MS International, Inc.
Premium Surfaces Since 1975

How to Use Guide

- 1 **Product Description** is broken down into four parts -
 1. Product Part Number
 2. Product Description
 3. How many pieces of product per linear foot on an 18" high wall space
- 2 **Grout Color** shown here. If more than one grout color is used the location will be shown in parentheses. CBP stands for Custom Building Products brand grout

Part Number for individual product. Reference the information side bar at bottom left of the board to find out additional information such as size and description

Find a coordinating countertop option on these pages

Brief Description of the various products represented on the board & **Page Number**
