About Us, Contents, New Magnets

We Know Magnets

Founded in 1976 and located in Castle Rock, Colo., Master Magnetics, Inc. manufactures and distributes all types of magnets and magnetic devices for commercial, industrial and consumer use. The Magnet Source® brand is a registered trademark of Master Magnetics, Inc. and represents exceptional quality, expertise and customer service.

Innovative and Extensive Product Line

We continuously develop useful and profitable magnetic products. Magnets attract profits, and with over 250 SKUs of packaged consumer magnets in stock, customized planograms and consistent quality, The Magnet Source® brand is a great profit center for your store.

Permanent Magnetism Guarantee

The magnets in this catalog are all made from permanent magnet material. We guarantee, under normal use, that these magnets will remain magnetized or we will remagnetize them. There is an expected loss in strength of .5 of 1% per century.

POP 'N CATCH

Magnetic Bottle Opener and Cap Catcher

Pop the top off and catch the cap in one single-handed action

NEW

- Magnetic-Mount or Screw-Mount
- Powerful magnets covered by protective rubber allow for scratch-free magnetic mounting on refrigerators, grills, tailgates, RVs, toolboxes, and more
- Screw mount to non-magnetic surfaces such as decks, walls, coolers, and more
- Measures 5" W x 10.5" H

Pop 'N Catch® . . . Part No. 07581

Magnetic Contact Light

Ideal in low-light environments, this powerful magnetic assembly uses LED lights to illuminate work area. Magnetically attach to screwdriver or other small tools. Use with clip assembly and attach to brim of hat.

- Continuity circuit turns ON/OFF on contact with metal tools
- Ideal for mechanics and electricians
- Batteries included (LR521)
- 100,000 hrs. bulb life, 2 lumens

Magnetic Contact Light . . . [Part No. 07558](#)

Magnetic Contact Light with Hat Clip

- Twist to turn ON/OFF
- The base tilts up or down for accurate light positioning
- Two extra battery packs included

Magnetic Contact Light with Hat Clip [Part No. 07559](#)

07558

07559

Contact light with hat clip

Magnetic Base with Attachments

NEW

Industrial strength magnetic base with attachments can be used in many ways. Heavy duty construction is ideal for holding, hanging and storing numerous items, tools, wires, and more. 2.04" dia., 35 lbs. pull.

07596

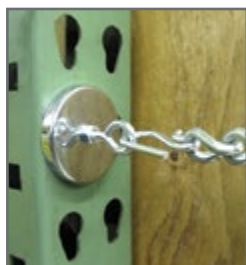

Attach eyebolt

Attach hook

Attach screw (bracket not included)

Magnetic Base with Attachments [Part No. 07596](#)

Magnetic Base with Attached Screw, Nuts and Wingnut 65 lbs. pull [Part No. RB70B2NW](#)

Magnetic Hooks with Grip Pads

NEW

Super strong magnetic hook with slip resistant pads. Use on refrigerators, lockers, file cabinets, and more.

- Powerful neodymium magnet - each hook has up to 5 lbs. pull
- Versatile hook with unique and attractive design
- Two pieces per package

Magnetic Hooks with Grip Pads [Part No. 07599](#)

New Magnets, Tool Holders

NEW

Magnetic Clips

Versatile magnetic clips are strong enough to keep those important lists, memos, letters, and calendars from sliding out of sight. A must for every auto repair shop.

- Powerful ceramic magnets
- Chrome plated

08018

08019

Magnetic Clips 4 pcs., 1.125" x 1.375" . Part No. 08018
 Magnetic Clips 2 pcs., 1.75" x 2" Part No. 08019

Swiveling Magnetic Hook

Industrial strength magnetic hook swivels to allow it to be used in numerous positions. Heavy duty construction is ideal for holding and storing cables, tools, wires, and more.

- Powerful neodymium magnet has 40 lbs. pull
- 1.125" dia. chrome plated base
- Includes a non-scratch liner

NEW

Swiveling Magnetic Hook Part No. 07589

Magnetic Tool Holders

07662

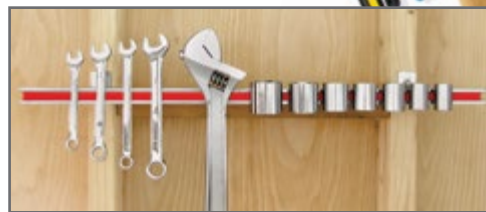

07664

07663

- Heavy Duty
- Powder-coated black with yellow stripe
- Nickel-plated with red stripe
- 20 lbs. pull per inch

Heavy duty magnetic tool holders keep large or small tools and metal parts securely in place. Perfect for workshops, garages, manufacturing facilities, and even inside trucks and vans. When mounted, these tool holders are held firmly in place by welded tabs, with .25" holes for screws. 20 lbs. pull per inch. Mounting screws included.

