctive as the Crown it bears.

Made to Work

At Kindred, we put the Crowning touch on sinks that are made for real life. With a wide range of styles and sizes, Kindred offers versatile, reliable products built for hard work and made to last. From stainless steel to natural granite, apron front models to classic drop-ins, Kindred sinks suit any interior style. Choose from our wide range of bowl configurations to integrate into any space in the house – kitchen, laundry, mudroom, bar, or anywhere else you require quality sinks.

Whether you're outfitting a farmhouse retreat or completing a contemporary chef's kitchen, our thoughtful designs and durable engineering ensure our products are **made to work**.

Made to Last

The kitchen is the heart of the home—
and the sink is the heart of the kitchen.

Kindred has spent decades fine-tuning our tried-and-true sink designs to ensure our heartbeat only gets stronger with each passing year. You'll fall hard for their beauty and reliability, which will continue to shine thanks to our durable finishes.

Other features to make your relationship with Kindred ideal: our easy-to-clean stainless steel, our sound absorbing systems, and our drain systems—all guaranteed to maximize long-term enjoyment. It's clear that Kindred sinks are **made to last**.

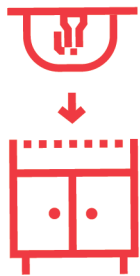

Made for Ease

Eliminate complicated, frustrating and time-consuming sink installation procedures with Kindred's **EZ Torque™**. Our revolutionary installation system allows you to drop and drill your sink into place, securely locking the sink to the countertop. Easier installation means enjoying your kitchen sooner.

Then rest easy, knowing your sink is securely fastened to the countertop. Simply put, each Kindred product is **made for ease**.

TIMELESS BEAUTY, MODERN EASE

Old world charm meets contemporary materials in Kindred Collection stainless steel apron front sinks. For timeless style paired with modern function, this Crown-bearing line is a true classic.

Here, beauty and convenience converge with graceful curves and extra-large bowls. Kindred's versatile apron front models may be installed flush to the countertop, undermounted in a solid surface material or—for a statement-making profile—slightly raised above the counter surface.

A strong commercial-grade satin finish in 18-gauge steel ensures durability, and easy-to-clean 10mm bowl corners make a distinctly modern impression. Rear drains allow for storage underneath, while a sink bowl close to the front ensures comfort while working.

Kindred's apron fronts can hold the biggest pots in the pantry—while harkening to a simpler time.

High Quality Stainless

18 gauge high quality stainless steel with exceptional resistance to staining and corrosion.

Whisper Steel

Special pads and undercoating reduce clanking and splashing noises, so you can enjoy a quiet sink—even during bustling clean-up times of day.

Commercial Satin Finish

Pre-finished sinks stand up to heavy use and retain its beauty for years.

Kindred Collection Undermount Sinks

HERITAGE DESIGNS OFFER VERSATILITY

Superior kitchens start with Kindred sinks. We have spent decades perfecting this versatile powerhouse for the hardest-working room in the home.

The chameleon of sinks, Kindred's highly versatile stainless steel undermounts are designed to sit under any solid surface counter. Crafted by the industry leader in 18-gauge stainless steel, these durable sinks merge with any interior style. Incorporating sound dampening and undercoating, Kindred Collection undermount sinks are quiet beauties—even when in use. Deep bowls minimize splashing with ample room for large pots and pans, offering the form and function customers expect from the Kindred Crown.

High Quality Stainless

18 gauge high quality stainless steel with exceptional resistance to staining and corrosion.

Deep Capacity Bowls

Generous dimensions minimize splashing and accommodate large pots and pans.

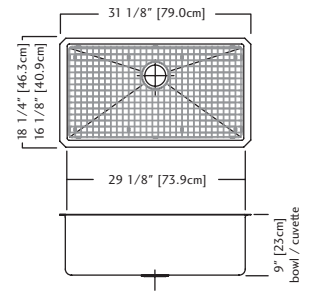

Undermount Installation

Seamless profile brings sleek style to any kitchen.

Kindred Collection Dualmount Sinks

Pictured: KCS30-10-10A with Faucet KF10L

INNOVATIVE DESIGNS SIMPLIFY TASKS

Kindred Collection dualmount sinks are a study in reliable innovation. This pioneering line of streamlining space-savers simplifies clean-up, allowing time for more important things in life.

