

**Product Number: 785**

**Product Name: M-1 House Wash**

## **USE AND SAFETY INFORMATION**

**Directions:** Cut 1 part House Wash with noted parts of water - 2:1, 8:1, etc. M-1 House Wash is a water reducible, odorless, biodegradable, industrial strength cleaner. Contains no solvents, phosphates, abrasives or chlorine. Do not add bleach to more cleaner than will be used in 48 hours. For use in pressure washers, hand pump sprayers, and hand cleaning, reduce 8:1 with water. Cleans better, faster, easier, & lasts longer than any other cleaner, and is very economical to use. **TO WASH MILDEW STAINED SURFACE:** Removes mildew stains, algae stains, clay, pollution, scum, & prepares surfaces for painting. To pressure wash: Mix 1 part House Wash with 3 parts bleach in a pail. Run through pressure washer at 10:1 ratio which will cut House Wash 40:1. Apply a generous coat. Let stand 10 minutes, pressure wash. Cut 40:1 a gallon of House Wash washes 8,800 square feet. Has lowest end use cost of any wash. In hand pump spray: Mix 1 part House Wash, 3 parts bleach & 16 parts water. A gallon makes 20 gallons. Spray on generous coat. If accumulation is heavy, spray on second coat, wait 10 minutes, rinse with hose or pressure wash. **TO WASH SURFACES WITHOUT BLEACH:** Replace 3 parts of bleach with 1-1/2 part of water. Clean as above.

**NOTE:** If the House Wash Concentrate color fades the product's ability to perform is not affected. Do not allow to dry on glass, may leave white streaks. White streaks on glass windows are easily removed from the glass with 00 steel wool and water. If bleach is used, protect delicate shrubs and flowers. Test thoroughly before using to be sure surface will not be harmed. Do not get cleaner between thermopane windows.

**CAUTIONS:** CONTAINS SODIUM METASILICATE AND SODIUM HYDROXIDE. Harmful if swallowed. May cause eye or skin irritation. Do not breathe spray mist, may irritate mucus membrane. Do not take internally. Avoid contact with eyes or prolonged contact with skin. Close container after each use. Do not transfer to unlabeled containers.

**WARNING:** THIS PRODUCT CONTAINS CHEMICALS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE CANCER AND BIRTH DEFECTS, OR OTHER REPRODUCTIVE HARM.

**First Aid:** If swallowed, do not induce vomiting. Drink large quantities of water. Never give anything by mouth to an unconscious person. Call poison control center, hospital emergency room or physician for instructions. In case of eye contact, immediately flush with water for at least fifteen minutes. Get medical attention. In case of skin contact, wash with soap and water. If irritation persists, get medical attention.

**KEEP OUT OF REACH OF CHILDREN.**
