# 18V Extension Pole Saw 200mm

**LXT**

DUA200

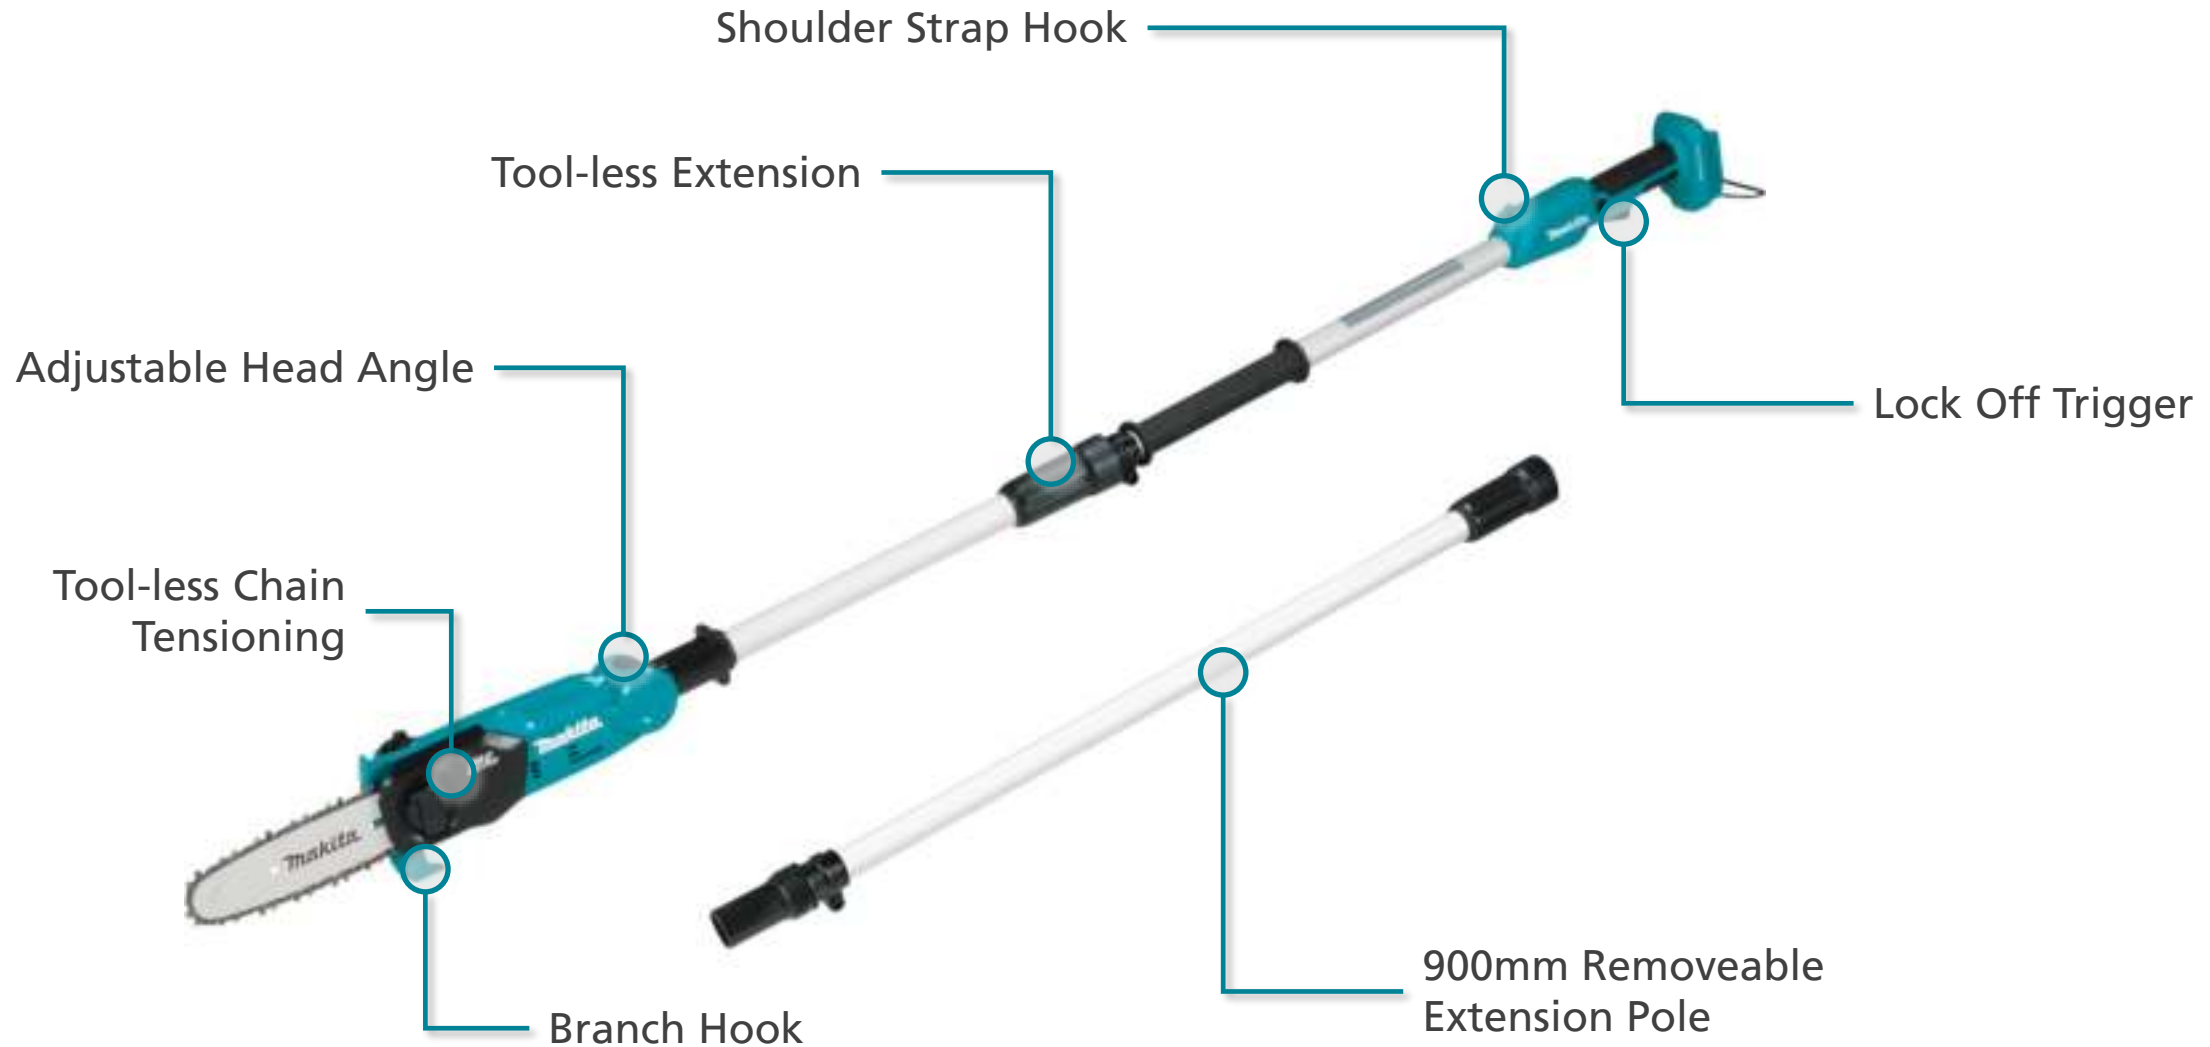

# Product Statement

The DUA200 is a lightweight, extendable pole saw with a 200mm cutting width and reach of over 2.5m when fully assembled. The 900mm extension pole can be removed without any tools to reduce the length to 1.6m.

The cutting angle can be adjusted from  $+60^\circ$  to  $-60^\circ$  providing increased ergonomics for a range of cutting situations. Tool-less bar tensioning and automatic chain lubrication allow for easy maintenance.