These models can be installed to suit any aesthetic, from streamlined undermount with an edgeless finish to a classic drop-in with a rim extending over the countertop surface. Perfect for small spaces and busy kitchens, the collection's integrated rail system features ledges to hold custom Kindred accessories—including drainer baskets, colanders and cutting boards—right over the sink.

With a wear-resistant, easy-to-clean satin finish in 18-gauge stainless steel, hardworking Kindred Collection dualmounts deliver the reliability you expect from the Crown.

High Quality Stainless

18 gauge high quality stainless steel with exceptional resistance to staining and corrosion.

Rear Off-Set Drain

Designed for maximum under cabinet storage—and maximum bowl space—with rear drain placement.

Dual Mount Installation

Choose from a seamless profile or easy drop-in installation whose rim extends over the countertop surface.

Steel Queen Apron Front Sinks

Highly Resilient

Strong enough to take on life's messiest jobs with ease and is easy to clean and maintain.

Ultra Quiet

Sound dampening system that keeps your kitchen clear of excess noise from running water and disposal vibration.

Commercial Satin Finish

Robust finish sinks stand up to heavy use and retain its beauty for years.

A BEAUTIFUL HISTORY

Combining design and durability worthy of the Crown, Steel Queen apron front sinks have been a favorite for years.

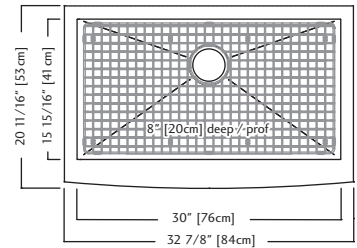

A kitchen staple for their easy-to-reach bowl, our Steel Queen apron front sinks are wide and deep enough to accommodate large pots and pans. Engineered for minimal splashing, these sinks are polished to a glistening satin finish that is hygienic and simple to clean.

Whether installed flush with the countertop, below it, or slightly elevated, a Steel Queen apron front sink will bring the Crowning touch to any kitchen.

Steel Queen Dualmount Sinks

Dualmount Installation

Choose from a seamless profile or easy drop-in installation whose rim extends over the countertop surface.

Rear Off-Set Drain

Designed for maximum under cabinet storage—and maximum bowl space—with rear drain placement.

Highly Resilient

Strong enough to take on life's messiest jobs with ease and is easy to clean and maintain.

MODERN EDGE, MAXIMUM VALUE

The design possibilities of Steel Queen dualmount sinks are limitless.

Constructed for high versatility, these popular models may be installed to suit your space and your specifications—anywhere in the home. Consider an undermount placement for a fashionable look with an edgeless finish, or an easy drop-in with the rim extending over the countertop.

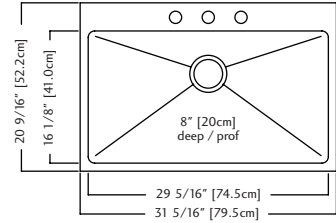

Designed with zero to 20mm radius corners, its angular edges cut a modern profile. A rear drain maximizes the usable bottom surface of the sink bowl, while making room for extra storage below.

Steel Queen Topmount / Drop In Sinks

Pictured: QSLA2031-8 with Faucet KF10J

STANDARD-BEARER OF EASE

Kindred's Steel Queen topmount sinks are widely regarded as some of the easiest-to-install sinks in the industry. Simple enough for a DIY project, these versatile models are the top choice of many home renovators.

The hallmark of our revolutionary EZ Torque System is a simplified fastener feature and drop-and-drill installation. These versatile workhorses adapt to any cabinet configuration, making them a hassle-free option for a quick kitchen upgrade. Gently sloping corners add visual appeal to ensure cleaning is simple and speedy.

Style & Versatility

Choose from a wide range of shapes, sizes and styles to suit any kitchen.

EZ Torque Installation

Simplified fastener system and drop-and-drill process make this one of the industry's quickest sinks to install.

Rear Off-Set Drain

Designed for maximum under cabinet storage—and maximum bowl space—with rear drain placement.

QUIET AS A WHISPER

With pioneering Whisper Steel® sound dampening pads, Creemore topmount sinks make even the busiest bowls a pleasure to use. Special pads reduce clanking and splashing noises, so you can enjoy a quiet sink—even during bustling clean-up times of day.

Installation is as easy as a few simple steps with our streamlined fastener system designed to lock the sink securely to the countertop's edge. Worry-free steel from the industry leader in stainless ensures that Creemore Topmount Series sinks will retain their style for years to come.

EZ Torque Installation

Simplified fastener system and drop-and-drill process make this one of the industry's quickest sinks to install.

