

Lawn & Garden Products, Inc.

2020 Product Catalog

Superior Solutions for Every Garden

Why Buy Monterey[®] Lawn & Garden *Products?*

Monterey[®] Lawn & Garden Products formulates and packages a wide range of plant protection, nutrition, and weed and disease control solutions that give home gardeners more tools to create a beautiful landscape. These products are available at leading retailers and distributors throughout the United States.

We are continually researching new horticultural solutions for home gardeners. If your customers express a particular product need that you don't find in this catalog, we'd like to hear from you!

Better Gardens with less time and effort!

- 20+ OMRI Listed products for organic gardening
- Herbicides for weed control
- Insecticides and molluscicides for plant protection
- Fungicides for control of plant diseases
- Fertilizers
- Adjuvants to enhance the uptake of listed products
- Nematicides
- Pond dyes and lawn pigments
- Plant growth regulators
- Insect traps and lures

We have color-coded our packaging to identify organic vs. synthetic products. All products based on naturally-occurring ingredients are shown with green labels for quick identification. The orange-colored labels are products based on synthetic active ingredients. Our products provide effective solutions for some of the toughest weed and pest issues within the garden landscape.

New for 2020!

Our partnership with Nufarm brings customers familiar products in new packaging and case sizes. Monterey is now carrying pint and quart sizes of Nufarm herbicides, insecticides, and fungicides. We also now carry quality Baicor fertilizers and iron products under a new Monterey label.

We are grateful to our customers for their continued support as our product line grows. We look forward to working together to make this gardening season a successful one for this year, and more to come.

TRAPS & LURES

Pheromone Traps

- These traps include: Codling Moth Trap & Lure, Peach Tree Borer Trap & Lure, Olive Fruit Fly Trap & Lure, Citrus Leafminer Trap & Lure
- Pheromones attract male insects, who then get caught in the trap
- For mass trapping, use 2 or more traps per tree; for monitoring insect populations, use 1 trap per tree

Spider Traps

- Sticky traps that catch spiders, are safe for organic uses, and contain no pesticides

Yellow Sticky Traps

- Controls insects without any insecticides; attracts insects by color
- Traps are ready-to-use, moisture resistant, and pesticide-free

Indoor Fly Traps

- Controls houseflies without any insecticides
- Traps are ready-to-use, moisture resistant, and non-toxic

Honey Bee & Lady Bug Attractants

- Attracts beneficial insects to your garden
- Ladybugs and lacewings feed on pests; honeybees pollinate crops

California Proposition 65: WARNING: Cancer and Reproductive Harm – www.P65Warnings.ca.gov*

DYES & PIGMENTS

Monterey® Black, Blue & Dark Blue Pond Dyes

- Super strength – 1 Quart treats 1 Acre of water (4 - 6 ft. deep)
- 1 Quart concentrate is 4X stronger than competitive products and treats like 1 Gallon
- Liquid concentrates available in Blue, Dark Blue, and Black formulations
- 3 shades of pond dyes for use in ponds, fountains, lakes, or lagoons
- When used at label rate will not stain birds or fish
- Harmless to humans as well as wildlife