- 24" Magnetic Tool Holder
Black with yellow stripe. Part No. 07661
- 24" Magnetic Tool Holder
Nickel-plated with red stripe. Part No. 07662
- 13" Magnetic Tool Holder
Black with yellow stripe. Part No. 07663
- 13" Magnetic Tool Holder
Nickel-plated with red stripe. Part No. 07664

Tool Holders, Parts Trays and Cup Caddy™

Magnetic Knife and Tool Holders

07576

07577

Powerful magnetic bars in attractive gray or flat black organize utensils and tools in a garage or workshop. Two mounting styles to choose from.

- Magnetic mount has magnets on front and back so bar attracts to metal surface
- Screw mount has one-sided magnetism with mounting screws included
- 30 lbs. pull per inch
- 12" W x 1.5" H x 1" D

Magnetic or screw mount

Magnetic Hooks

07291

Versatile magnetic hooks are ideal for a variety of applications. Hold and organize cables, tools, wires, and more. Hang decorations, signage and banners.

Rotating Magnetic Hook 1.25" dia. black base, swivels 360° and swings 180°, neodymium magnet, protective liner prevents scratches, 65 lbs. pull **Part No. 07580**

Reversible Magnetic Hook 2.25" dia. blue base, ceramic magnet, hook can be unscrewed and flipped, 25 lbs. pull **Part No. 07529**

Magnetic Handi-Hook™ 2" dia. plated base, ceramic magnet, liner prevents scratches, 20 lbs. pull **Part No. 07218**

White Magnetic Hooks 2 hooks, 1" dia. white enamel base, ceramic magnet, 9 lbs. pull **Part No. 07290**

White Magnetic Hooks 2 hooks, 1.25" dia. white enamel base, ceramic magnet, 14 lbs. pull **Part No. 07291**

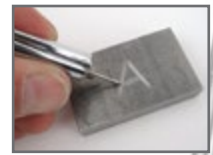

07228

07568

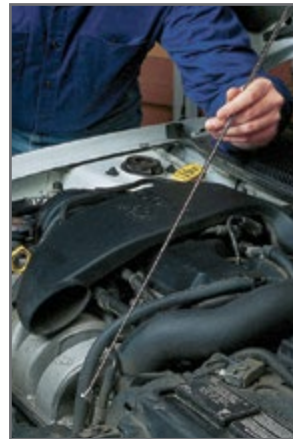

07565

07565 has handy etching tip

Each has a powerful neodymium magnet

07566

07226

Magnetic Pickup/Pointer Tools

Handy to have around for collecting dropped metal items such as screws and nuts. Each has a powerful neodymium magnet in the tip. Doubles as a presentation pointer with pocket clip attached.

Telescoping Pickup/Pointer extends to 25", 3 lbs. pull **Part No. 07228**

Telescoping Pickup/Pointer extends to 23", 7 lbs. pull **Part No. 07568**

Telescoping Pickup/Pointer with Scribe extends to 25", includes etching point, 3 lbs. pull **Part No. 07565**

Telescoping Pickup/Pointer Display with 40 pcs., each extends to 25" and has 3 lbs. pull. . **Part No. 07226**

Telescoping Pickup/Pointer Display with 30 pcs., each extends to 23" and has 7 lbs. pull. . **Part No. 07566**

Extendable Pickup Magnets

07569

07567

07256

07227

Extra Long Extendable Pickup Magnets

Each features a vinyl handle grip, durable aluminum tubing and a powerful neodymium magnet that retrieves screws, wrenches, screwdrivers, and other items that are out of reach. Loosen knurled collar and pull to required length. Tighten collar to keep length.

Extendable/Bendable Pickup Magnet extends from 20" to 36", 3 lbs. pull **Part No. 07569**

Extendable Rigid Pickup Magnet extends from 17" to 30", 10 lbs. pull **Part No. 07567**

Lightweight Magnetic Pickup Tools

Each contains a neodymium magnet, the strongest magnetic material available, plus a sturdy body with grip handle. Adjustable locking hinge allows access around corners or where an unusual angle is necessary for object retrieval.

Extendable Pickup Magnet extends to 14", 3 lbs. pull. **Part No. 07256**

Extendable Pickup Magnet extends to 25", 5 lbs. pull. **Part No. 07227**

Retractable Retrieving Magnet

Can be bent and angled into small spaces to retrieve metal screws, nails and more. Shielded sides help target pickup – won't attract to metal surroundings until activated.