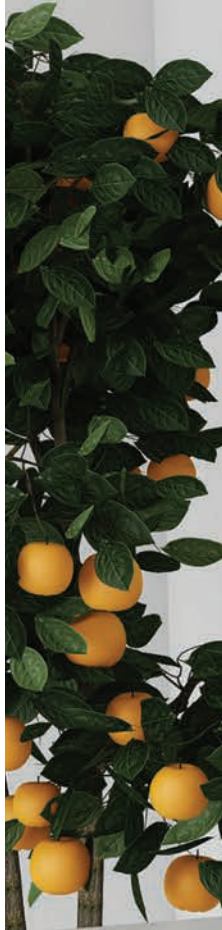

Worry Free Stainless

Sturdy 22-20 gauge steel from the industry leader in stainless, with a finish that will stand up to hard work, year in and year out.

Ultra Quiet

Sound dampening system that reduces excess noise from running water and disposal vibration.

GRANITE SERIES

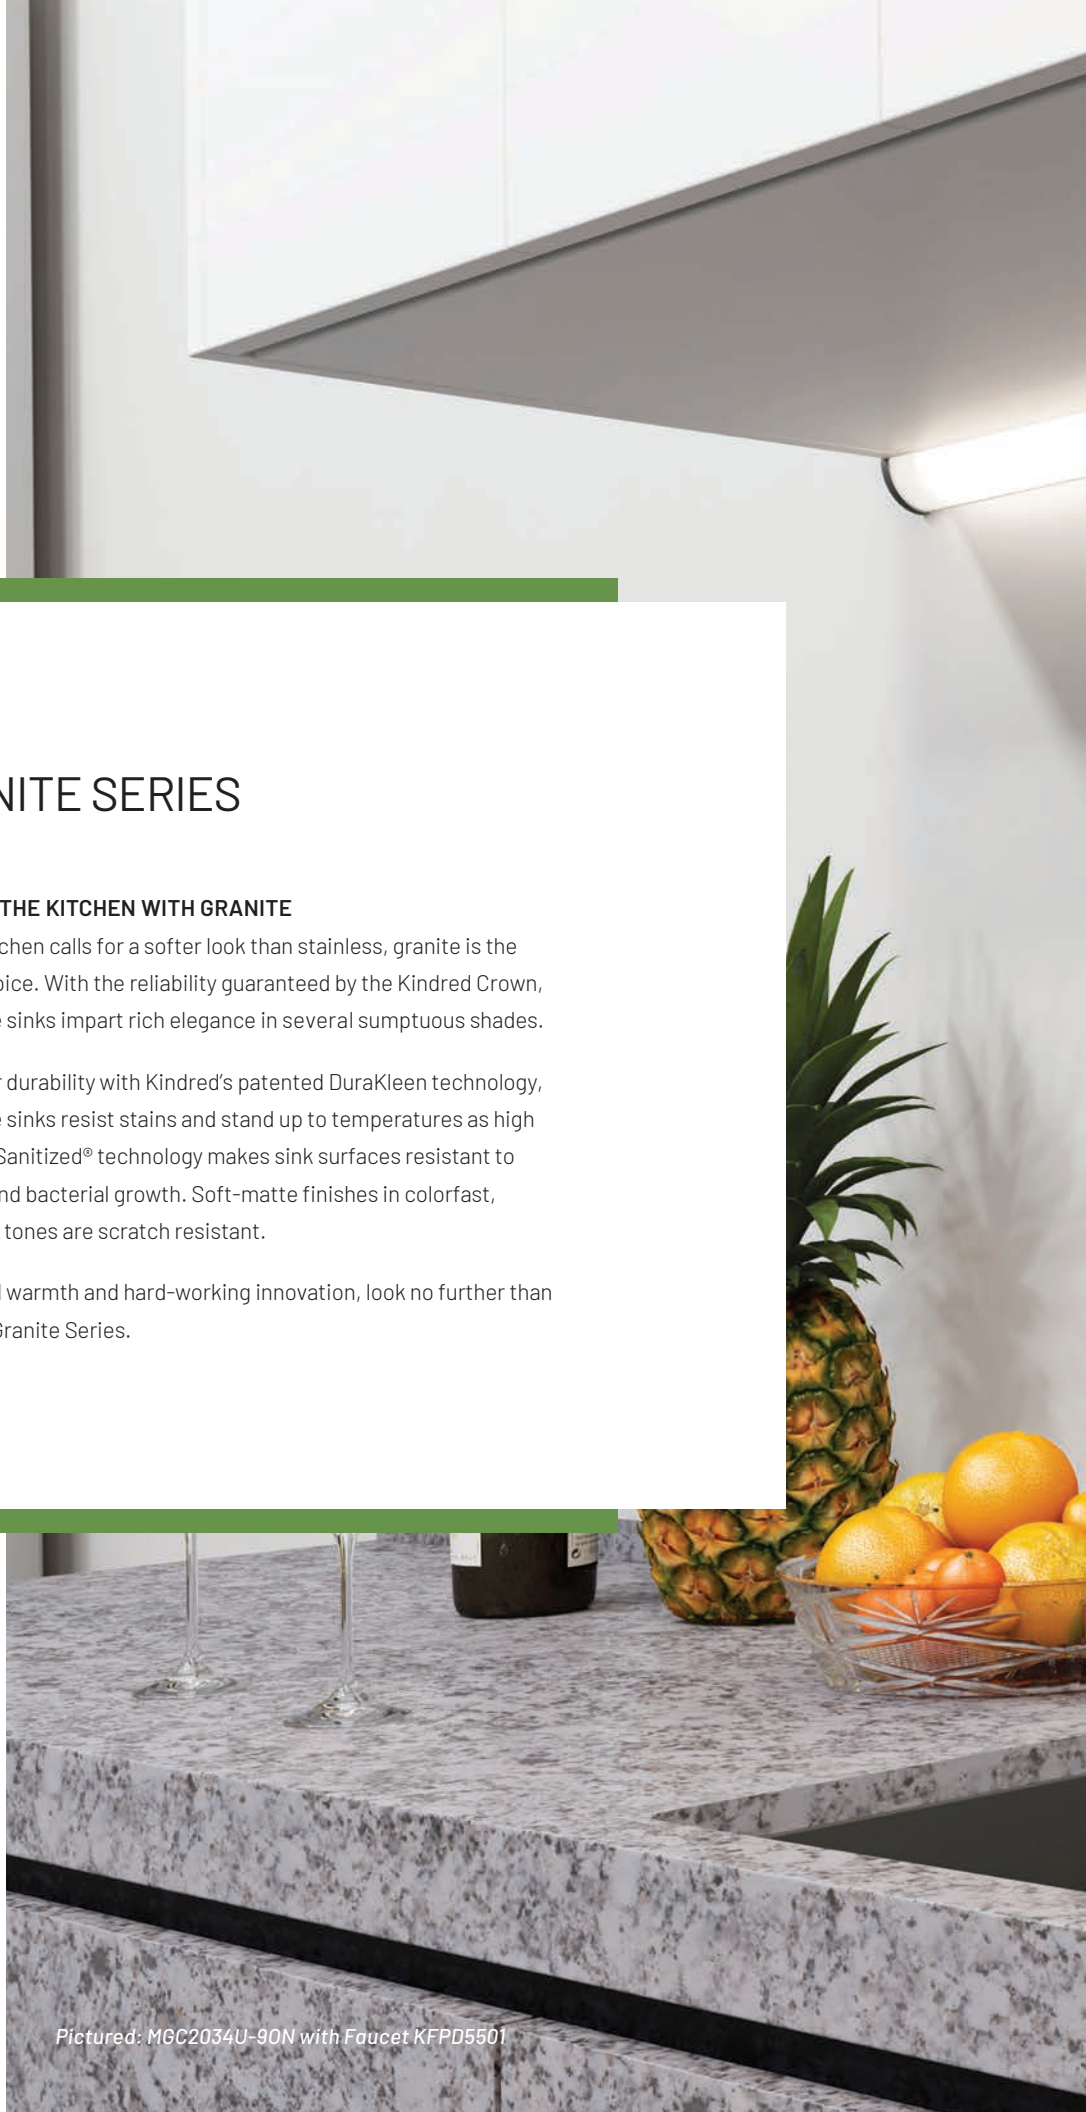

WARM UP THE KITCHEN WITH GRANITE

When a kitchen calls for a softer look than stainless, granite is the natural choice. With the reliability guaranteed by the Kindred Crown, our granite sinks impart rich elegance in several sumptuous shades.

Crafted for durability with Kindred's patented DuraKleen technology, our granite sinks resist stains and stand up to temperatures as high as 536°F. Sanitized® technology makes sink surfaces resistant to microbial and bacterial growth. Soft-matte finishes in colorfast, consistent tones are scratch resistant.

