

Wall Organization System

Retail Sell Sheet

The Matrix™ brand has the three key ingredients every retailer looks for: quality product, high demand product and consumer-friendly. The Matrix Wall Organization System™ is designed smart and strong with key competitive elements requested by customers: ease of installation, versatility, adjustability, and safety. The Matrix system provides all of these and more.

- **Change it Easily:** The ultimate in-wall organization versatility. Maximum adjustability in four directions: up, down, left, and right
- **More Functional Design with Unlimited Versatility:** Mix hang rails, shelving, and accessories to fit your needs
- **Superior Safety Features:** Safety locking tab prevents accidents. Anti-slip bumper prevents uncontrolled sliding on hand rails
- **Competitively Lower Consumer Price Point**
- **Integrates with KV Shelving Products:** Improves inventory control. Faster stock rotation
- **Line Consolidation:** One supplier for all hang rail and fixed-to-wall utility storage systems. Consolidates fixed-to-wall and adjustable systems
- **Unlimited Horizontal Adjustment on Hang Rails**
- **Vertical Adjustment in 1-1/4" Increments**
- **Top Quality Materials and Construction:** Heavy-duty steel construction. Automotive grade plastics and Nylon straps
- **Exceptional Weight Load Capacities**
- **Storage Your Way:** Get everything off the floor. Easy to change as needed. The only system that integrates tool-free shelving and hang rail adjustability. Expands as needed. Accessories mount on studs, walls, and hang rails
- **Build it Fast:** Easy three-step "level-hang-build" installation
