The Professional Choice

Complete Selection of Concrete Anchors

TorqueMaster™

Benefits

- ★ **ADDED TORQUE** Reduces the risk of cam-out.
- ★ **QUICK** This two step system installs quickly and simply and provides a neat finished appearance. It eliminates inserts, plugs or shields
- ★ **STRONG** Midwest Fastener screws are as strong, or stronger, than any other anchor of same size
- ★ **SAFE** No dangerous powder-actuated tools are needed
- ★ **REMOVABLE** Screws can be easily removed
- ★ **COATING** Features Blue Ruspert® finish for superior rust resistance
- ★ **LOW COST** Time saved using Torquemaster™ Masonry Screws lowers the overall installed cost
- ★ **Bits Included** Drill bit and Driver bit included
- ★ **UNIQUE 5/16"** Diameter sizes available

CROCODILE™ ANCHORS By TorqueMaster

Crocodile Anchors

S/C	SIZE	PCS/PER
51727	1/4 x 1	100
51728	1/4 x 1-3/16	100
51729	5/16 x 1-3/8	50
51730	3/8 x 2	50
51731	1/2 x 2-1/2	25

Benefits

- QUICK** This three step system installs quickly and simply and provides a neat finished appearance. It eliminates inserts, plugs or shields
- STRONG** Torquemaster™ Crocodile™ Anchors are as strong, or stronger, than any other anchor of same size
- BROAD APPLICATION** Applicable to any kind of bolt head (Use with hex bolts for maximum hold)
- HOLDING POWER** Threaded bolts give maximum holding power and torque for heavy applications
- SAFE** No dangerous powder-actuated tools are needed
- GUARANTEED EXPANSION** Metal plate-made product, patented design of full-thread cone shaped expansion with excellent capacity of grabbing concrete walls
- REMOVABLE** Screws can be easily removed and re-installed in the same hole
- LOW COST** Time saved using Torquemaster™ Crocodile™ Anchors lowers the overall installed cost

Merchandising

Display Programs:

Our high-impact styrene display cabinets are engineered specifically for the storage and display of packages and/or loose fasteners. They are attractively designed, yet are built to withstand heavy-duty usage for many years of service. These display fixtures are available at no-charge to qualified retailers. The display cabinets' space-saving design allows for maximum product per square foot of floor space, and the product is presented to the customer in an orderly and "easy-to-shop" style.

Point-Of-Sale Graphics:

Midwest Fastener offers a complete graphics package for your fastener department which includes color-coded bin labels, indexers, box labels and overhead signage. They are designed to aid the customer in making the correct purchase. (They are a silent sales force working for you every day.) All of our graphics are item specific, and the first generation artwork is the best available in our industry.

Pricing Programs:

The Midwest pricing program will give you 100% control of your fastener profits. You can choose any margin markup for your display. You can even request different price margins for each product group or customize your prices item by item. Our partner pricing option provides more profit to the retailer. You request it, and we will do it. We also can provide price stickers for packaged goods provided at no charge upon your request.

Service

Our Sales-Force:

There are hundreds of men and women representing Midwest Fastener every day. They are professional people who will:

- Design and install your fastener department.
- Service and maintain your fastener department on a regular schedule.
- Become your partner in profit when it comes to fasteners and specialty products.

Our Website:

- The industry's only business to business website allowing you to place orders, check order status, track returns and get item history information: www.fastenerconnection.com

Our Distribution System:

- Midwest Fastener Corporation has five distribution centers located across the United States, with over 500,000 square feet of modern and efficient warehousing space to serve you.
- Your orders are processed within 48 hours and will have a 98% fill rate on all product groups...no excuses!
- Toll-Free fax lines are available 24 hours a day for your convenience.
- Low prepaid freight minimum.
- Midwest Fastener has a dependable and knowledgeable office staff ready to answer your questions, help with orders, and offer you quotes.
