

**MULTI PURPOSE LITHIUM GREASE
CODES 11312, 11315, 11316, 11328**

**NLGI Grade: 2
Color: Dark Grey**

**Thickener Type: Lithium 12-hydroxy stearate
Texture: Smooth**

Brief product description: A smooth, general purpose lithium 12-hydroxy stearate grease. This is a functional general purpose grease, designed for hundreds of uses with a broad range of operating conditions at an economical cost.

It can be used for operating temperatures from -18°C (0°F) to 138°C (280°F).

<u>Test</u>	<u>ASTM Method</u>	<u>Typical Result</u>
Penetration @ 77°F Worked 60 Strokes	D-217	265-295
Dropping Point, °F(°C)	D-2265	340 (171)
Oil Separation, % Loss	D-1742	3.5
Base Oil Characteristics		
Vis @ 40° cSt	D-445	152
Vis @ 100° cSt	D-445	11.8
Viscosity Index	D-2270	40
Water Washout	D-1264	10%
4 Ball Wear Scar Diam., mm	D-2266	<0.6
Timken OK Load	D-2509	30