For natural warmth and hard-working innovation, look no further than Kindred's Granite Series.

Granite Series Undermount Sinks

Colorfast Protection

UV Protection ensures that these beauties maintain their natural tones for years.

Sanitized® Hygiene Function

Helps control bacterial odor and microbial growth.

Scratch Resistant

Made from high quality quartz and acrylic resin that makes the sink incredibly robust and hard wearing.

NATURALLY UNDERSTATED

Embrace the Crown's natural durability with a Granite Series undermount sink.

Crafted in sumptuous natural tones to enhance your home, Granite Series undermounts repel tough stains including wine, coffee and grease. Soapy water is all you'll need to clean these models, which have colorfast UV protection to maintain their earthy beauty for years.

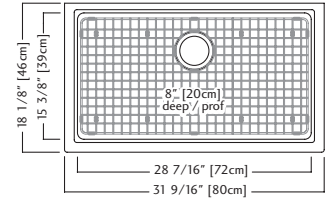

Granite Series undermounts also can stand up to pots and pans as hot as 536°F, making them a great choice for avid cooks and bakers.

EARTHY ELEGANCE

When interior styles call for natural elements, Granite Series topmount sinks are the Crowning touch.

Granite Series topmount sinks are heat and thermal shock resistant up to 536°F, protecting them against hot pans right out of the oven.

True to the Kindred Crown aesthetic, these sinks are crafted for maximum function. Their naturally sound-absorbing materials minimize noise and vibration, while a non-porous Sanitized® finish keeps germs away.

Heat Resistant

Strong enough to withstand hot pans straight from the oven due to heat and thermal shock resistance.

Dura Kleen

The smooth granite finish repels all stains like, wine, coffee and grease. Cleans easily with soapy water.

Sanitized® Hygiene Function

Helps control bacterial odor and microbial growth.

CROWNED TO MATCH

The finishing touch on your Kindred sink, our faucets are lovely in form and high in function.

Choose from Kindred's wide range of faucets, from streamlined single-handle pullouts and pulldowns to commercial styles awash in functionality. Select models feature our innovative EZ Torque installation system, making drop-in installation a snap with just a few tools. Kindred offers faucets and soap dispensers for every room in the house—kitchen, laundry, bar, or bath.

Count on Kindred for perfect pairings of sinks and faucets—made to last and easy to love.

Stainless steel finishes by Kindred

We recognize that the appearance and durability of a stainless steel sink is an important part of the sink selection process and overall purchase decision. And this decision will no doubt be influenced by the finish that we apply to the product.

While there are no industry-wide standards, there are some common product finishes offered by sink manufacturers today.

For example:

- We know that a smooth and bright finish will shed water, resist water spotting, and add sparkle to the kitchen. This is a good choice for a sink deck where appearance is important and "wear and tear" is minimal.
- We also know that a grain line or brush finish is a good choice for the sink bowl. This is where the work is done in the kitchen and where a sink must prove it's mettle ... the sink bowl finish must be durable enough to stand up to whatever you can throw at it.

Kindred has polished and finished stainless steel sinks for over 60 years. That's a lot of experience and a lot of satisfied customers. This ongoing, never-ending discussion with customers, has led to the development of the following Kindred product finishes:

Commercial Finish—A uniform grain line finish applied to the entire surface of the product.

Silk Finish—A smooth and polished surface created with polishing brushes and polishing compounds.

Mirror Finish—A highly reflective and bright surface created with buffing wheels & compounds.

Warranty

RESIDENTIAL SINKS

Kindred brand Stainless Steel and Granite Sinks are guaranteed against defects in material or workmanship, for any normal domestic purpose for which they are intended, for as long as you own your sink.

ACCESSORIES

Kindred brand accessories including hardwood cutting boards, and stainless steel colanders and trays, and baskets and grids are guaranteed against defects in material, and to be suitable for any normal domestic purpose for which they are intended for a period of one year from date of purchase.

FAUCETS

Every Kindred brand (chrome plate or solid stainless) faucet is guaranteed to be suitable for any normal domestic purpose for which it is intended and without defects in material or workmanship for as long as the original purchaser owns their home, provided it has been installed and maintained according to Franke Kindred Canada Limited instructions. The only exception to this warranty shall be decorative faucet finish which shall be warranted for a period of two years from date of purchase.

WASTE DISPOSERS (See pages 138-139)