- Snakes through difficult or confined areas, holds shape for hard-to-reach items
- Plunger handle activates magnet
- 23" long
- Neodymium magnet has 2 lbs. pull

Retractable Retrieving Magnet Part No. 07588

Bend-It Magnet

Can be bent to reach nearly any location - around corners, between appliances or furniture, underneath cabinets and more. Use to retrieve lost items from dashboards, drains and vents.

- 19" long
- Neodymium magnet has 2 lbs. pull

Bend-It Magnet. Part No. 07229

Pocket Pickup Magnet

A great impulse buy at hardware and automotive retail stores, and popular with transmission mechanics, this neodymium magnet lifts up to 2 lbs. Includes convenient pocket clip.

Pocket Pickup Magnet. . . Part No. 07264

Sweeping Tools and Specialty Hooks

Magnetic Retrieving Batons

Collect metal shavings around a drill press

These innovative and powerful tools remove fine metallic filings, turnings or shavings (also known as swarf) from wet or dry environments.

- Clean water or degreasing tanks
- Guard shields hands from sharp debris
- Neodymium magnets
- Non-corrosive, stainless steel housing

Retrieving Baton 16.5" L x 1" dia. **Part No. RHS01**

Retrieving Baton with easy-grip handle and hang hook, 16" L x 1" dia. . . **Part No. RHS02**

Extra Long Retrieving Batons
 39" L x 0.5" dia. **Part No. RHS03**
 41" L x 1" dia. **Part No. RHS04**

Specialty Neodymium Magnetic Hooks

07587

07287

Magnetic Carabiner Hook

Hang a tool belt or other heavy items to metal walls, beams and cabinets. Works well in jobber vans, auto repair and service stations, or warehouses. 1.125" dia., 35 lbs. pull.

Magnetic Carabiner Hook **Part No. 07587**

Powerful Magnet with Attachment Ring

Hang keys or rope/chain with signage for warehouses or stores. Includes non-scratch liner. 1.125" dia., 35 lbs. pull.

Magnet with Attachment Ring. **Part No. 07287**

Magnetic Pick-Up Tool Attachment

Attach to an acme-threaded standard broom handle.

Attach an acme-threaded standard broom handle to this pre-threaded magnetic base. Use the wing nut to adjust the handle angle to desired position. Reach tools, nuts, bolts, and other ferrous metal items from underneath vehicles with ease. Lifts up to 65 lbs.

Magnetic Pick-Up Tool Attachment . . . **Part No. 07508**

Magnetic Mini Sweepers

07294

07263

Pick up small ferrous metal shavings or nails that could cause injury or costly tire repairs. Roll the sweeper over any area to collect metal pieces.

Mini Sweeper with Release 13" sweeping width, quick release, 40" handle retracts to 27". **Part No. 07294**

Mini Sweeper 14.5" sweeping width . . . **Part No. 07263**

Pick-Up Pal™, Round Bases and Magnetizers

Magnetic Pick-Up Pal™

Both tools contain neodymium, the most powerful magnet material in the world. Prevent costly tire repairs and pick up nails, nuts, bolts, screws, and scrap metal with a pull of up to 65 lbs. Reach under vehicles, workbenches and tables.

07597

Magnetic Pick-Up Pal™
35" steel handle . . . **Part No. 07297**

07297

Telescoping Magnetic Pick-Up Pal™
24" handle extends to 40" **Part No. 07597**

Holding Magnets with Knob Handle

07516

07505

Hold diagrams, maps and more with these convenient, heavy duty magnetic bases. Ideal for use in shops and warehouses. Each magnet features an easy-grip knob for positioning and a non-scratch liner to prevent marring.

Knob Magnet 1.5" dia., 11 lbs. pull . . . Part No. 07516

Knob Magnet 2.625" dia., 25 lbs. pull . . Part No. 07505

Knob Magnet 2" dia., 20 lbs. pull Part No. 07517

Screwdriver Magnetizer/Demagnetizers

07524

07224

07224BIN

07624BIN

Quickly and easily magnetize small tools so they attract screws or nuts for easy starting and removing. Insert a screwdriver into the hole, remove it, and it's magnetized!

Large Tool Magnetizer/Demagnetizer with separate slots for magnetizing and demagnetizing . . . **Part No. 07524**

Magnetizer/Demagnetizers in countertop bin individually UPC labeled, 12 pcs. . . . **Part No. 07624BIN**

Magnetic Strength Pull Test Methodology

We rate our magnetic assemblies by pounds of pull in a vertical test. Each magnet's entire magnetic surface is tested against a .5" thick ground steel plate. If the item you wish to lift is thinner than .5," is not ground flat, or does not cover the entire magnetic surface, actual holding capacity could be much lower. Painted surfaces also tend to reduce tested strengths.

Magnetic Clips Pg. 4
