A Message to our Customers...

Our goal at Turtle Wax is to provide our consumers with the highest quality and most innovative products on the market. Over the past 60 years, Turtle Wax has established itself as the global leader in car care, and we will continue to lead the industry by focusing on marketing and new product development. Our latest generation of products is proof that the brand is more powerful and innovative than ever. When a consumer selects the Turtle Wax brand, they know exactly what they are getting—consistent quality and exceptional results.

We look forward to many more years of success and dedication to our customers and consumers.

Sincerely,

Sondra Healy

2014 NEW PRODUCT HIGHLIGHTS

NEW! Turtle Wax® ICE® Premium Care All Wheel & Tire Cleaner safely loosens and lifts baked on brake dust, dirt, grime, surface stains and more. Turtle Wax® ICE® Premium Care All Wheel & Tire Cleaner is a concentrated, fast-acting all-purpose wheel and tire cleaner that is formulated to be safe on all wheel and tire surfaces. No need to scrub the surface with harsh brushes that can leave scratches and swirls on the wheel surface, just spray, lightly agitate soils and watch the cleaning action as the dirt is removed. The unique formula also acts as a barrier in reducing build-up of brake dust and dirt on your wheels and tires to make future cleaning easier and faster. (Page 11)

NEW! Turtle Wax® ICE® Premium Care Tire Shine is a high endurance formula that provides a rich, high gloss coating ensuring a long lasting wet appearance. Durability and our highest possible shine with spray on-no wipe convenience Turtle Wax® ICE® Premium Care Tire Shine formula contains silicone to penetrate tire sidewall rubber and lock on a shine that lasts through normal wet driving conditions. The thick formula clings to vertical tire sidewall surfaces and virtually eliminates 'tire sling' onto body panels restoring tires to a rich black appearance. (Page 12)

NEW! Turtle Wax® Jet Black™ Black Endura-Shine Tire Coat Kit utilizes luxurious and distinctive technology to prove an exceptional, intense black luster, delivering an incredibly powerful statement. The resilient black-tinted acrylic coating corrects browning to achieve the most intense black for up to a year. In addition, the coating provides a protective barrier from dirt that requires little maintenance to clean and restore that dramatic lustrous shine. One application of Turtle Wax® Jet Black™ Black Endura-Shine Tire Coat will give your tires a noteworthy appearance that will make heads turn for months! (Page 14)

NEW! Turtle Wax® Jet Black™ Black Endura-Shine Trim Coating is an advanced acrylic coating technology that delivers an unsurpassed deep rich shine that lasts for over a year, which is 4X longer than traditional silicone-based products. Turtle Wax® Jet Black™ Black Endura-Shine Trim Coating revitalizes and brightens dull, faded black and dark grey trim, replenishing lost color and shine to a like new condition. The advanced formula uses black-tinted acrylic polymer technology to coat trim for protection. In just one application, it provides a deep, black, rich shine and protective barrier that can withstand repeated car washing and rain for over a year! (Page 15)

2014 NEW PRODUCT HIGHLIGHTS

- Non-greasy, dry-touch shine

T97R TURTLE WAX® F21® SUPER PROTECTANT 6/20.8 fl. oz.

TURTLE WAX® F21® ULTRA WET® TIRE SHINE

- Protectant and beautifier for use on tires, black rubber bumpers, weather stripping, and hard vinyl trim
- Convenient trigger provides an instant, even, wet look coating
- Contains a special blend of silicone polymers and resin chemistries that penetrates the tire rubber to lock in a long-lasting shine and form a wet looking, shiny film with virtually no greasy feel

T108 TURTLE WAX® F21® ULTRA WET® TIRE SHINE 6/26 fl. oz.

TURTLE WAX® F21® TIRE FOAM & SHINE

- Nanotechnology formula combined with Sun-Stop® protectant forms a tight layer of protective polymers to provide protection against the sun's UVA/UVB rays and helps prevent premature fading and cracking of your tire's sidewalls
- A blend of polymers and silicones provides an extremely high level of shine that dries to the touch and will not spin-off on to side panels
- No wiping required. Just spray on and walk away

T49R1 TURTLE WAX® F21® TIRE FOAM & SHINE 6/18 wt. oz.

TURTLE WAX® F21® WHEEL CLEANER

- Advanced nanotechnology formula quickly penetrates and removes tough brake dust and road grime from all wheel surfaces
- Acid-free formula will not damage sensitive wheel surfaces and is completely biodegradable and phosphate free
- Safe for all wheels including mag, chrome and aluminum

T159R TURTLE WAX® F21® WHEEL CLEANER 6/26 fl. oz.

TURTLE WAX® F21® CAR WASH

- Nanotechnology formula provides powerful cleaning of dirt and road grime, yet will not strip wax or dull your car's finish
- Thick, rich foam provides silky lubrication to help prevent swirl marks caused by abrasive dirt being washed off the car's surface
- Safe for all finishes

T146R4PK TURTLE WAX® F21® CAR WASH 4/64 fl. oz.

TURTLE WAX® CAR WASH

- Formulated with shine enhancers for a brilliant, spot-free shine
- Concentrated blend of mild detergents and shine polymers float away dirt and grime
- Non-streak formula is safe for all finishes

T149R TURTLE WAX® CAR WASH 4/100 fl. oz.
